Pracilla Goldstein

*The Stalker* Pracilla Goldstein, 2011-06-17 The Stalker is an intriguing tale of abduction and struggle for survival. The obsession by one law enforcement officer to crack the case is complimented with teen romance and tragedy. The Novel has a compelling, complex plot, masterfully interwoven subplots, with plenty of mystery and something for readers of all genres. An unexpected final twist will leave readers to say to themselves, WHAT? The Author leaves her readers with one caveat, The next time you are home, alone, or step into the shower, be sure to look over your shoulder for someone might be stalking you!

**Stalker** Nicholas Pine, 1993 Jody remembered everything about the attack that nearly killed her boyfriend. It was her testimony that put Bubba behind bars for two years. Now he is out and coming back for revenge.

**The Stalker** Joan Lowery Nixon, 2013-09-25 For fans of Gillian Flynn, Caroline Cooney, and R.L. Stine comes The Stalker from four-time Edgar Allen Poe Young Adult Mystery Award winner Joan Lowery Nixon. When Jennifer Lee Wilcox returns home from the beach, she finds that Stella Trax, her best friend's mother, has just been murdered. The police think Stella's daughter Bobbie did it. Jennifer sets out to prove Bobbie's innocence, but as she uncovers clues, she realizes she's only leading herself to danger! "An exciting, fast-moving thriller." –VOYA "A dandy suspense tale." –Publishers Weekly

**Stalker Stalked** Lee Matthew Goldberg, 2021-09-17 Lexi Mazur is a depressed, alcoholic, pill-popper whose only joy has become her reality TV shows, often fantasizing that the people on TV are a part of her world. After her boyfriend Steve leaves her, she fixates on the show Socialites and its star Magnolia Artois, following every facet of the girl's life on social media in the hopes of befriending and becoming more like her. But stalking isn't new to Lexi. She ultimately won over her ex Steve by following and manipulating every minute detail about him so he'd fall for her. In fact, she landed her other ex-boyfriend Jeremy in the same way. Being a pharma rep, she's used to manipulation to get doctors to buy her drugs, along with the perk of saving pills for herself. But what happens when the stalker gets stalked? Recently, Lexi has felt someone watching her: in her apartment in Queens, at her job. At first, she thinks her mind's playing tricks, but the watcher is behaving just like she would. And soon they begin leaving threatening clues like she starts to do to Magnolia once her obsession grows more dangerous. Is it one of her exes out for revenge? Her only real friend from childhood who she's always had an unhealthy rivalry? A detective who may have figured her out? The reality star Magnolia trying to turn the tables? Or even someone she might not know? Lexi learns the only way to beat her stalker is to use her own stalking prowess to outsmart them at their own game. But has she finally met her match? Praise for **STALKER STALKED**: "An unputdownable read, complex and powerful. Goldberg's razor-sharp writing masterfully captures the protagonist's evaporating grip on reality." –Martin Bodenham, author of *Watch for Me*, *Crime and Justice*, and *The Geneva Connection* "The tables are turned in dramatic fashion when a pill popping, reality-television-addicted stalker suddenly finds herself the one being stalked. From page one, I was drawn into Lexi's dark, suspenseful world. Taking readers on an emotional and thrilling journey, *Stalker Stalked* is a riveting, unique concept that will keep you turning the pages all night long." –Nicole Mabry, Author of *Past This Point*

"This mesmerizing thriller from Lee Matthew Goldberg stuck me in the protagonist's obsessive mind to the point that, toward the end, I found myself doubting the motives of my friends. Not that this will happen to other readers. It's probably all in my mind. Probably." –Rob Pierce, author of the Uncle Dust trilogy "A rare find. As entertaining as it is subversive, Lee Matthew Goldberg's razorblade prose and scathing wit lend an easy comparison to Bret Easton Ellis and Jay McInerney and with *Stalker Stalked*—a devilishly acerbic tale of a pill-popping, reality TV superfan in delirious freefall—he has not only created a work of fiction as vital to our right here and right now as *American Psycho* and *Bright Lights, Big City* were to theirs, he's issued a bold challenge to an entire generation of novelists: Catch me if you can!" –John Jantunen, author of *Savage Gerry* and *No Quarter* "You know it's a good thriller when you have to make sure no one is in your closet, and that your door is locked! This is an exciting and fascinating read." –The Black List "Goldberg turns the conventional stalker thriller on its head with a tale that is fresh, suspenseful and hugely entertaining. Lexi Mazur is every bit as awkward, relatable and dysfunctional as *Bridget Jones*. A tautly-written plot and smart characterization will keep readers on the edge of their seats until the very last paragraph." –BestThrillers.com

**Dearest Stalker** J. S. Scott, Lane Parker, 2019-06-18 What happens when a woman falls in love with her stalker? I'm not the type of woman who actually inspires passion in any guy, much less one who makes it a habit to watch me because he's obsessed. I'm a curvy, plain Jane. I like my chips, chocolate, and junk food, and it definitely shows. I'm an educated geek who would rather have my nose in a computer instead of a fashion magazine. But none of those things seem to matter to Stalker. He sees something in me that I don't see in myself, and I don't know why. I'm terrified, yet I'm inexplicably intrigued. I'm cautious by nature, but something makes me want to know who he is, and why he gives a sh\*t about somebody like me. I know falling for a man I've never seen in the light of day is dangerous. Does he stalk me because he wants to own me, control me, and make me into the woman he thinks that I am? Does he want to hurt me, or is he just a lost soul like me? And why did it feel so good to touch him under the cover of darkness? Is he my nightmare or my dearest stalker? Getting to know him might be foolish, but for some reason, I just can't walk away... Author's note: This is a red-hot, sexy, curvy girl serial romance with an obsessed, alpha male stalker. Read at your own risk.
