*Lame Deer, Seeker of Visions* Lame Deer, Richard Erdoes, 1994-10 Lame Deer Storyteller, rebel, medicine man, Lame Deer was born almost a century ago on the Rosebud Reservation in South Dakota. A full-blooded Sioux, he was many things in the white man's world -- rodeo clown, painter, prisoner. But, above all, he was a holy man of the Lakota tribe. Seeker of Vision The story he tells is one of harsh youth and reckless manhood, shotgun marriage and divorce, history and folklore as rich today as ever -- and of his fierce struggle to keep pride alive, though living as a stranger in his own ancestral land.

**Hardware: The Definitive SF Works of Chris Foss** Chris Foss, 2011-09-06 Foss's groundbreaking and distinctive science fiction art revolutionized paperback covers in the 1970s and 80s. Dramatically raising the bar for realism and invention, his trademark battle-weary spacecraft, dramatic alien landscapes and crumbling brutalist architecture irrevocably changed the aesthetic of science fiction art and cinema. Featuring work for books by Isaac Asimov, E. E. 'Doc' Smith, Arthur C. Clarke, A. E. Van Vogt and Philip K. Dick, and film design for Ridley Scott and Stanley Kubrick, this volume brings together many rare and classic images that have never been seen or reprinted before. The first comprehensive retrospective of Chris Foss's SF career. "Chris Foss' name has become pre-eminent among sf artists... He is in love with the monstrous, with angular momentum, with inertia-free projectiles and irresistible objects." — Brian Aldiss "[Foss'] creations are real machines, not just an artist's dreams. They combine the two elements so essential to science fiction: realism and a sense of wonder... A medieval goldsmith of future eons." — Alejandro Jodorowsky

**The Persona Principle** Derek Armstrong, Kam wai Yu, 1997-05-08 Image is a tool that guarantees success - but only if you know how to use it. The Persona Principle will teach you the most powerful Image-Marketing secrets of the world's leading enterprises. You'll learn to create an effective plan to reach your business, sales, marketing, and personal goals - all on image alone.

*Medallion Status* John Hodgman, 2019-10-15 "[An] affecting and hilarious meditation on fame and prestige as seen through the lens of an airline loyalty program." —The AV Club A hilarious and honest new book in which John Hodgman, New York Times bestselling author of *Vacationland*, leaves vacation behind and gets back to work as a still somewhat famous person . . . and then loses his job. An uproarious read. After spending most of his twenties pursuing a career as a literary agent, John Hodgman decided to try his own hand at writing. Following an appearance to promote one of his books on *The Daily Show*, he was invited to return as a contributor. This led to an unexpected and, frankly, implausible career in front of the camera that has lasted to this very day, or at least until 2016. In these pages, Hodgman explores the strangeness of his career, speaking plainly of fame, especially at the weird, marginal level he enjoyed it. Through these stories you will learn many things that only John Hodgman knows, such as how to prepare for a nude scene with an oboe, or what it feels like to go to a Hollywood party and realize that you are not nearly as famous as the Property Brothers, or, for that matter, those two famous corgis from Instagram. And there are stories about how, when your television gig is canceled, you can console yourself with the fact that all of that travel that made your young son so sad at least left you with a prize: platinum medallion status with your airline. Both unflinchingly funny and deeply heartfelt, *Medallion Status* is a thoughtful examination of status, fame, and identity--and about the way we all deal with those moments when we realize we aren't platinum status anymore and will have to get comfortable in that middle seat again.

*Galactic North* Alastair Reynolds, 2020-04-21 A collection of eight short stories and novellas in the dark and turbulent world of Alastair Reynolds' Revelation Space universe. Centuries from now, solidarity stretches thin as humanity spreads past the solar system and to the nearest stars. Technology has produced powerful new tools-but lethal risk will always accompany great advancement. And without foresight, opposing groups may fracture multiple worlds. Between the Demarchists and the Conjoiners, the basic right to expand human intelligence-beyond its natural limits-has become a war-worthy cause. Only vast lighthugger starships bind these squabbling colonies together, manned by the panicky and paranoid Ultras. And the hyperpigs just try to keep their heads down. The rich get richer. And everyone tries not to think about the worrying number of extinct alien civilizations turning up on the outer reaches of settled space...because who's to say that humanity won't be next?

**Thelwell's Penelope Rides Again** Norman Thelwell, 2022-08-16 Norman Thelwell's best-loved characters are back in a special edition of a timeless favorite. In the early 1950s, and quite to his surprise, artist Norman Thelwell became popular for his equestrian-themed cartoons. In an effort to satisfy a devoted and growing international following, Thelwell developed a cartoon strip about a particular horse-crazy young lady and her wicked pony called Penelope and Kipper. This became a book called *Penelope*, first published in 1972 and now found bound with other favorites in the popular collection *Pony Panorama*. Seventeen years later, a second series of adventures found its way to print in *Penelope Rides Again*. Thelwell's plucky, pint-sized equestrian was back in the saddle (or, more frequently, out of it) as she braved both showgrounds and countryside with the still-devilish Kipper. Many years have passed since *Penelope Rides Again* was last widely available in print. But now the feisty Penelope and Kipper are back in this special 100th Anniversary Edition in honor of Norman Thelwell's Centenary. With Penelope's help, readers of all ages will learn to pick themselves up after a fall, no matter how hard...and laugh about it.
