Jeremy Davies

Star Wars Folded Flyers Benjamin Harper, Pat Murphy, 2012-01-01 Taking you where no paper airplane book has gone before - the Galactic Empire. This is the only book of its kind that enables Jedi knights to follow their dreams of replicating Star Wars spacecrafts that actually fly! Knights of all ages can transform the pre-printed papers into 6 high-performance fighters including Darth Vader's TIE Fighter, Millennium Falcon, and Naboo Starfighter. Aerodynamic experts helped engineer these flyers for ease of folding and fantastic flight.

Star Wars , 2018-08 Scientist Galen Erso is taken from his home and forced to work on the Empire's secret planet-killing weapon, leaving his daughter, Jyn, to grow up on her own. Fifteen years later, Galen leaks information on the weapon. Now, the rebels of the Alliance want to know if the rumors of an imperial Death Star are true. They'll need Jyn to help retrieve the message and, possibly, her father. Aligned to Common Core Standards and correlated to state standards. Spotlight is a division of ABDO.

Burnished Rows of Steel Jeremy Davies, 2016-01-05 Most who read the Declaration of Independence find three foundational liberties promised to our citizens: life, liberty, and the pursuit of happiness. An increasing number of citizens seem to be discovering the fourth: the right to alter or abolish a form of government that leads invariably to tyranny. Since leaving the military and his security contracting work behind, Dave has been preparing himself for the time when exercising the right to alter or abolish may become necessary. When he is approached on behalf of some powerful men who are prepared to risk their fortune to strike a blow against the political tyranny embodied by the president, Dave is prepared to accept the role of assassin. As he prepares to accept the mission of a lifetime, an alternate narrative begins to unfold. He struggles to discover whether the hit will be on behalf of a besieged gun maker or whether it has been orchestrated by

members of the president's own party, who feel that his death would rescue the chances of their party heading into an election. As the motive becomes clear, so does Dave's course of action. He is caught in a race against time to thwart their plans, not for the leader of a country but for the life of a friend.
