Toys in Space Mini Grey, 2013-05-14 A very silly (not-too-scary) story about losing a beloved toy. That summer night, the toys were left outside. . . . For the very first time, the Wonderdoll, the helpful wind-up robot, the thoughtful green dinosaur, and the rest of their plucky gang lie in the grass, gazing up at the stars. But one star seems brighter than the rest. As it grows bigger and bigger, the toys realize it may not be a star at all! Soon they're venturing into the unknown, traveling by spaceship, where they meet a lonely alien in need of help, and some friends. From ever-inventive, award-winning author-illustrator Mini Grey comes a hilarious and heartfelt new adventure: a motley group of toys left outside in the garden become true friends and brave heroes--in space!

Papertoy Monsters Brian Castleforte, 2010-12-29 A breakthrough paper-folding book for kids—paper airplanes meet Origami meets Pokemon. Papertoys, the Internet phenomenon that's hot among graphic designers and illustrators around the world, now comes to kids in the coolest new book. Created and curated by Brian Castleforte, a graphic designer and papertoy pioneer who rounded up 25 of the hottest papertoy designers from around the world (Indonesia, Japan, Australia, Italy, Croatia, Chile, even Jackson, Tennessee), Papertoy Monsters offers 50 fiendishly original die-cut designs that are ready to pop out, fold, and glue. The book interleaves card stock with paper stock for a unique craft package; the graphics are colorful and hip, combining the edginess of anime with the goofy fun of Uglydolls and other collectibles. Plus each character comes with its own back-story. And the results are delicious: meet Pharaoh Thoth Amon, who once ruled Egypt but is now a mummy who practices dark magic in his sarcophagus. Or Zumbie the Zombie, who loves nothing more than a nice plate of brains and yams. NotSoScary, a little monster so useless at frightening people that he has to wear a scary mask. Yucky Chuck, the lunchbox creature born in the deepest depths of your school bag. Plus Zeke, the monster under your bed, Nom Nom, eater of cities, and Grumpy Gramps, the hairy grandpa monster with his very own moustache collection.
