One -- Mind - Heart - Purpose - Goal ,2011-11-01 One mind, one goal, one purpose, one heart. That was the mantra that united the players of the 2010-11 Green Bay Packers and carried them to victory in Super Bowl XLV. No story in recent sports memory rivals that of the Packers' quest to bring a Super Bowl championship and the Lombardi trophy back to Tittletown. Green Bay may be the smallest city in America to have a major pro sports franchise, but it also has the most passionate following and loyal fans, key factors in the team overcoming a rough start to the season and achieving the improbable feat of winning three straight road games to reach the Super Bowl. That story is chronicled here, in the only official book specially commissioned by the Packers to commemorate this historic victory. This beautifully produced book features an Introduction by Head Coach Mike McCarthy, new, in-depth stories from the Packers editorial staff writers, as well as hundreds of photographs that tell the story of the team's epic season--from their roller-coaster start to the must-win final game of the regular season to their decisive march through the playoffs, all capped by their momentous and inspiring victory over the vaunted Pittsburgh Steelers. Insider insights and behind-the-scenes images, many never before published, include photographs from the team plane on the ride home from Super Bowl XLV, the triumphant return to Lambeau Field, the jubilant parade, even the invitation-only private ring ceremony. This story transcends football and speaks to the power of passion,

commitment, and unity. ONE: The Official Commemorative of the Super Bowl XLV Champion Green Bay Packers is the must-have keepsake for football fans young and old looking to revel in the glory of one classic season and one truly unforgettable achievement.

The Pack is Back Bob McGinn, Gary D'Amato, Michael Hunt, Lori Nickel, Tom Silverstein, Milwaukee Journal Sentinel, 2011 Packers 2010 season chronicled by the Milwaukee Journal Sentinel, featuring Clay Matthews, Aaron Rodgers, Charles Woodson, receivers Driver, Jennings, Nelson, Jones and Mike McCarthy.

Steel City Pittsburgh Post-Gazette Staff, 2009-03 Long one of America's favorite teams since their heyday in the 1970s, the Pittsburgh Steelers reasserted themselves in the 2000s with a pair of Super Bowl victories that pushed the franchise to a record-breaking six in total. Players like Ben Roethlisberger, Troy Polamalu, and Hines Ward endeared themselves to Steeler Nation by performing big in both games and maintaining a thread of continuity and excellence that won over a new generation of fans. Meanwhile powerful personalities like Bill Cowher and Jerome Bettis loomed large in Super Bowl XL, before passing the torch to the likes of Mike Tomlin, James Harrison and Santonio Holmes, who ensured their places in Steeler lore with outstanding performances in Super Bowl XLIII. Steel City celebrates one of the great franchises in pro sports and focuses on their resurgence in the last five years fired by hard-nosed coaches, gritty players, and a unique stability provided by ownership that is the envy of every other team in the league.

Cowher Power Donna Eyring,2006 A heavily illustrated history of the career of Coach Bill Cowher of the Pittsburgh Steelers.

Santonio Holmes and his team were fighting to the very end. With just two minutes left to play, Arizona had the lead. The Steelers needed to make big plays. If they didn't, they'd lose. Mythical Me Richella Parham,2019-10-22 IVP Readers' Choice Award Do you ever find yourself stuck in the comparison trap? Speaker and author Richella Parham knows what this feels like. I couldn't break free from admiring one person's achievements, someone else's personality, another's skills, yet another's relationships. And don't get me started on how I looked at other people's appearances, she writes. I was haunted by the admirable attributes of other people, certain that I could never match their worthiness. No matter how well-intentioned the teaching or pithy the advice, I found that most of it didn't help me change my thoughts, feelings, or actions. While there are no easy answers, Parham has identified cultural and spiritual myths about others, God, and ourselves that keep us trapped. From there the journey is a

spiritual one. We can pick up practices that help us walk in the freedom of Christ with confidence in ourselves. If you've ever suffered from tortured moments of comparison on Facebook, in the office, or in the hallway at church, you'll benefit from this fresh perspective.
