Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Lucky Charming Kate Chastain,2016-12-16 Blissfully shallow and carefree, Kate Chastain was your typical twenty something college co-ed. Well, until reality gave her a wake-up call in the form of a diploma, that is. At a crossroads after graduation, a serendipitous coincidence convinced Kate to abandon life as she knew it and jump feet first into the world of working on mega yachts. At first, she stumbled her way through life as a stewardess, just trying to adjust to her new surroundings and clumsily 'learning the ropes' via trial and error. Like shit-tons of error. But now, nearly ten years and a hit reality show later, Kate is finally ready to share the good, the bad, and the downright shocking details about her life at sea with the world's most rich and famous. It was 2008 and we were anchored off of St.Tropez. I had only been a yachtie for two seasons at the time when I turned to the Captain's wife, and said, You know, I could write a book about all of insane things we see working on these boats.....the sex, the money, the celebrities.... My older, more experienced coworker rolled her eyes and laughed then was quick to dismiss my silly idea, Kate, of course we could all write a book about what we see on yachts. We've all said it for years.....but, if you actually did that, you would never get hired on another yacht again. She went back to polishing the crystal wine glass in her hand and I was confused for a second. But Stacie, if so many people knew about the book that I couldn't get a yacht job, would I still really need one?

The Scarecrow's Hat Ken Brown,2011-02-01 In this classroom favorite, a resourceful chicken enlists her farm friends to get a coveted hat from Scarecrow. A delightful circular tale and fall read-aloud! Chicken really admires Scarecrow's straw hat. Scarecrow would gladly trade his hat for a walking stick to rest his tired arms. Chicken doesn't have a walking stick to trade—but she knows someone who does. Author-illustrator Ken Brown pairs vivid, realistic watercolors with an inventive plot, engaging sequencing, and repetition to tell a charming circular story packed with relatable themes of friendship, bartering, and problem-solving. This award-winning title is an ideal story time choice for autumn and harvest themes.
