Why buy a book you can download for free? We print the paperback book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the bound paperback from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these paperbacks as a service so you don't have to. The books are compact, tightly-bound paperback, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com>

Mind of Napoleon J. Christopher Herold,2016-07-26 This collection of written and spoken statements of Napoleon serves not as an historical record or analysis, but as insight into the mind and character of a fascinating historical figure. It demonstrates the luminous strength and almost supernatural power of Napoleon's mind, displaying an exceptional energy in thought as well as action. The selections are edited and organized topically to offer a broad range of subjects—from "The Human Heart" to "The Art of War"—and to establish a coherent, unified pattern, providing a fresh perspective on the genius of Napoleon. The sources used fall into three categories: (1) Napoleon's writings, including autograph manuscripts and dictations of letters, orders, decisions, bulletins, proclamations, newspaper articles, memoirs, commentaries, etc.; (2) Napoleon's oral opinions as given at the Conseil d'Etat, including stenographic transcripts, official minutes, and unofficial notes taken by various councilors; (3) recorded conversations and reminiscences of Napoleon's contemporaries from about 1800 to 1821.
