Psalm 118 in the Gospel of John Andrew C. Brunson,2003 Andrew Brunson examines the presence and function of Ps 118 in the Gospel of John, placing particular emphasis on its interpretation in a New Exodus context which has previously not been developed in the Fourth Gospel. Following a comprehensive survey of Ps 118's Jewish setting, its role in the festivals, and its use in the Synoptic Gospels, special attention is given to the quotations in the Entrance Narrative. The author argues that John portrays Jesus as bringing an end to Israel's state of continuing exile by fulfilling the role reserved to Yahweh in the New Exodus. This culminates in the Entrance to Jerusalem where Jesus embodies the return of Yahweh to reign among his people. A literary study of the coming-sent theme in John underscores the extent to which Jesus is identified ontologically and functionally with the Father. A previously unnoticed allusion to Ps 118 and Jubilees in John 8.56 is explored, and attention is paid to establishing the presence and developing the function of several neglected allusions to the psalm in 10:7-10; 10:24-25; and 11:41-42.

118 Days (Canadian Edition) Tricia Gates Brown,2008-05-19 On November 26, 2005 Christian Peacemaker Teams (CPT) members Tom Fox and Jim Loney along with delegation members Norman Kember and Harmeet Sooden were kidnapped in Iraq. Tom Fox was killed on March 9, 2006. Jim, Norman and Harmeet were freed two weeks later on March 23 after 118 days of captivity. The kidnapping of these four men was like a rock thrown into a pond. This book describes the ripples on the water, the impact and results of that rock. Ripples in the lives of CPT teams and the communities in which they work. Ripples among families and friends of those taken. Ripples across the world in faith communities, prisons, in the media and among their audiences, and in the lives of the four men. Dozens of Muslim leaders who knew CPT's peacemaking work courageously called for the release of

the CPT delegation. Christian leaders in turn called for justice for the 14,000 Iraqis held by Multinational Forces in Iraq without charges or access to their families.

HL 118 - Responding to a Changing Arctic Stationery Office, 2015 The Arctic is changing. Temperatures in the region are increasing at twice the global average, causing a range of physical and environmental changes. Sea ice is thinning and receding, although the pattern of change is variable, while land ice is melting and flowing into the sea. *Responding To A Changing Arctic (HL118)* examines ways to respond to changes in the region. Processes in the Arctic have the potential to amplify climate change, causing further warming and further change; the exact nature and pattern of this feedback is difficult to predict and measure. Knowledge of many aspects of the Arctic environment, and how it is responding to change, is limited. The UK is the Arctic's nearest neighbor and has long standing political, economic and cultural ties with states and peoples in the region. Changes in the Arctic will affect the UK; at the same time, the UK can work with Arctic states and their citizens in responding to change.

Henry Wadsworth Longfellow: Poems & Other Writings (LOA #118) Henry Wadsworth Longfellow, 2000-08-28 No American writer of the nineteenth century was more universally enjoyed and admired than Henry Wadsworth Longfellow. His works were extraordinary bestsellers for their era, achieving fame both here and abroad. Now, for the first time in over twenty-five years, The Library of America offers a full-scale literary portrait of America's greatest popular poet. Here are the poems that created an American mythology: *Evangeline* in the forest primeval, *Hiawatha* by the shores of Gitche Gume, the midnight ride of Paul Revere, the wreck of the *Hesperus*, the village blacksmith under the spreading chestnut tree, the strange courtship of Miles Standish, the maiden Priscilla and the hesitant John Alden; verses like "A Psalm of Life" and "The Children's Hour," whose phrases and characters have become part of the culture. Here as well, along with the public antislavery poems, are the sparer, darker lyrics—*The Fire of Drift-Wood*, "Mezzo Cammin," "Snow-Flakes," and many others—that show a more austere aspect of Longfellow's poetic gift. Erudite and fluent in many languages, Longfellow was endlessly fascinated with the byways of history and the curiosities of legend. As a verse storyteller he had no peer, whether in the great book-length narratives such as *Evangeline* and *The Song of Hiawatha* (both included in full) or the stories collected in *Tales of a Wayside Inn* (reprinted here in a generous selection). His many poems on literary themes, such as his moving homages to Dante and Chaucer, his verse translations from Lope

de Vega, Heinrich Heine, and Michelangelo, and his ambitious verse dramas, notably *The New England Tragedies* (also complete), are remarkable in their range and ambition. As a special feature, this volume restores to print Longfellow's novel *Kavanagh*, a study of small-town life and literary ambition that was praised by Emerson as an important contribution to the development of American fiction. A selection of essays rounds out of the volume and provides testimony of Longfellow's concern with creating an American national literature. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.
