Storm the Castle (Marry the Scot, #1) Jolie

Vines, 2019-03-02 Come, lass. Get on a plane with me. After a business deal goes awry, Laird Callum McRae is in over his head, struggling to keep his castle afloat. He knows exactly what he has to do to save his family of brothers. Collecting a debt from the corrupt man who swindled him is his only mission. But when he meets a compassionate and determined woman, his plans change. Now, he needs to get the girl while confronting her father... Mathilda Storm will do anything for her sister--even if it means entering into a contract for a loveless marriage. After all, it will solve her family's problems. But she doesn't count on meeting a broad-shouldered, rugged Scottish laird. And resisting him is harder than she imagined. As the chemistry between Callum and Mathilda ignites, Mathilda is torn between her desire and her need to help her family. Can the practical daughter marry the Scot without losing her heart along the way?

Twelve Years a Slave Solomon Northup, 2024-01-04

Filmatised in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the

relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Racing & High-performance Tire Paul Haney, 2003 Based on 15 years of research, this book provides new insight into topics such as the complexity of rubber, how a pneumatic tire generates grip, and how to tune grip and balance using the load sensitivity of tires.

A Sociology of the World Rally Championship H. Naess, 2014-09-23 Drawing upon interviews with key people in the World Rally Championship as well as trans-local ethnographic research, this book explores questions of commerciality and sporting identity, tackling the sport's controversial handling of the shift into 'the commercial age'. It is essential reading on combining sporting heritage and commercial progress.

3D Movie Making Bernard Mendiburu, 2012-12-06 Hollywood is going 3D, read this book to understand why and how, and to secure your next job on a 3D movie. Making a 3D movie is much

more than shooting with a 3D camera and showing it in a 3D theater. Each and every step of the movie production cycle will be affected by 3D, just like sound and color affected the whole industry. After an introduction on how the human brain perceive depth, this book explains, in a step-by-step approach, how 3D affects screen writing, art direction, principal photography, editing, visual effects and even movies distribution. It's a must read for anyone in the profession who wants to understand the next revolution in cinema. The DVD is not included with the E-book.
