Buyology Martin Lindstrom,2010-02-02 NEW YORK TIMES BESTSELLER • “A fascinating look at how consumers perceive logos, ads, commercials, brands, and products.”—Time
How much do we know about why we buy? What truly influences our decisions in today’s message-cluttered world? In Buyology, Martin Lindstrom presents the astonishing findings from his groundbreaking three-year, seven-million-dollar neuromarketing study—a cutting-edge experiment that peered inside the brains of 2,000 volunteers from all around the world as they encountered various ads, logos, commercials, brands, and products. His startling results shatter much of what we have long believed about what captures our interest—and drives us to buy. Among the questions he explores: • Does sex actually sell? • Does subliminal advertising still surround us? • Can “cool” brands trigger our mating instincts? • Can our other senses—smell, touch, and sound—be aroused when we see a product? Buyology is a fascinating and shocking journey into the mind of today's consumer that will captivate anyone who's been seduced—or turned off—by marketers' relentless attempts to win our loyalty, our money, and our minds.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Antifascisms David Ward,1996 This book is an in-depth analysis of three of the most crucial years in twentieth-century Italian history, the years 1943-46. After more than two decades of a Fascist regime and a disastrous war experience during which Italy changed sides, these years saw the laying of the political and cultural foundations for what has since become known as Italy's First Republic. Drawing on texts from the literature, film, journalism, and political debate of the period, Antifascisms offers a thorough survey of the personalities and positions that informed the decisions taken in this crucial phase of modern Italian history.

Hacking Secret Ciphers with Python Al Sweigart,2013 * * * This is the old edition! The new edition is under the title Cracking Codes with Python by Al Sweigart * *
*Hacking Secret Ciphers with Python not only teaches you how to write in secret ciphers with paper and pencil. This book teaches you how to write your own cipher programs and also the hacking programs that can break the encrypted messages from these ciphers. Unfortunately, the programs in this book won't get the reader in trouble with the law (or rather, fortunately) but it is a guide on the basics of both cryptography and the Python programming language. Instead of presenting a dull laundry list of concepts, this book provides the source code to several fun programming projects for adults and young adults.

Liveblog Megan Boyle,2018-09 In 2013, Megan Boyle was unhappy with the life she was living and wanted to document it on the internet for an audience. Her hope was that if she documented each thought and action on the internet, then she would begin to behave in a manner more appropriate to the life she wanted to live. She needed a judge and a jury to see her crimes and non-crimes, her actions and thoughts, and her life. The results are an illuminating text of great length with poetic insight on every page. It is a reading experience that leaves a little bit of Megan Boyle inside of you long after you have finished reading it. This is akin to Karl Ove Knausgard's My Struggle and David Foster Wallace's Infinite Jest, yet totally different and new--and it is a book of daring length. Drugs, love, home, parents, friends, life, death, work, and the internet. LIVEBLOG is an historical text, extremely unique and shockingly human. -- Page 4 of cover.

The Rambling Kid Charles Ashleigh,2004-01-01 One of the best and move informative books concerning the IWW. First published in London in 1930, this is, astonishingly, the first American edition. Soapboxer, writer, poet, agitator, and publicist, the British-born Ashleigh was active in the IWW from 1912 until his deportation 9 years later. As a first-hand account of the Wobbly way of life in the 1910s, The Rambling Kid was few equals. Charles Ashleigh's semi-autobiographical novel fills a void in the record of the events that led to the federal government's brutal attempts to suppress the 'One Big Union' during World War 1. Ashleigh's characters ride alongside IWW job delegates, bindle-stiffs, and gandy dancers as they crisscross the country hopping freight trains en route to jobs and strikes and everything in between.an intimate glimpse into pre-World War 1 workers' culture on the eve of the Russian Revolution. Steve Kellerman's superb introduction provides the critical and biographical context for understanding the importance of Ashleigh's work and the historical forces that produced The Rambling Kid [Salvatore Salerno]
