*Star Trek: Baby's First Klingon Words* Insight Kids, 2022-09-06

The first board book to teach your littlest warriors Klingon. Qapla! Help your little one learn first words and a new language with this out-of-this-world first words book! A mix of classic and unique first words are presented in English and Klingon with bright, child-friendly illustrations to help with language comprehension. Learn how to greet an enemy, or jagh, to count from wa' to wa'maH, and more. Soon enough your little one will speak with batlh, or honor, with the help of this adorable guide. SCI-FI BONDING: Parents, grandparents, and Trek aunts and uncles can introduce young readers to their favorite series! QAPLA'!: Learn over 40 Klingon words along with their English translations. BUILD EARLY LITERACY SKILLS: Increase your child's vocabulary by associating words in Klingon and English with adorable pictures. THE PERFECT GIFT: Be the talk of the baby shower, birthday party, or Captain Picard Day celebration with this truly unique baby book.

**Raising children in a difficult time** Dr. Benjamin Spock, 1974

*The Longest Trek* Grace Lee Whitney, Jim Denney, 1998 She opened for jazz great Billie Holiday, shared the set with Marilyn Monroe, and flirted on-screen with Jack Lemmon. In her dream role, Gene Roddenberry beamed her aboard the Starship Enterprise as Yeoman Janice Rand in the original Star Trek series. But a terrifying sexual assault on the studio lot and her lifelong feelings of emptiness and isolation would soon combine to turn her starry dream into a nightmare.

**The Last Lecture** Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of

the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Phasers on Stun!** Ryan Britt, 2022-05-31 An Esquire Best Book of 2022! Written with inside access, comprehensive research, and a down-to-earth perspective, *Phasers on Stun!* chronicles the entire history of Star Trek, revealing that its enduring place in pop culture is all thanks to innovative pivots and radical change. For over five decades, the heart of Star Trek's pro-science, anti-racist, and inclusive messaging has been its willingness to take big risks. Across thirteen feature films, and twelve TV series—including five shows currently airing or in production—the brilliance of Star Trek is in its endless

ability to be rethought, rebooted, and remade. Author and Star Trek expert Ryan Britt charts an approachable and entertaining course through Star Trek history; from its groundbreaking origins amid the tumultuous 1960s, to its influence on diversifying the space program, to its contemporary history-making turns with LGBTQ+ representation, this book illuminates not just the behind-the-scenes stories that shaped the franchise but the larger meaning of the Final Frontier. Featuring over 100 exclusive interviews with actors and writers across all the generations, including Walter Koenig, LeVar Burton, Dorothy Fontana, Brent Spiner, Ronald D. Moore, Jeri Ryan, and many more, Britt gets the inside story on all things Trek, like Spock's evolution from red devil to the personification of logical empathy, the near failure to launch of The Next Generation in 1987, and how Trekkie outrage has threatened to destroy the franchise more than once. The book also dives deep with creators like Michael Chabon (co-creator of Star Trek: Picard) and Nicholas Meyer (director, The Wrath of Khan). These interviews extend to the bleeding edge of contemporary Star Trek, from Discovery to Picard to Lower Decks, and even the upcoming highly anticipated 2022 series, Strange New Worlds. For fans who know every detail of each Enterprise bridge, to a reader who has never seen a single minute of any Star Trek, this book aims to entertain, inform, and energize. Through humor, insight, archival research, and unique access, this journey through the Star Trek universe isn't just about its past but a definitive look at its future.

*Too Many Tribbles! (Star Trek)* Frank Berrios, 2019-07-02 Captain Kirk and the crew of the starship Enterprise come face to face with adorably fuzzy Tribbles in this exciting and fun-filled Star Trek(TM) Little Golden Book! Captain Kirk and the crew of the starship Enterprise are ready for almost anything--except tribbles! When these

small, furry creatures invade the ship, Captain Kirk and the crew must act quickly, before they are buried in fur balls! Star Trek fans of all ages will love this action-packed Little Golden Book featuring Captain Kirk, Mr. Spock, and the rest of the crew from the classic TV series in a unique retro art style!

The World House Guy Adams, 2011-01-25 Combining the puzzle box of Hellraiser with the exploration of Tad Williams' Otherland series, this is the perfect blend of fantasy and adventure, an exceptional modern fantasy debut. THERE IS A BOX. INSIDE THAT BOX IS A DOOR. AND BEYOND THAT DOOR IS A WHOLE WORLD. In some rooms, forests grow. In others, animals and objects come to life. Elsewhere, secrets and treasures wait for the brave and foolhardy. And at the very top of the house, a prisoner sits behind a locked door waiting for a key to turn. The day that happens, the world will end... File under: Modern Fantasy [Worlds within Worlds | Prison Break | Exploring the Unknown | Dark Powers]

