Mindfreak Criss Angel,Laura Morton,2008-09-02 The hottest magician in years takes us behind-the-scenes of his hit A&E show and offers secret tips to 25 illusions you won't see anywhere else. Criss Angel is poised to take the magic world by storm. He had his first 1-hour special on ABC in '01, headlined Madison Square Garden's annual Halloween special a year later to an audience of 60,000, performed in front of 75,000 people in Times Square, had two subsequent 1-hour specials on the Sci-Fi channel, he's received countless magician awards, and he currently has a groundbreaking show on A&E called **CRISS ANGEL MINDFREAK**, the first weekly magic show in over 40 years, that consistently wins its timeslot. **MINDFREAK** – the book – will be an extension of the show, which uses a specific topic each week – like 'Buried Alive', 'Bullet Catch', 'Building Walk', or 'Levitation' – to delve into the history of each subject, and see if Criss can't break new ground by doing something no one has done before. We are also going to try and include secrets in the book – clues to be dissected by readers – that relate back to magic he will perform on the show, where the book will be heavily promoted.
