Annette Holba

Hollywood Highbrow Shyon Baumann, 2018-06-05

Today's moviegoers and critics generally consider some Hollywood products--even some blockbusters--to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie art. Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In *Hollywood Highbrow*, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies--and not just European ones--deserved to be considered art.

Texas Orphan Train Kent Conwell, 1998 When loner Will Hunter hired on to drive a wagon load of people out of San Antonio, he wasn't expecting a

dozen orphans, a New York Placing Agent, and the biggest tomboy in town, Amanda Jean Haywood, who knew more about horses than Will had ever dreamed. Forced by the Agent's untimely death to head up the Orphan Train, not only does Will run into the expected late winter blizzards, floods, stampedes, thieves, and Comancheros, but he also, with Amanda's help, has to figure out how to handle the plagues of hornets, buffaloes, and snakes that the dozen children bring upon the wagons. By the end of the arduous trek, Will realizes that a loner is the unhappiest man in the world; that only by taking on the problems of those for whom you love and care, can a man truly be content.

A Series of Plays Joanna Baillie, 1799

Hidden Secrets , Unveiling My Truth Nalana Walls, 2018-09-30 Do you have skeletons in your closet? How would others perceive you if they knew your secrets? What is your truth? Are you allowing your past to keep you from moving forward? How do you heal past your pain? These were some of the questions I had to ponder and answer for myself. In this book, I unveil some of the darkest secrets I thought I would never share with anyone. I indulge in memories of childhood; sexual abuse; love and relationships; and trials of life. My life was all mapped out, but the funny thing about life is it never goes as planned. We all have secrets good and bad.

When I Left Home Buddy Guy, 2012-05-08 According to Eric Clapton, John Mayer, and the late Stevie Ray Vaughn, Buddy Guy is the greatest blues guitarist of all time. An enormous influence on these musicians as well as Jimi Hendrix, Jimmy

Page, and Jeff Beck, he is the living embodiment of Chicago blues. Guy's epic story stands at the absolute nexus of modern blues. He came to Chicago from rural Louisiana in the fifties—the very moment when urban blues were electrifying our culture. He was a regular session player at Chess Records. Willie Dixon was his mentor. He was a sideman in the bands of Muddy Waters and Howlin' Wolf. He and Junior Wells formed a band of their own. In the sixties, he became a recording star in his own right. When I Left Home tells Guy's picaresque story in his own unique voice, that of a storyteller who remembers everything, including blues masters in their prime and the exploding, evolving culture of music that happened all around him.

Communication and Aging Jon F. Nussbaum, Loretta L. Pecchioni, James D. Robinson, Teresa L. Thompson, 2013-05-13 This text employs a communication perspective to examine the aging process and the ability of individuals to adapt successfully to aging. It continues the groundbreaking work of the first edition, emphasizing a life-span approach toward understanding the social interaction that occurs during later life. The edition provides a comprehensive update on the existing and emerging research within communication and aging studies and considers such topics as notions of successful aging, positive and negative stereotypes toward older adults, and health communication issues. It raises awareness of the barriers facing elderly people in conversation and the importance such conversations have in elderly people's lives. The

impact of nonrelational processes, such as hearing loss, are considered as they impact relationships with others and affect the ability to age successfully. The book is organized into 14 chapters. Each chapter is written so that the reader is presented with an exhaustive review of the pertinent and recent literature from the social sciences. As in the first edition, when the literature is empirically based, the communicative ramifications are then discussed. Readers of this volume will gain greater understanding of the importance of their communicative relationships and how significant they remain across the life span. Developed for students in communication, psychology, nursing, social gerontology, sociology, and related areas, *Communication and Aging* provides important insights on communication to all who are affected by the aging process.

