Why We Love Star Wars Ken Napzok, 2019-05-15 Celebrate the greatest saga ever told with this “intergalactically awesome book” (Tiffany “Smithlord” Smith). The first shots of the ragtag Rebels running from the monstrous Galactic Empire. Young Anakin winning the podrace. The first time we saw the crackle of Luke Skywalker’s lightsaber. All of us who are deeply influenced by the epic saga of Star Wars have our favorite moments, and each time the screen goes black and we see those words—A Long Time Ago, In A Galaxy Far, Far Away—the music blasts through us and we feel like kids again. In this book, Star Wars aficionado Ken Napzok counts down one hundred of those special moments that makes this series not just the best movies of all time, but the Greatest Saga Ever Told. What began as one movie about good people, evil oppressors, and the space wizards that stood between them has exploded into so much more. The moments that continue to inspire are on screen and in the pages of novels. They are found in the panels of comic books and among animated sequences on television. And they all continue to grow in stature, importance, and myth through discussions, debates, and daydreams. *Why We Love Star Wars* is a joyful journey through the universe we love to inhabit, again and again.

Until they begin to realize that their similarities outweigh their differences, and agree to work together to claim their rights to fair working conditions. Under the noses of the ruling elites in China and the rest of Asia, they fight their bosses, the owners of the games and rich speculators, outsmarting them all with their gaming skills.