Titan #1: Taking Wing Michael A. Martin, Andy Mangels, 2005-04-01 William Riker, former first officer of the USS Enterprise in Star Trek: The Next Generation, takes command of the new USS Titan in this white-knuckled adventure perfect for longtime and new Star Trek fans. After almost a decade of strife against foes such as the Borg, the Cardassians, the Klingons, and the Dominion, the United Federation of Planets is at the dawn of a new era. Starfleet is renewing its mission of peaceful exploration, diplomacy, and the expansion of knowledge. Among the starships spearheading that endeavor is the USS Titan, commanded by Captain William T. Riker and manned by the most biologically varied and culturally diverse crew in Starfleet history. But their mission does not begin according to plan. In the wake of Star Trek: Nemesis, Praetor

Shinzon, slayer of the Romulan Senate, is dead. The power vacuum created by his demise has put the Romulan Star Empire, longtime adversary of the Federation, at the brink of civil war. Competing factions now vie for control of their fragmenting civilization, and if the empire should fall, that entire area of the galaxy may destabilize. To restore order to the region, Titan's long-anticipated mission of exploration is delayed as Starfleet assigns Riker to set up power-sharing talks among the Romulan factions. But even as the first tentative steps are taken toward building a new Romulus, the remnants of the Tal Shiar, the dreaded Romulan intelligence service, are regrouping behind the scenes for a power play of their own. With no other help available, Riker and the Titan crew become the last hope to prevent the quadrant from falling into chaos.

*Star Trek, the Worlds of the Federation*, 1989 Based on the Star Trek adventures (including Star Trek: The Next Generation) this book uses hundreds of star charts, line drawings and color illustrations to outline the history of the worlds visited by the Starship Enterprise.

**Product Management Essentials** Aswin Pranam, 2017-12-12 Gain all of the techniques, teachings, tools, and methodologies required to be an effective first-time product manager. The overarching goal of this book is to help you understand the product manager role, give you concrete examples of what a product manager does, and build the foundational skill-set that will gear you towards a career in product management. To be an effective PM in the tech industry, you need to have a basic understanding of technology. In this book you'll get your feet wet by exploring the skills a PM needs in their toolset and cover enough ground to make you feel comfortable in a technical discussion. A PM is not expected to have the same level of depth or knowledge as a software engineer, but knowing enough to continue the

conversation can be a benefit in your career in product management. A complete product manager will have a 360-degree understanding of user experience and how to craft beautiful products that are easy-to-use, with the end user in mind. You'll continue your journey with a walk through basic UX principles and even go through the process of building a simple set of UI frames for a mock app. Aside from the technical and design expertise, a PM needs to master the social aspects of the role. Acting as a bridge between engineering, marketing, and other teams can be difficult, and this book will dive into the business and soft skills of product management. After reading *Product Management Essentials* you will be one of a select few technically-capable PMs who can interface with management, stakeholders, customers, and the engineering team.

**What You Will Learn** Gain the traits of a successful PM from industry PMs, VCs, and other professionals See the day-to-day responsibilities of a PM and how the role differs across tech companies Absorb the technical knowledge necessary to interface with engineers and estimate timelines Design basic mocks, high-fidelity wireframes, and fully polished user interfaces Create core documents and handle business interactions

**Who This Book Is For** Individuals who are eyeing a transition into a PM role or have just entered a PM role at a new organization for the first time. They currently hold positions as a software engineer, marketing manager, UX designer, or data analyst and want to move away from a feature-focused view to a high-level strategic view of the product vision.

**Vulcan's Glory** D. C. Fontana, 1989 Recounts the story of Mr. Spock's first mission aboard the Enterprise.

*Star Trek: Destiny #1: Gods of Night* David Mack, 2008-09-30 The first novel in an epic crossover trilogy uniting characters from every

corner of the Star Trek universe, revealing the shocking origin and final fate of the Federation's most dangerous enemy—the Borg. Half a decade after the Dominion War and more than a year after the rise and fall of Praetor Shinzon, the galaxy's greatest scourge returns to wreak havoc upon the Federation—and this time its goal is nothing less than total annihilation. Elsewhere, deep in the Gamma Quadrant, an ancient mystery is solved. One of Earth's first generation of starships, lost for centuries, has been found dead and empty on a desolate planet. But its discovery so far from home has raised disturbing questions, and the answers harken back to a struggle for survival that once tested a captain and her crew to the limits of their humanity. From that terrifying flashpoint begins an apocalyptic odyssey that will reach across time and space to reveal the past, define the future, and show three captains—Jean-Luc Picard of the U.S.S. Enterprise, TM William Riker of the U.S.S. Titan, and Ezri Dax of the U.S.S. Aventine—that some destinies are inescapable.

The Place of Play Maaïke Lauwaert, 2009 A fascinating, eclectic analysis of the changing geographies of play in contemporary society.

