**If Anything Happens I Love You** Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**Icons Unmasked** Alex Solis,2016-02-14 Ever wonder if the characters you see on TV, in movies and in comic books are hiding something behind their masks? That perhaps they're really someone -- or something -- else? When pop culture is such a huge part of

our lives, we're bombarded with these characters everywhere we turn. Each time we see a new character in a movie, video game or commercial, we feel a sudden sense deja vu. There's something about their goofy grin, that creepy laugh, or those boogly eyes that feels eerily familiar...This got me thinking. Is anything we see ever 100% original? Or is everything we experience really just our minds piecing together past experiences to create something that feels unique and new?In Icons Unmasked, I'm trying to bring a new sense of discovery to characters everyone has seen hundreds of times. I wanted to recreate the experience of what it might be like to see one iconic character from your childhood for the first time as an adult. Proceed at your own caution and keep in mind the following illustrations cannot be unseen. Your childhood might possibly be destroyed forever
