Leveled Books (K-8) Irene C. Fountas,Gay Su Pinnell,2006 For ten years and in two classic books, Irene Fountas and Gay Su Pinnell have described how to analyze the characteristics of texts and select just-right books to use for guided reading instruction. Now, for the first time, all of their thinking and research has been updated and brought together into *Leveled Books, K-8* to form the ultimate guide to choosing and using books from kindergarten through middle school. Fountas and Pinnell take you through every aspect of leveled books, describing how to select and use them for different purposes in your literacy program and offering prototype descriptions of fiction and nonfiction books at each level. They share advice on: the role of leveled books in reading instruction, analyzing the characteristics of fiction and nonfiction texts, using benchmark books to assess instructional levels for guided reading, selecting books for both guided and independent reading, organizing high-quality classroom libraries, acquiring books and writing proposals to fund classroom-library purchases, creating a school book room. In addition, Fountas and Pinnell explain the leveling process in detail so that you can tentatively level any appropriate book that you want to use in your instruction. Best of all, *Leveled Books, K-8* is one half of a new duo of resources that will change how you look at leveled books. Swamp Thing: The Bronze Age Vol. 1 Len Wein,2018-10-09 Deep in the bayous of Louisiana, far from civilization's grasp, a shadowed creature seen only in fleeting glimpses roils the black waters...a twisted, vegetative mockery of a man...a Swamp Thing! Created by writer Len Wein and artist Bernie Wrightson, this shambling, muck-encrusted figure swiftly became one of DC's most iconic characters of the Bronze Age of Comics, and his shocking stories have become classics in the gothic horror genre. Now, for the first time, all of these legendary early adventures are presented here in a comprehensive trade

paperback edition. *Swamp Thing: The Bronze Age Vol. 1* collects the original short story "Swamp Thing" from *The House of Secrets* #92 and *Swamp Thing* #1-13, featuring all of Wein and Wrightson's original run on the series and including art by Nestor Redondo, Michael Wm. Invitation to Draw Jean Van't Hul, 2021-06-15 Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. *Invitation to Draw* offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently, and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.

Trash Andy Mulligan, 2010-10-12 In an unnamed Third World country, in the not-so-distant future, three "dumpsite boys" make a living picking through the mountains of garbage on the outskirts of a large city. One unlucky-lucky day, Raphael finds something very special and very mysterious. So mysterious that he decides to keep it, even when the city police offer a handsome reward for its return. That decision brings with it terrifying consequences, and soon the dumpsite boys must use all of their cunning and courage to stay ahead of their pursuers. It's up to Raphael, Gardo, and Rat-boys who have no education, no parents, no homes, and no money—to solve the mystery and right a terrible wrong. Andy Mulligan has written a powerful story about unthinkable poverty—and the kind of hope and determination that can transcend it. With twists and turns, unrelenting action, and deep, raw emotion, *Trash* is a heart-pounding, breath-holding novel.

Anthem Ayn Rand, 2019-11-20 Anthem is a novel by the brilliant American writer Ayn Rand. Born and educated in Russia, Rand emigrated to the United States in 1926. Having anticipated the dangers of communism, Rand developed a philosophical system she called objectivism. According to her system, as opposed to communist collectivism, human individuality, freedom, and talent are proclaimed the biggest good. In Anthem, Rand describes a dystopian society where the concept of individuality is eliminated. The novel tells about the young man known as Equality 7-2521, who rebels by doing secret scientific research, which the government forbade. When his activity is discovered, he flees into the wilderness with the girl he loves. Together they plan to establish a new society based on rediscovered individualism.

The Seed of Faith Daniel Petronelli, 2021-10-26 Planting a Seed of Faith in the hearts of our children is much like sowing a seed in a young, fertile garden. If nurtured and cared for, will take root and become their foundation to grow strong in the Lord. What greater gift could we possibly give? It is Christmas Eve, and the small foothill Village of Shiloh was suffering from a severe drought. Aside from not having water for their crops, the people had no Christmas trees. A father retells the story to his young daughter that

took place forty years ago. A story that no one in the Village of Shiloh will ever forget. So begins author Dan Petronelli's eloquent parable of faith, chronicling the spiritual journey of a group of young boys. The boys hatched a plan to secretly climb over the mountain in search of a beautiful, living Christmas tree. They did not know that a fearsome blizzard was on its way. Dan Petronelli expertly weaves a timeless tale of the joy and the blessings of faith, of having courage in the most challenging moments in life, knowing that God is by your side, will provide families and young readers a story that will endure for many Christmases to come.
