The Oxford Dictionary of Modern Slang John Ayto,J. A. Simpson,2005-01-01 A dictionary of modern slang draws on the resources of the Oxford English Dictionary to cover over five thousand slang words and phrases from throughout the English-speaking world.

Twentieth Century Words John Ayto,1999 A landmark book for the end of the century, presenting an overview of the development of English vocabulary from 1900 to the present day. There will be ten chapters, one for each decade, that will provide an introduction to the decade, with areas of particular importance and interest noted, and a presentation of new words for that decade. The selected entries will be both new words, and words that have important new meanings. They will be listed alphabetically in a dictionary-style presentation, with the earliest recorded date of each word entered, and an exemplary quote also given. The source for the entries will be the OED2, and the Additions Series, as well as unpublished material from the New Words group in the OED Department. In addition to the main alphabetic sequence of entries, there will also be boxed panels covering specific aspects of a decade's vocabulary e.g. words arising directly from World War II for the 1940s. There will also be cross-chapter panels, for example 'insults of the century'. Examples of new words and their, perhaps surprising, earliest recorded dates: 'astronaut' - first coined in the 1920s when it was still an ambition. 'fruit machine' - 1930s; 'discotheque' - 1950s; 'pager' - 1960s

Dictionary of Word Origins John Ayto,2011-04-01 Uncover the hidden and often surprising connection between words. Written in a clear and informative style, the more than 8,000 articles reveal the origins of and links between some of the most common English-language words. What is the link between map and apron, acrobat and oxygen, zeal and jealousy, flour and pollen, secret and crime? Did you know that crimson originally comes from the name of tiny scale insects, the kermes, from whose dried bodies a red dyestuff is made? That Yankee began as a nickname for Dutchmen? That omelette evolved from amulette, "a thin sheet of metal," and is a not-too-distant cousin of the word laminate? That jeans find their antecedent in jean fustian, meaning "a cotton fabric from Genoa"? They also contain an extensive selection of words whose life histories are intrinsically fascinating or instructive. This dictionary shows how modern English has developed from its Indo-European roots and how the various influences on the language—from migration and invasion to exploration, trade, technology, and scholarship—have intermingled. It is an invaluable addition to any English or linguistics library.

Kumba Africa Sampson Ejike Odum,2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

Antifascisms David Ward,1996 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Archways 1 Chris Molnar,Nicodemus Nicoludis,2021-04-13 Archway Editions is the brand new imprint of powerHouse Books, and a literary complement to their trailblazing photography and illustrated publications, all distributed by Simon & Schuster. Our mission statement is to publish the finest authors, at all stages of their careers, who write material which is at odds with the prevailing status quo, both legendary and emerging. We are genre-blind with a goal to publish unconventional books for the widest possible audience. This includes writers with long careers like Alice Notley, Ishmael Reed and Paul Schrader, but also young writers who need a place to show off their stuff and meet likeminded literati. Archways is the in-house

reading series that takes place every few months at POWERHOUSE Arena, our bookstore in downtown Brooklyn across from the Manhattan Bridge archway. It's our home base and a place for authors to present incredible work out of the mainstream. Some we end up publishing (like Gabriel Kruis' instant classic Acid Virga, excerpted here), and each one is a vital new voice working at odds with a complacent and hidebound publishing industry. Every Archways features a limited edition zine of works read at the event. This anthology collects work from the first three readings, held in 2019 and 2020. Every event has a visual component, and we've shared some stills and photos from our incredible visual artists too. There's nothing quite like the high wire tension of a live reading - but this'll have to do for now. CONTRIBUTORS include: Rachel Allen, Phil Anderson, Brendan Burdzinski, Naomi Falk, Katie Foster, Andrew Gibeley, Ariel Francisco, Kelly Gallagher, Cyree Jarelle Johnson, Gabriel Kruis, Shayla Lawz, Etan Nechin, Kwame Opoku-Duku, Chunbum Park, Joseph Rathgeber, Nicolas Rys, Bud Smith, Andrea Stella, and Shy Watson.
