Judith Goodenough, Betty McGuire

**Fool's Gold?** L. Sargisson, 2012-07-17 What's wrong with the world today and how might it become better (or worse)? These are the questions pursued in this book, which explores the hopes and fears, dreams and nightmares of the 21st century. Through architecture, fiction, theory, film and experiments with everyday life, Sargisson explores contemporary hopes and fears about the future.

**Twelve Years a Slave** Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Transgressive Utopianism** Raffaella Baccolini, Lyman Tower Sargent, 2021 .This volume honors Lucy Sargisson's contribution to the field of utopian studies.

**The Utopia Reader, Second Edition** Gregory Claeys, Lyman Tower Sargent, 2017-02-14 The Utopia Reader compiles primary texts from a variety of authors and movements in the history of theorizing utopias. Utopianism is defined as the various ways of imagining, creating, or analyzing the ways and means of creating an ideal or alternative society. Prominent writers and scholars across history have long explored how or why to envision different ways of life. The volume includes texts from classical Greek literature, the Old Testament, and Plato's Republic, to Sir Thomas More's Utopia, to George Orwell's Nineteen Eighty-Four and beyond. By balancing well-known and obscure examples, the text provides a comprehensive and definitive collection of the various ways Utopias have been conceived throughout history and how Utopian ideals have served as criticisms of existing sociocultural conditions. This new edition includes many historically well-known works, little known but influential texts, and contemporary writings, providing an even more expansive coverage of the varieties of approaches and responses to the concept of utopia in the past, present, and even the future. In particular, the volume now includes feminist writings and work by authors of color, and contends with current concerns, such as the exploration of the ecological ideals of Utopia. Furthermore, Claeys and Sargent highlight twenty-first century trends and popular narrative explorations of Utopias through the genres of young adult dystopias, survivalist dystopias, and non-print utopias. Covering a range of original theories of utopianism and revealing the nuances and concerns of writers across history as they attempt to envision different, ideal societies, The Utopia Reader is an essential resource for anyone who envisions a better future.

**Daughters of an Amber Noon** Katherine V. Forrest, 2014-01-01 Left behind by their sisters, they've become the hunted. In this gripping sequel to Daughters of a Coral Dawn, Katherine V. Forrest tells the story of an Earth beyond nightmare, ruled by dictator Theo Zedera—known simply as Zed—whose weaponry is invincible. With ruthless determination he seeks the vanished women remaining on Earth. Among these women is the leader of the Unity, the extraordinary Africa Contrera, Zed's childhood friend as well as his colleague and intellectual equal. As Africa struggles to build a world safe for women, she is haunted by her past—a time when she trusted Zed and shared with him the deadly knowledge he now uses to hunt her. What future can there be for the women who call themselves the Unity? How can they possibly conceal themselves from a world of savagery and a man who intends to find them at any cost? A brilliant, breathtaking, romantic saga of a divided society and the rebels courageous enough to withstand a brutal new world.

**Megalomaniac** Steve Sado, Listen I am not going to try to sugar coat or candy coat it, there is some crazy ass stuff in this book and if you can't handle sexual debauchery with descriptive language that describes sexual acts of a perverse nature I strongly encourage you to stick with Cat in the Hat or Winnie the Pooh because if you go into this book your mind won't be same when you come out if you even make it out, just trust me. The craziest thing about this book is that it is all true and I did every single bit of and then some. Read it at your psyche's peril is all I can say, and don't say I didn't try to warn you because I just did. You have no idea what you're getting yourself into, ha funny, that is what I used tell the girls that would mess around with me. "Ding dong or ring ring, what are you doing", ummm hopefully you I'd say! The situations in the book are all real and were done by mature adult people of their own will and volition. This book should only be read by mature adults who may perhaps be able to identify with the raw truth there is in this book. This is not a love story or erotica of a type you may have ever read and there is nothing tender or loving about any of it so if that is what you are looking for this book is not for you. The descriptions are graphic and the situations are all real and took place over the course of 54 years, so far. You have been warned.

**Sissy Dreams: From Boyfriend to Girlfriend** Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

**Tennis Fundamentals** Carol Matsuzaki, 2004 Explains the basic skills and techniques of tennis, and includes over sixty activities and drills, as well as instruction in singles and doubles match play.

