The Old Yellow House Joyce Wright,2018-11-11 Tyro, Mississippi. Once a thriving community, but like most rural towns go, it dwindled to just close neighbors and a few churches. The oldest house there had fallen into ruin.

The man who farmed upon the land had passed. The heirs came together to sell the property.A young family saw an opportunity to homestead in this quiet, loving area. Everyone was so welcoming. But since the house was in shambles, it took close to a year, just to get it livable.After moving into the house, they decided to cheer it up by painting it yellow and trimming it in white. Upon a hill it sat fairly close to the main road leading through Tyro. Little did the young couple know that they were not the only ones to occupy the house. Unseen and seen forces began to plague them and their visitors. This truer than life story discloses events that at times stretches the imagination from believing to speculation.
