Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Touring Caravan Andrew Jenkinson, 2014-09-10 From the original horse-drawn caravan to the sophisticated and well-appointed luxury leisure vehicle we know today, this book follows the dynamic

evolution of the touring caravan over the last century. Using a selection of images from his archive, expert Andrew Jenkinson reveals how technical advances as well as interior design revolutionised the touring caravan in the United Kingdom, and how caravanning became a culture and a lifestyle choice. Covering well-known brands such as Eccles, Sprite, Swift and Bailey, this lively and informative book will appeal to caravan enthusiasts and social historians alike, and rekindle happy memories for anyone who has holidayed in a touring caravan.

Leadership for a Better World NCLP (National Clearinghouse for Leadership

Programs),2016-11-14 The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as a approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and

new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that

The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. A link to the home page of The Social Change Model can be found below under Related Titles.

How to Get a Good Job After 50 Rupert French, 2021-06-16 These days, more and more people are looking to stay in the workforce longer and are seeking satisfying, fulfilling jobs. How to Get a

Good Job After 50 is a step-by-step guide to finding and winning the sort of job older employees want to have! In clear, practical chapters, job search expert Rupert French shows you how to adopt a proactive, ‘self-employed’ approach that builds self-esteem and promotes a time-efficient, self-managed job search program. Learn how to: • concentrate on no more than two or three job leads at any one time • use proven marketing techniques to win good jobs • write résumés that grab the employer’s interest in the first few sentences • find jobs before they are advertised • build an effective job search network • use social media to support your job search • maintain a positive self-image • effectively prepare for a job interview. Older workers are vital to the workplace; they have skills, reliability and a sense of responsibility that can only be gained through experience. How to Get a Good Job After 50 explains how to demonstrate these qualities to prospective employers, turning your age into an advantage. Covering all aspects of the job search, this is the essential guide to taking control of your career with expertise and confidence. Follow French’s tried and tested recipe for success to find an inspiring, fulfilling job in record time!

American Like Me America Ferrera, 2019-09-03 INSTANT NEW YORK TIMES BESTSELLER

From award-winning actress and political activist America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all.

Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

Gang of Four Liz Byrski,2007-11-10 From the bestselling author of A Month of Sundays, with new novel At the End of the Day out now. Gang of Four is a story of four very different journeys and a celebration of women in the prime of life. Every woman needs her gang of four Mary Moody A delightful story of the joy of stepping outside your comfort zone Australian Women's Weekly She had a husband, children and grandchildren who loved her, a beautiful home, enough money. What sort of person was she to feel so overwhelmed with gloom and resentment on Christmas morning? They have

been close friends for almost two decades, supporting each other through personal and professional crises-parents dying, children leaving home, house moves, job changes, political activism, diets and really bad haircuts. Now the 'gang of four', Isabel, Sally, Robin and Grace, are all fifty-something, successful ...and restless. It is Isabel who makes the first move, taking a year away from her family to follow in her mother's footsteps across Europe. Soon Sally is on her way to San Francisco, to come face to face with a guilty secret. Robin, in the wake of a clandestine relationship, heads for isolation in the country. And Grace? Well, Grace would never go away for an entire year, but, lonely in the others' absence, she thinks she might take a short holiday in England. Once there, she bumps into someone she hardly knows - herself. PRAISE FOR LIZ BYRSKI Her plots and characters get stronger with each book The Sydney Morning Herald Liz Byrski has a guaranteed cheer squad for her novels which champion...women taking charge of their life and growing old creatively Daily Telegraph Fans of Monica McInerney, Liane Moriarty and Joanna Trollope will love Liz Byrski.

Read This to Get Smarter Blair Imani, 2021-10-26 An approachable guide to being an informed, compassionate, and socially conscious person today—from discussions of race, gender, and sexual orientation to disability, class, and beyond—from critically acclaimed historian, educator, and author Blair Imani. “Blair answers the questions that so many of us are asking.”—Layla F. Saad, author of *Me and White Supremacy* We live in a time where it has never been more important to be knowledgeable about a host of social issues, and to be confident and appropriate in how to talk about them. What’s the best way to ask someone what their pronouns are? How do you talk about racism with someone who doesn’t seem to get it? What is intersectionality, and why do you need to understand it? While it can seem intimidating or overwhelming to learn and talk about such issues, it’s never been easier thanks to educator and historian Blair Imani, creator of the viral sensation *Smarter in Seconds* videos. Accessible to learners of all levels—from those just getting started on the journey to those already versed in social justice—*Read This to Get Smarter* covers a range of topics, including race, gender,

class, disability, relationships, family, power dynamics, oppression, and beyond. This essential guide is a radical but warm and non-judgmental call to arms, structured in such a way that you can read it cover to cover or start with any topic you want to learn more about. With Blair Imani as your teacher, you'll "get smarter" in no time, and be equipped to intelligently and empathetically process, discuss, and educate others on the crucial issues we must tackle to achieve a liberated, equitable world.

How do I know which eBook platform is the best for me?

Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks,

including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye

strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
