Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Sopranos Family Cookbook Artie Bucco,Allen Rucker,Michele Scicolone,David Chase,2008-08-01 Nuovo Vesuvio. The family restaurant, redefined. Home to the finest in Napolitan' cuisine and Essex County's best kept secret. Now Artie Bucco, la cucina's master chef and your personal host, invites you to a special feast...with a little help from his friends. From arancini to zabaglione, from baccala to Quail Sinatra-style, Artie Bucco and his guests, the Sopranos and their associates, offer food lovers one hundred Avellinese-style recipes and valuable preparation tips. But that's not all! Artie also brings you a cornucopia of precious Sopranos artifacts that includes photos from the old country; the first Bucco's Vesuvio's menu from 1926; Aj's school essay on Why I Like Food; Bobby Bacala's style tips for big eaters, and much, much more. So share the big table with: Tony Soprano, waste management executive Most people soak a bagful of discount briquettes with lighter fluid and cook a pork chop until it's shoe leather and think they're Wolfgang Puck. Enjoy his tender Grilled Sausages sizzling with fennel or cheese. Warning: Piercing the skin is a fire hazard. Corrado Junior Soprano, Tony's uncle Mama always cooked. No one died of too much cholesterol or some such crap. Savor his Pasta Fazool, a toothsome marriage of cannellini beans and ditalini pasta, or Giambott', a grand-operatic vegetable medley. Carmela Soprano, Tony's wife If someone were sick, my inclination would be to send over a pastina and ricotta. It's healing food. Try her Baked Ziti, sinfully enriched with three cheeses, and her earthy 'Shcarole with Garlic. Peter Paul Paulie Walnuts Gualtieri, associate of Tony Soprano I have heard that Eskimos have fifty words for snow. We have five hundred words for food. Sink your teeth into his Eggs in Purgatory-eight eggs, bubbling tomato sauce, and an experience that's pure heaven. As Artie says, Enjoy, with a thousand meals and a thousand laughs. Buon' appetito!

Scarlet Citadel for 5th Edition Steve Winter,2021-08-17 Once a functional fortress where wizards honed their eldritch craft, little now remains of the Scarlet Citadel--on the surface. The place now has a sinister and deadly reputation among adventurers and lorekeepers, and for good reason. The dungeon's well-trod stairs have seen few return from their journeys below. Here, deep underground, dwarven mercenaries once bred their owlbeats for war, sorcerers from the White Forest practiced their arts, and strange cults from other realms drew from mysterious nodes of power. Ancient treasures and secrets are still scattered everywhere. Malevolent creatures spin shadowy webs, enchant foul magics, and summon forth dark gods. The Scarlet Citadel for 5th Edition hardcover is: * A massive hardcover tome containing a classic-style adventure for 10 levels of play, fully compatible for D&D 5E. * Easily paired with the Scarlet Citadel Map Folio, a fold-out set of playable battle maps from Kobold Press. * Suited for newcomers to tabletop RPGs as well as long-time Game Masters. * Optimized for evocative combats and magical mysteries, and brimming with plots and subplots to uncover. * Full of original traps and new monsters as well as a complete write-up of the nearby town of Redtower, where the adventurers can set up a home base.

Pagan, Goddess, Mother Nane Jordan,Chandra Alexandre,2021 This anthology calls Pagan and Goddess mothering into focus by highlighting philosophies and experiences of mothers in these spiritual movements and traditions. Pagan and Goddess spirituality are distinct, yet overlapping and diverse communities, with much to say about deity as mother, and about human mothers in relationship to deity. Authors share creative voices, stories, and scholarship from the forefront of Pagan- and Goddess- centered home, in which divine mothers, Goddesses, diverse female embodiments, and generative life cycles are honoured as sacred. Authors inquire into how their spirituality impacts the perceived value and experiences of mothers themselves, while generating new ways of imagining and enacting motherhood in spiritual and daily life. Pagan, Goddess, Mother opens spaces for

dialogue in areas such as how Pagan- and Goddess- centred mothers engage in, and are impacted by, their spiritual leadership through practices of ceremony, ritual, magic, and priestessing. Authors consider mothers' lived connections with their children, family life, and themselves, through nature, the Earth, and mothering as a spiritual practice. Chapters reflect upon the ways that Pagan- and Goddess- identified mothers creatively navigate daily interactions with dominant religions, the public sphere, community leadership, and activism facing the challenges of such while forging new pathways for spirited well being in mothering and family life.