**Tropical Plant Science** G. K. Berrie, A. Berrie, J. M. O. Eze, 1987

**Biology of Humans** Judith Goodenough, Betty McGuire, 2013-01-09 Known for its unique "Special Topic" chapters and emphasis on everyday health concerns, the Fifth Edition of Biology of Humans: Concepts, Applications, and Issues continues to personalize the study of human biology with a conversational writing style, stunning art, abundant applications, and tools to help you develop critical-thinking skills. The authors give you a practical and friendly introduction for understanding how their bodies work and for preparing them to navigate today's world of rapidly expanding—and shifting—health information. Each chapter now opens with new "Did You Know?" questions that pique your interest with intriguing and little-known facts about the topic that follows. The Fifth Edition also features a new "Special Topic" chapter (1a) titled "Becoming a Patient: A Major Decision," which discusses how to select a doctor and/or a hospital, how to research health conditions, and more.

**Of Women and Salt** Gabriela Garcia, 2021-03-30 AN INSTANT NEW YORK TIMES BESTSELLER THE WASHINGTON POST NOTABLE BOOK OF 2021 A GOOD MORNING AMERICA BOOK CLUB PICK WINNER of the Isabel Allende Most Inspirational Fiction Award, She Reads Best of 2021 Awards • FINALIST for the 2022 Southern Book Prize • LONGLISTED for Crook's Corner Book Prize • NOMINEE for 2021 GoodReads Choice Award in Debut Novel and Historical Fiction A sweeping, masterful debut about a daughter's fateful choice, a mother motivated by her own past, and a family legacy that begins in Cuba before either of them were born In present-day Miami, Jeanette is battling addiction. Daughter of Carmen, a Cuban immigrant, she is determined to learn more about her family history from her reticent mother and makes the snap decision to take in the

daughter of a neighbor detained by ICE. Carmen, still wrestling with the trauma of displacement, must process her difficult relationship with her own mother while trying to raise a wayward Jeanette. Steadfast in her quest for understanding, Jeanette travels to Cuba to see her grandmother and reckon with secrets from the past destined to erupt. From 19th-century cigar factories to present-day detention centers, from Cuba to Mexico, Gabriela Garcia's *Of Women and Salt* is a kaleidoscopic portrait of betrayals—personal and political, self-inflicted and those done by others—that have shaped the lives of these extraordinary women. A haunting meditation on the choices of mothers, the legacy of the memories they carry, and the tenacity of women who choose to tell their stories despite those who wish to silence them, this is more than a diaspora story; it is a story of America's most tangled, honest, human roots.

**Tacky** Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the *Catapult* column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, *Cheesecake Factory's* gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL

Dimensional Psychopathology Massimo Biondi, Massimo Pasquini, Angelo Picardi, 2019-02-11 This book presents an innovative approach to clinical assessment in psychiatry based on a number of psychopathological dimensions with a presumed underlying pathophysiology, that are related to fundamental phenomenological aspects and lie on a continuum from normality to pathology. It is described how the evaluation of these dimensions with a specific, validated rapid assessment instrument could easily integrate and enrich the classical diagnostic DSM-5 or ICD-10 assessment. The supplemental use of this dimensional approach can better capture the complexity underlying current categories of mental illness. The findings from a large patient sample suggest how this assessment could give a first glance at how variable and multifaceted the psychopathological components within a single diagnostic category can be, and thereby optimise diagnosis and treatment choices. Being short and easy to complete, this dimensional assessment can be done in a busy clinical setting, during an ordinary psychiatric visit, and in an acute clinical context, with limited effort by a minimally trained clinician. Therefore, it provides interesting and useful information without additional costs, and allows research work to be performed even in difficult settings.

*Unchained Mind* Ricardo G. Williams, 2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

Duty and Desire Book Club Edition Anju Gattani, 2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

*Dear Black Girls* Shanice Nicole, 2021-02-08 *Dear Black Girls* is a letter to all Black girls. Every day poet and educator Shanice Nicole is reminded of how special Black girls are and of how lucky she is to be one. Illustrations by Kezna Dalz support the book's message that no two Black girls are the same but they are all special—that to be a Black girl is a true gift. In this celebratory poem, Kezna and Shanice remind young readers that despite differences, they all deserve to be loved just the way they are.

Telegraph Pa ,

*Guy Laliberté* Ian Halperin, 2009 *Laliberte* means freedom in French, but *Laliberte* gives freedom new meaning. This title takes you inside *Laliberte's* world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his passion for life, the *Cirque*, and women.
