Refugee Alan Gratz, 2017-07-25 The award-winning, #1 New York Times bestselling novel from Alan Gratz tells the timely--and timeless--story of three different kids seeking refuge. A New York Times bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world... ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America... MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe... All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And

although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. As powerful and poignant as it is action-packed and page-turning, this highly acclaimed novel has been on the New York Times bestseller list for more than four years and continues to change readers' lives with its meaningful takes on survival, courage, and the quest for home.

Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." — The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." — SLJ, Starred review "With a

charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts.”

—Publishers Weekly, Starred review

The Arts Go to School David Booth, Masayuki Hachiya, 2004 Discover the power the arts bring to every aspect of learning. Incorporating the arts in your classroom opens up new possibilities, expands the mind, creates a thirst for knowledge, and helps students become more open to the world around them, offering another way of thinking about, being in, and constructing our world. Too often classroom teachers face the challenge of teaching the arts without the background or support they need. *The Arts Go to School* explores every aspect of implementing and integrating the arts into both the curriculum and everyday life. It contains a wealth of classroom activities that help kids give form to their thoughts and feelings. This easy-to-use resource features chapters on each of the major art forms and shows teachers how to help students meet related curriculum outcomes: music--from composing songs and the elements of music to novel approaches to singing songs; visual arts-- from exploring pattern, shape, color, and texture to special events that feature mobiles, collages, and paper structures; drama-- from playing, moving, and imagining to communicating, improvising, and performing; dance-- from physical ways of conceptualizing to dance as a problem-solving exercise; media-- from being intelligent media users and using interactive media to taking a media field trip. *The Arts Go to School* offers a glimpse into dozens of exemplary classrooms where you can see, hear, and feel the arts bring learning to life. Checklists throughout the book provide handy reminders to key outcomes