Devotion Adam Makos, 2015-10-27 NEW YORK TIMES  
BESTSELLER • NOW A MAJOR MOTION PICTURE • From America's "forgotten war" in Korea comes an unforgettable tale of courage by the author of *A Higher Call*. "In the spirit of *Unbroken* and *The Boys in the Boat* comes *Devotion*."—Associated Press • "Aerial drama at its best—fast, powerful, and moving."—Erik Larson *Devotion* tells the inspirational story of the U.S. Navy's most famous aviation duo, Lieutenant Tom Hudner and Ensign Jesse Brown, and the Marines they fought to defend. A white New Englander from the country-club scene, Tom passed up Harvard to fly fighters for his country. An African American sharecropper's son from Mississippi,

Jesse became the navy's first Black carrier pilot, defending a nation that wouldn't even serve him in a bar. While much of America remained divided by segregation, Jesse and Tom joined forces as wingmen in Fighter Squadron 32. Adam Makos takes us into the cockpit as these bold young aviators cut their teeth at the world's most dangerous job—landing on the deck of an aircraft carrier—a line of work that Jesse's young wife, Daisy, struggles to accept. Deployed to the Mediterranean, Tom and Jesse meet the Fleet Marines, boys like PFC “Red” Parkinson, a farm kid from the Catskills. In between war games in the sun, the young men revel on the Riviera, partying with millionaires and even befriending the Hollywood starlet Elizabeth Taylor. Then comes the conflict that no one expected: the Korean War. Devotion takes us soaring overhead with Tom and Jesse, and into the foxholes with Red and the Marines as they battle a North Korean invasion. As the fury of the fighting escalates and the Marines are cornered at the Chosin Reservoir, Tom and Jesse fly, guns blazing, to try and save them. When one of the duo is shot down behind enemy lines and pinned in his burning plane, the other faces an unthinkable choice: watch his friend die or attempt history's most audacious one-man rescue mission. A tug-at-the-heartstrings tale of bravery and selflessness, Devotion asks: How far would you go to save a friend?

*From Goods to a Good Life* Madhavi Sunder, 2012-06-26 A law professor draws from social and cultural theory to defend her idea that that intellectual property law affects the ability of citizens to live a good life and prohibits people from making and sharing culture.

**Star Trek Alphabet Book (Star Trek)** Golden Books, 2020-07-07 Captain Picard, Mr. Spock, and your Star Trek favorites from A to Z star in an out-of-this-world Little Golden Book! A is for alien, B is for

Borg, and C is for communicator. Now even the youngest Star Trek fans can go boldly into the universe as they learn Earth's alphabet! Explore the worlds of Star Trek, The Next Generation, Deep Space 9, and Discovery while learning the ABCs in this Little Golden Book--perfect for boys and girls 2 to 5, as well as fans and collectors of all ages. TM & © 2019 CBS. All rights reserved.

*a tumblr book* Allison McCracken,Alexander Cho,Louisa Stein,Indira N Hoch,2020-10-26 This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the “age of Tumblr activism.” Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

**Strangers From The Sky** Margaret Wander Bonanno,2006-08-01 The planets Earth and Vulcan experience a mysterious first contact in this fascinating Star Trek novel featuring the crew of the U.S.S. Enterprise. Years before the formal first contact between Earth and another planet's inhabitants, a Vulcan space vessel crash landed in the South Pacific, forcing humanity to decide whether to offer the hand of

friendship, or the fist of war. Complicating matters is a second visitation: a group of people from two hundred years in the future, who serve on a starship called Enterprise. Discover the astonishing truth about this heretofore unknown first contact and the nightmares that plague Admiral James T. Kirk. Dreams of his dead comrades, of his earliest days aboard the U.S.S. Enterprise, and of a forgotten past in which he somehow changed the course of history and destroyed the Federation before it began.

**The Lost Years** J.M. Dillard, 2003-03-06 After the end of the EnterpriseTM's five-year mission, Captain Kirk, Mr. Spock, and Dr. McCoy struggle to establish new lives apart from each other and the starship. The newly-promoted Admiral Kirk is placed in charge of a specially-created Starfleet division and attempts to defuse a critical hostage situation; Mr. Spock, who, in the midst of a teaching assignment on Vulcan, finds the one thing he least expected; and Dr. McCoy, whose unerring instinct for trouble lands him smack in the middle of an incident that could trigger an interstellar bloodbath.

**Star Trek: Kirk Fu Manual** Dayton Ward, 2020-03-03 In unabashed celebration of Captain James T. Kirk's singular fighting skills, Star Trek: Kirk Fu Manual is every Starfleet cadet's must-have training guide for surviving the final frontier. As captain of the legendary U.S.S. Enterprise, James T. Kirk engaged in his share of fisticuffs, besting opponents with a slick combination of moves and guile that remains unmatched. Is there anyone you'd rather have watching your back as you take on Klingons, alien gladiators, genetically engineered supermen, and even the occasional giant walking reptile? Kirk Fu is a series of unarmed combat techniques developed by one of Starfleet's most celebrated starship captains over several years of encounters with alien species on any number of strange new worlds.

A blend of various fighting styles, Kirk Fu incorporates elements of several Earth-based martial arts forms as well as cruder methods employed in bars and back alleys on planets throughout the galaxy. It is as unorthodox in practice as it is unbelievable to behold. Including excerpts from Kirk's own notes and personal logs, the *Star Trek: Kirk Fu Manual* is the perfect training guide for surviving the depths of space. With proper training and practice, every Starfleet cadet can become one with Kirk Fu.
