And as the struggle rages across the vastness of space, the fearless men and women who pilot them risk both their lives and their machines. So when Rebel hero Wedge Antilles rebuilds the legendary Rogue Squadron, he seeks out only the best—the most skilled and most daring X-wing pilots. Through arduous training and dangerous missions, he weeds out the weak from the strong, assembling a group of hard-bitten warriors willing to fight, ready to die. Antilles knows the grim truth: Even with the best X-wing jockeys in the galaxy, many will not survive their near-suicidal missions. But when Rogue Squadron is ordered to assist in the assault on the heavily fortified Imperial stronghold of Blackmoon, even the bravest must wonder if any at all will survive. . .

The Heart of the Jedi Kenneth Flint, 2021-03-04 The Heart of the Jedi Darth Vader and the Emperor are no more. The Alliance has officially become the New Republic. As Han Solo, Princess Leia, and the new Chief-of-State Mon Mothma emerge triumphant against the diminishing Empire, the Imperial Remnant fights on until the long-silent Imperial Senate rises up to call for peace. But not everyone wants peace, and High Admiral Tharkus has made plans to ensure the Empire will reemerge under his rule. At his side stands the mysterious Dioskouroi, beings of rare and deadly powers! For Luke Skywalker, exhausted from years of fighting, the time has come to depart upon a journey of discovery, a journey that will lead him to a secret long ago hidden by Obi-Wan Kenobi.

◆◆◆ *The Heart of the Jedi*, Kenneth C. Flint's lost Star Wars novel, commissioned and approved by Lucasfilm, and set to be released in 1993, disappeared without a trace. For many years fans wondered what became of the book and why it was never published, and so it was chalked up to yet another tragic lostworlds story that no one would ever get to read or enjoy... or so we thought!

Kenneth C. Flint's complete novel *The Heart of the Jedi* has at last been unearthed! Published on [StarWarsTimeline.net](http://www.starwartimeline.net), it has been edited to fit into the existing Expanded Universe, taking place a short time after *The Truce at Bakura* and the end of issue #107 of the *Marvel* series, but before the *X-Wing* comic-book series. Reprinted here in paperback for the first time, this is a non-profit listing for private collectors only. The downloadable PDF is freely available here:

This is an unofficial fan printing of an unofficial fan story. IE: Bootleg Fanfiction. Disney owns *Star Wars*®, not *The Heart of the Jedi*. I am not making money off this venture. This is being printed AT COST only. The price paid is merely to Amazon for printing charges. There was a fan printing briefly available in 2015. I, and most others, missed that one. Some time ago, I decided I wanted a copy of *The Heart of the Jedi* for my bookshelf. I downloaded the PDF, formatted it for paperback, sized it so it would fit in with other MMPs, and did some Photoshop work for a Batam-era appropriate cover. I put it on Amazon, ordered my copy, and was done. Then, quite frankly, I forgot about it. The increase in copies sold has lead to a few rumors. I'd like to address some of them: The increase in copies sold has lead to a few rumors. I'd like to address some of them: I am not Ken Flint. I am not Joe Bongiorno. I am not affiliated with Disney. This book is not outselling Disney *Star Wars*. The way the Amazon Ranking algorithm works is based on sales per hour, not lifetime sales. I am not Timothy Zahn. I know him. He is an amazing mentor and an inspiration to me. I would never try and sabotage his work or steal his thunder. Everyone go buy *Thrawn*. I want to say everyone go buy MY book! But at this point, I think anonymity is safer than infamy. EU fans, stop trying to stick a thumb in Disney's eye. We're not going to change anything. Disney fans, just ignore the EU fans and let them have their silly little book. Stop tattling to Disney. Finally, I would like to publicly apologize to Ken for any appearance that I might be stealing his work. That was not the intent. --A *Star Wars* Fan

Star Wars Rodney Barnes,2019-02-25 Collects *Star Wars: Lando* □ *Double or Nothing* #1-5.

Straight from the frames of the highly anticipated film *Solo: A Star Wars Story* swaggers a younger □ and somehow even cockier □ Lando Calrissian! Before his days in the Rebellion, before he ran Cloud City, even before he lost the *Millennium Falcon*, comes this tale of Lando's adventures and misadventures in search of love and money □ leading right up to his appearance in *Solo*! Lando isn't one to stick his neck out unless there are credits to be had. So when oppressed workers in a droid junkyard need his help, they'd better hope their freedom is worth something to him. But one of their number is out to turn Lando over to his enemies □ and there are plenty of those. Will a galaxy of bad guys finally get their due against the ultimate thorn in their side?

New Dawn Christopher Lapidès,2020-09-26 In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new

age of evil will dawn upon the world.

Dancers in the Afterglow Jack L. Chalker, 2013-02-25 First came the tourists... Ondine was a resort planet. Sixteen million tourists travelled there from just about every world you could think of to live and love in sixteen million different ways. Then came the machists... They had gobbled up world after world, spreading their culture to thousands of different races with a brutal, vicious, but most effective system. They were inhuman, unthinking...uncaring. The Combine had already seen what they had done on other worlds, seen whole populations converted into something horrible...something not quite human, non-thinking and no longer caring. Now they had captured Ondine, and no human could save the planet. And then Daniel came to Judgment. Daniel was a cyborg, a former fighter pilot now wedded to a master computer and life-support system housed in a flying golden egg. He was the Combine scientists' finest creation, a spaceship that could control twenty-two robot slaves. He was the perfect saviour for Ondine, but for one thing. Everyone seemed to forget that deep inside that golden egg was a very human being...

Communist Posters Mary Ginsberg, 2020-10 One of the common features of communist regimes is the use of art for revolutionary means. Posters in particular have served as beacons of propaganda--vehicles of coercion, instruction, censure and debate--in every communist nation. They have promoted the authority of state and revolution, but have also been used as an effective means of protest. By their nature, posters are ephemeral, tied to time and place, but many have had far-reaching, long-lasting impact. They are imbued with both artistic integrity and personal conviction--Bolshevik posters, for example, are among the most vibrant, passionate graphics in art history. This is the first truly global survey of the history and variety of communist poster art. Each chapter is written by an expert in the field, and examines a different region of the world: Russia, China, Mongolia, Eastern Europe, North Korea, Vietnam and Cuba. This beautifully illustrated, comprehensive survey examines the broad range of political and visual cultures of communist posters, and will appeal to a wide audience interested in art, history and politics.
