**Star Trek: Cast No Shadow** James Swallow, 2011-07-26 Seven years have passed since a catastrophic explosion on the Klingon moon Praxis touched off a chain of events that would result in the assassination of the reformist High Chancellor Gorkon, and the eventual creation of the historic Khitomer Accords. Now, as part of the ongoing efforts to undo the disastrous fallout from the destruction of Praxis and with the help of aid supplies from the United Federation of Planets, reconstruction is in progress, and after years of slow going hindered by political pressures and old prejudices, headway is at last being made. But the peace process begun by the Khitomer Accords is still fragile just as the deadly plans of what is believed to be a hard-line Klingon isolationist group violently come to fruition. Yet the group thought responsible for the deadly attack has been dormant for decades, and its known modus operandi doesn't match up to the manner of the strike. And further investigation leads to an unexpected revelation connected to the Gorkon conspiracy of 2293, and in particular one disgraced and very familiar Starfleet lieutenant....

*Star Trek: Deep Space Nine: Hollow Men* Una McCormack, 2005-05-31 At the turning point of the Dominion War, Captain Benjamin Sisko of Starbase Deep Space 9™, facing certain defeat by the relentless forces of the Jem'Hadar and the Cardassians, went through with a secret plan to secure the aid of the Federation's longtime adversaries, the Romulans. What began as a desperate attempt to save lives became a descent into an abyss of deception, moral compromises, and outright criminal acts, as Sisko sacrificed every ideal he held dear in order to preserve the civilization that espoused those selfsame principles. Now the aftermath of that choice is revealed for the first time as Sisko is summoned to Earth to take part in the first Allied talks to come out of the Federation's new partnership with the Romulans. But Sisko's conscience weighs heavily on him, compelling him to seek some kind of penance for what he has done...while elements within Starfleet itself set in motion a scheme to use Elim Garak as a pawn against a human political dissident who may hold the key to the outcome of the war. HOLLOW MEN A TALE OF THE DOMINION WAR
