Staroamer's Fate Chuck Rothman,2013-06 Quarnian Dow is a syron, driven by her intuition, anticipating the future and acting without knowing why--just that she has to. Often, she's a hero. Sometimes, she's a thief. Her talent takes her from planet to planet, buffeted by fate and never knowing what it will force her to do. And now, her intuition is leading her to the legendary Staroamer, a generation ship that vanished centuries ago. But the Staroamer has secrets in its vast dark chambers, and they may be have dangers that even a Syron's abilities can't overcome. Praise for Staroamer's Fate Worth passing on-- Rothman brings to his novel a certain freshness and vigor which makes Staroamer's Fate anything but hackneyed. Very little is dull here. --Dan Chow, Locus Nothing profound, but fun. I liked it. --John Betancourt, Amazing Stories One of the unique heroines to come along-- This is the sort of action/adventure story that can be enjoyed on several levels, and by people who are not necessarily hard-core SF fans. Definitely a good read. --Roberta Rogow, Voya

50 Years Porsche 914 J. Lewandowski, 2019 The Porsche 911's little brother... In 1969 a very special sports car was born. The 914 rose from a marriage of convenience of Volkswagen and Porsche, because both companies wanted a small, modern and affordable sports car in their product range, but for little cost. Thus, it was decided to combine the skills of both manufacturers. The result was a light mid-engine sports car with a lively road performance and even 50 years after its launch, it pleases the eye with a fresh design. Back then it was often ridiculed as a 'housewife Porsche' or 'Volks-Porsche', but now, the 914 has come out of the shadow of its big brother the 911 and has a huge fan base; today it lives on in the Boxster and Cayman models. This volume includes: the result of thorough research in the Porsche and VW archives; rich photography; all technical data; development, production, model history and racing appearances.

Girl Waits With Gun Amy Stewart, 2015-09-01
NATIONAL BESTSELLER. The first in the Kopps Sisters Novel Series, *Girl Waits with Gun* is an enthralling novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family – and she does it in a way that few women of 1914 would have dared. A New York Times Editors' Choice “A smart, romping adventure, featuring some of the most memorable and powerful female characters I've seen in print for a long time. I loved every page as I followed the Kopp sisters through a too-good-to-be-true (but mostly true!) tale of violence, courage, stubbornness, and resourcefulness.”—Elizabeth Gilbert
