Paper Mario; The Origami King Guide Annie Wills,2020-08-12 The Paper Mario series was literally a game changer when it initially came out way back on Nintendo 64. It was so different from the Mario games that came before it, because the roleplaying game feature that was added made me think about one of the SNES games I loved playing. Paper Mario was my go to game when it initially came out and I'm still playing it till this day. All the titles present in the series are exciting and really interesting. Ensure you pay attention to the storyline because it's a funny one and you will also discover new and exciting things.

More Than Peach (Bellen Woodard Original Picture Book) Bellen Woodard,2022-07-26 Penned by the very first Crayon Activist, Bellen Woodard, this picture book will tug at readers' heartstrings and inspire them to make a difference! When Bellen Woodard's classmates referred to the skin-color" crayon, in a school and classroom she had always loved, she knew just how important it was that everyone understood that "skin can be any number of beautiful colors." This stunning picture book spreads Bellen's message of inclusivity, empowerment, and the importance of inspiring the next generation of leaders. Bellen created the More Than Peach Project and crayons with every single kid in mind to transform the crayon industry and grow the way we see our world. And Bellen has done just that! This moving book includes back matter about becoming a leader and improving your community just like Bellen. Her wisdom and self- confidence are sure to encourage any young reader looking to use their voice to make even great spaces better!

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.
