**The Story of Crass** George Berger, 2009 In-depth interviews with the main movers in the punk rock movement--Crass members Penny Rimbaud, Gee Vaucher, and Steve Ignorant--detail the face of the revolution founded by these radical thinkers and artists. When punk ruled the waves, Crass waived the rules by putting out their own records, films, and magazines and setting up a series of situationist pranks that were dutifully covered by the world's press. Not just another iconoclastic band, Crass was a musical, social, and political phenomenon: commune dwellers that were rarely photographed and remained contemptuous of conventional pop stardom. As detailed in this history, their members explored and finally exhausted the possibilities of punk-led anarchy. This definitive biography of the band not only gives backstage access to their lives, philosophies, and the movement that followed, but also to never-before-seen photographs and rare dialogues.

Nobody's Victim Carrie Goldberg, 2019-08-13 Nobody's Victim is an unflinching look at a hidden world most people don't know exists—one of stalking, blackmail, and sexual violence, online and off—and the incredible story of how one lawyer, determined to fight back, turned her own hell into a revolution. “We are all a moment away from having our life overtaken by somebody hell-bent on our destruction.” That grim reality—gleaned from personal experience and twenty years of trauma work—is a fundamental principle of Carrie Goldberg's cutting-edge victims' rights law firm. Riveting and an essential timely conversation-starter, Nobody's Victim invites readers to join Carrie on the front lines of the war against sexual violence and privacy violations as she fights for revenge porn and sextortion laws, uncovers major Title IX

violations, and sues the hell out of tech companies, schools, and powerful sexual predators. Her battleground is the courtroom; her crusade is to transform clients from victims into warriors. In gripping detail, Carrie shares the diabolical ways her clients are attacked and how she, through her unique combination of advocacy, badass relentlessness, risk-taking, and client-empowerment, pursues justice for them all. There are stories about a woman whose ex-boyfriend made fake bomb threats in her name and caused a national panic; a fifteen-year-old girl who was sexually assaulted on school grounds and then suspended when she reported the attack; and a man whose ex-boyfriend used a dating app to send more than 1,200 men to ex's home and work for sex. With breathtaking honesty, Carrie also shares her own shattering story about why she began her work and the uphill battle of building a business. While her clients are a diverse group—from every gender, sexual orientation, age, class, race, religion, occupation, and background—the offenders are not. They are highly predictable. In this book, Carrie offers a taxonomy of the four types of offenders she encounters most often at her firm: assholes, psychos, pervers, and trolls. “If we recognize the patterns of these perpetrators,” she explains, “we know how to fight back.” Deeply personal yet achingly universal, *Nobody's Victim* is a bold and much-needed analysis of victim protection in the era of the Internet. This book is an urgent warning of a coming crisis, a predictor of imminent danger, and a weapon to take back control and protect ourselves—both online and off.

*Kumba Africa* Sampson Ejike Odum, 2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the

emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

**Gardening Together** Diarmuid Gavin, Paul Smyth, 2022-05-19  
Create and maintain a stunning and fragrant garden with Ireland's favourite garden designer Diarmuid Gavin and plantsman extraordinaire Paul Smyth as your guides. Find out when to prune your hydrangea, which soil suits potatoes, how to keep your lawn green and moss-free, and learn how to plan ahead with this

beautiful and practical gardening book. Packed with gorgeous photos, simple tips and tricks, and inspirational advice on plants, this book will show you month by month how to achieve striking colour schemes, enchanting scents and fabulous foliage, as well as how to plan and create a garden design to suit your lifestyle. Inspired by Diarmuid and Paul's TV show and online conversations, *Gardening Together* follows the pair in a garden year from January to December, with a monthly look at what you need to do to enjoy and appreciate your outside space like never before.

**Running Against the Devil** Rick Wilson, 2020-01-14 NEW YORK TIMES BESTSELLER • A savvy guidebook for beating Trump's tricks, traps, and tweets from a founder of The Lincoln Project, now updated with new material on the historic battle between Trump and Joe Biden—and how the pandemic has changed the race “If you believe America's future depends on Donald Trump's political machine being crushed at the polls next year, then Rick Wilson's *Running Against the Devil* is a must-read.”—Joe Scarborough, MSNBC Donald Trump is exactly the disaster we feared for America. Hated by a majority of Americans, Trump's

administration is corrupt, inept, and rocked by daily scandals. In the handling of 2020's coronavirus pandemic, its incompetence has been deadly. Trump can't win in 2020, right? Wrong. As 2016 proved, Trump can't win, but Joe Biden can sure as hell lose. Only one thing can save Trump, and that's a Democratic campaign that runs the race Trump wants Democrats to run instead of the campaign they must run to win in 2020. Wilson combines decades of national political experience and insight in his take-no-prisoners analysis, hammering Trump's destructive and dangerous first term in a case-by-case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump. Like no one else can, Wilson blows the lid off Trump's 2020 political war machine, showing the exact strategies and tactics Republicans will use against Biden, and how the Democrats can avoid the catastrophes waiting for them if they fall into Trump's traps. *Running Against the Devil* is sharply funny, brutally honest, and infused with Wilson's biting commentary. It's a vital indictment of Trump, a no-nonsense, no-holds-barred road map to saving America, and the guide to making Donald Trump a one-term president. The stakes are too high to do anything less.

Murphy's Laws of Combat Marion F. Sturkey, 2009 Modern-day warriors who desire to stay alive in battle should heed Murphy's Laws of Combat - hilarious because of their inherent truths. If a professional warrior hates wannabes and whiney-babies, this is the satirical book he should be looking for. There are separate chapters for Infantry and Aviation laws of combat. Plus, readers may study Murphy's time-tested beer drinking guide and the analysis of Politically Correct Disease. The book concludes with a serious look at the military heritage of the U.S. Armed Forces. This popular and expanded second edition has been reprinted time after time.
