**If Anything Happens I Love You** Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**The Third Strike** Jerry Gray, 2012 2012 Reprint of 1949 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. This is the tragic but vivid self-analysis of an alcoholic. It describes, in gripping fashion, the losing struggle one youth had with alcoholism. At the age of 27 the author committed suicide. Even in this brief autobiography there are indications that he came near to finding the power to win the battle, as others have done. A revealing study. Arguably one of the most eloquent and wrenching books ever written about the debilitating despair of a hopeless alcoholic. There is no self-pity or drama, just a factual account of the last few days of this person's life in the Bowery. The style is crisp, incisive and poetic. It is a small book. My understanding is that this book was published posthumously after the author committed suicide. What a loss the literary world suffered, what a waste... except for this little gem he left behind!

*Happiness 6* Shuzo Oshimi,2017-12-19 A supernatural story of sexual awakening, growing up, and suburban vampirism, Happiness follows a dorky boy who is attacked by a girl in an alley. She sucks his blood and gives him a choice: life or death. He chooses life, but finds himself nearly overwhelmed by a new thirst and a fascination with the necks of his classmates... Praise for Flowers of Evil: A shockingly readable story that vividly--one might even say queasily--evokes the fear and confusion of discovering one's own sexuality. Recommended. -The Manga Critic A page-turning tale of sordid middle school blackmail. -Otaku USA Magazine By loving this manga I recognize what a sick and twisted individual I have become. While I can still say that I am not truly deviant, Flowers of Evil is a great reminder of my own thirst for power and my own personal corruption. -Otaku Champloo
