*Have You Seen My 18 Wheeler?* Russell King, 2020-01-08 Book 14 in a series of 14 interactive picture books/travel games showing 19 trucking firms in each book. Children and bored adult passengers use the books to search for, spot, and get points when they see an 18 wheeler. This book includes 3,110 trucks from ATS, Becker's Trucking, Brite Logistics, Cannonball Express Transportation, Carmen Pacheco Transportation, Dars Logistics Corp., Hewings Transportation, HMD Trucking, J.C. Germain Transport, Kevin Ryman, Lucas Oil Products, MNM Transport Services, Payne Transportation, STL Truckers, TKO Logistics, Transport Designs, Tribe Express, Tri-National, and Zeitner & Sons. The books are in sequential order, from the largest firms (Book 1 has 19 firms with 96,870 tractors) to the smallest (Book 12 as 19 firms with only 172 tractors). The 18 wheelers in Book 1 will be easy to find but those in Book 12 will be almost impossible. There are a few firms in this Book 14 that are large enough to spot, but some of them are quite small. The pictures are close-up photographs of the truck, trailer, and company name. There is space on each page to record personnel information about the trip, such as where the truck was spotted, when, and where the child was going. There is also an interesting fact about trucks, American Interstate Highways, and what is hauled by 18 wheelers. This is kind of like the License Plate game or the Alphabet game we all played as children, except that an 18 wheeler is much easier to spot than that missing license plate from Rhode Island.

*Have You Seen My 18 Wheeler - Second Edition* Russell King, 2013-07-21 Book 1 in a series of 11 interactive picture books/travel games showing 19 trucking companies. Children and bored adult passengers search for, spot, and get points to locate 18

Wheelers while driving on the interstate or stopping at truck stops. Books are in sequential order, from largest firms (Book 1 with 96,870) to smallest (Book 12 with 172). Includes close-ups of the tractor, trailer, and company names. The idea is to spot the 18 wheeler and record certain information. This is another version of the License Plate Game or The Alphabet Game, only an 18 wheeler is easier to spot than a license plate.

The hypnotic singing lulling a driver to sleep might not be coming from the tires... A fender-bender between a big rig and a four wheeler is not as accidental as it seems... *Trucker* John Dagon, 1986 True Revelations and Strange Happenings from 18 Wheeler Volume 2 The second collection of true homosexual encounters from the underground magazine '18 Wheeler' and its successor, 'T.R.A.S.H.' (True Revelations and Strange Happenings).

*The Big Rig* Steve Viscelli, 2016-04-12 Long-haul trucks have been described as sweatshops on wheels. The typical long-haul trucker works the equivalent of two full-time jobs, often for little more than minimum wage. But it wasn't always this way. Trucking used to be one of the best working-class jobs in the United States. The Big Rig explains how this massive degradation in the quality of work has occurred, and how companies achieve a compliant and dedicated workforce despite it. Drawing on more than 100 in-depth interviews and years of extensive observation, including six months training and working as a long-haul trucker, Viscelli explains in detail how labor is recruited, trained, and used in the industry. He then shows how inexperienced workers are convinced to lease a truck and to work as

independent contractors. He explains how deregulation and collective action by employers transformed trucking's labor markets--once dominated by the largest and most powerful union in US history--into an important example of the costs of contemporary labor markets for workers and the general public.

Have You Seen My Dad's 18 Wheeler? Russell King,2014-12-20

On your last traveling vacation, did you help your children search for that license plate from Montana? Maybe you're young enough to remember searching for it with your parents? Why don't you and your family search for 18 wheelers instead? There are 120 trucks with a list of the number they have. Keep track of the trucks you spot and see who gets the most points. Daddy and Johnny can compete against Mommy and Susy to see who can spot the greatest number. It's fun and challenging.

**Kalip Adventures** Denise Santoro,2016-09-29 The book is about a man and a hike on my trunk area where kids seem to drop out of school, not having vision. My husbands grandson, as a little boy and when he could begin to talk, he wanted to drive a big truck. Every time he saw my husband, hed say, Its Uncle driving by with the big truck! Through the years, he always wanted to drive the big truck. And now out of the (I dont know how many) kids in the community. I understand (at the Midway, Hemingway, South Carolina) that he was the only boy in the community with that stuff in his dream. Now he drives an eighteen-wheeler, and I just thought the book can be an inspiration and a way to honor my husband for driving the truck for thirty-six years and for the children to have a goal and so on

and so on. Then again, it could be a good day, and the reason he saw my husband with his job was because it was a good way of saying that he was making a good living for himself to provide for his family.

Custom Semi Trucks Bette S. Garber, A truck driver's tractor-trailer is more than just a vehicle or a tool for making a living. It is a calling card, a personal statement, a way of life. Truckers take as much joy and pride in modifying their rigs as hot-rodders and car customizers. Bette Garber present some two dozen of the most interesting and creative custom trucks to be seen on the roads today. Each feature tells the story of the men and women who modify and drive these trucks, including the tricks of the trade. All are featured in full-color photography that highlights the flash, incredible detail, and personal touches of custom semi trucks. The book also provides an overview of the truck-show scene and what makes for an award-winning rig.

*Big Rig [Board Book]* Jamie A. Swenson, 2016-02-09 Come along for the ride as Frankie the big rig truck takes us on the job, driving past kiddie cars (school buses) and land yachts (RVs).