The Sex-Starved Marriage Michele Weiner Davis, 2004-01-08 Bring the spark back into your bedroom and your marriage with gutsy and effective advice from bestselling author Michele Weiner-Davis. It is estimated that one of every three married couples struggles with problems associated with mismatched sexual desire. Do you? If you want to stop fighting about sex and revitalize your intimate connection with your spouse, then you need this book. In *The Sex-Starved Marriage*, bestselling author Michele Weiner Davis will help you understand why being complacent or bitter about ho-hum sex might cost you your relationship. Full of moving firsthand accounts from couples who have struggled with the erosion of sexual desire and rebuilt their passionate connection, *The Sex-*

Starved Marriage addresses every aspect of the sexual libido problem: If you're the more highly sexed partner, you'll breathe a sigh of relief. At last someone understands your feelings about the void in your marriage. Discover why your pleas for touch have fallen upon deaf ears and why your approach to the lull in your sexual relationship could be a sexual turnoff. Most important, learn new ways to motivate your spouse to take your needs for more physical closeness to heart. If you're the spouse with a lagging libido, you're far from alone. You'll learn about the physiological and psychological factors, including unresolved relationship issues, that may contribute to the chill in your bedroom and what you can do to melt the ice. And if you're a man, you'll be surprised to learn that staggering numbers of men, even men whose sexual machinery works just fine, get headaches too! The Sex-Starved Marriage will give you and your spouse the inspiration, encouragement, and answers you need.

Baudelaire and Freud Leo Bersani, 2023-04-28 This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1977.

Critical Communication Pedagogy Deanna L. Fassett, John T. Warren, 2006-07-19 In this autoethnographic work, authors Deanna L. Fassett

and John T. Warren illustrate a synthesis of critical pedagogy and instructional communication, as both a field of study and a teaching philosophy. Critical Communication Pedagogy is a poetic work that charts paradigmatic tensions in instructional communication research, articulates commitments underpinning critical communication pedagogy, and invites readers into self-reflection on their experiences as researchers, students, and teachers.

Environment, Health, and Safety Lari A. Bishop, 1997

The Cambodian Room Tommaso Lusena de Sarmiento, Giuseppe Schillaci, Christian Caujolle, 2013-01-07
Magnum photographer Antoine D'Agata has become a little too intimate with the subject of his photo series. In order to get to know the seamy side of Cambodia, he goes to the end of the end. In Phnom Penh, he moves in with a drug-addicted prostitute named Lee, who not only allows D'Agata to photograph her, but shares her crack pipe and her bed with him as well. When she asks him what he really wants from her, he admits that he hopes the pictures will earn him money. D'Agata has been throwing himself into projects like this for twenty years now, despite the fact that he is blind in his right eye and myopic in his left. This has not stood in the way of his career as a photographer of the subclass. On the contrary, It's the darkness that brought me up. The film camera employs a similar observational yet alienating style, following the couple from up close while they spend weeks in a stuffy room, in voluntary confinement. The claustrophobic

atmosphere of this documentary debut is interspersed with gruesome street shots and uncompromising photos by DAgata, who has increasing doubts about his profession as a photographer. Journalist Philippe Azoury is worried and comes for a visit, forcing DAgata to question his unorthodox working method. Together, they discuss the emotional life that underlies the photographers work.

The Cambridge Economic History of Latin America

Victor Bulmer-Thomas, Roberto Cortes Conde, 2006

Philosophical Leisure Annette Holba, 2007 Human beings have suffered a communication eclipse as a result of rapid technological advancements and conspicuous consumption. Consequences of this communication eclipse can be devastating to the human condition. *Philosophical Leisure:*

Recuperative Praxis for Human Communication invites us to understand the ontological and phenomenological difference between leisure and recreation. This distinction is important since outcomes of each activity differ dramatically. Philosophical leisure can repair our ability to communicate with others at a deeply human level. So, be prepared to revision your understanding of leisure and experience a transformation of your soul.--BOOK JACKET.

Communication and Creative Democracy Omar

Swartz, 2011-06 The provocative chapters making up this edited volume are drawn from a range of disciplines and are intended to help scholars, activists, students, and citizens in general to rethink commonly accepted notions of community in order to imagine new possibilities for social,

political, and economic organization -- in short, new ways of imagining solidarity and citizenship with others, especially those who languish outside the range of our moral radar. They demonstrate that the political philosophy of John Dewey remains important and heuristic for understanding and advancing contemporary discourses of participatory and deliberative democracy -- what the contributors explore collectively as a creative democracy. Graduate courses in communication, philosophy, rhetoric and composition, journalism, American studies, cultural studies, and many other areas in the humanities and social sciences can also draw on the historical, critical, and sociological aspects of the various chapters for debating the role of progressive social criticism in public life.
