Pottymouth and Stoopid James Patterson, Chris Grabenstein, 2017-06-12 In this superwonderrific New York Times bestseller (Jerry Spinelli), two bullied middle-school boys finally fight back with the power of funny. David and his best friend Michael were tagged with awful nicknames way back in preschool when everyone did silly things. Fast-forward to seventh grade: Pottymouth and Stoopid are still stuck with the names -- and everyone in school, including the teachers and their principal, believe the labels are true. So how do they go about changing everyone's minds? By turning their misery into megastardom on TV, of course! And this important story delivers more than just laughs -- it shows that the worst bullying isn't always physical . . . and that things will get better. A great conversation starter for parents to read alongside their kids! Official Notice to Parents: There is no actual pottymouthing or stupidity in this entire book! (Psst, kids: that second part might not be entirely true.)

playing the bagpipes and the smell of their mom cooking green eggs, they're shocked to find that they've actually caught a leprechaun. But will they be able to find his pot of gold? Natasha Wing's sweet story is once again told in verse to the same meter of Clement Moore's classic.
