*John Derian Picture Book* John Derian,2016-10-04 New York Times Bestseller Named one of the Best Gift Books of the Year by Entertainment Weekly, InStyle, House Beautiful, T: The New York Times Style Magazine, Better Homes & Gardens, Luxe Interiors + Design, People StyleWatch, Garden & Gun, The Los Angeles Times, The Chicago Tribune, New York Magazine, and more John Derian's home goods empire reaches far and wide—in addition to the four John Derian stores he owns in New York and Massachusetts, his products are sold by more than 600 retailers worldwide, including Neiman Marcus, ABC, and Gump's in the United States; Conran and Liberty in the UK; and Astier de Villatte in Paris. It all started with his now-iconic collectible plates decoupaged with 19th-century artwork sourced from old and rare books, a process that credited him with elevating the decoupage technique into fine art. Over the past 25 years, the brand has expanded greatly to include home and general design gifts and products. Now, for the first time ever, comes the book John Derian fans have been waiting for. Culled from the thousands of images that have appeared in his biannual collections, here is an astoundingly beautiful assortment of nearly 300 full-bleed images in their original form. From intensely colored flowers and birds to curious portraits, hand-drawn letters, and breathtaking landscapes, the best of John Derian is here. The result is an oversized object of desire, a work of art in and of itself, that brilliantly walks the line between commerce and art, and that is destined to become the gift book of the season.

**Stylish Decoupage** Mary Maguire,2004 Steeped in tradition, people have been practicing this popular craft for hundreds of years, but this book takes a new look at decoupage and brings it up-to-date with bright, fresh ideas that update the vintage craft of decoupage.

*Life Hacks for Kids* Sunny Keller,2017 Presents unique craft projects that have been seen on the Life hacks for kids YouTube show, including feather earrings, melted crayon art, a headband holder, and indoor s'mores, and includes questions answered by Sunny.

Cutting-Edge Decoupage Nathalie Mornu,2007 Decoupage has always been one of the easiest, most effective ways to transform old, worn, or simply uninspired objects into one-of-a-kind masterpieces. And this cool, graphic guide gives the craft a fresh twist! Colorful and unabashedly contemporary, with innovative techniques and unexpected materials, these 30 projects end the decoupage doldrums. Every design delivers sophisticated results on such unusual surfaces as a discarded window and the blades of a table fan, and the unique embellishments include illustrations downloaded from the Internet; color photocopies of fabrics; and designs bleached into colored vellum. Retro fashion clippings transform a vintage hatbox into spectacular luggage fit for the most discriminating traveler. Ordinary children's chairs become punchy polka-dotted showpieces with a touch of paint and decoupaged circles. Every effect is fantastic. A Selection of the Crafter's Choice Book Club.

Giraffe Thing Jo Bavington-Jones,2021-08-08 'A Giraffe Thing' is a compelling tale of love, loss and lies that will test your moral compass as you ride the emotional rollercoaster of Lou's life. Lou's dysfunctional family is built on fragile foundations of adultery. She lost the only man she ever loved and it nearly destroyed her. He was never truly hers though. Now she runs the risk of losing her daughter too. That really would destroy her. But secrets have a way of coming out.

**Take My Hand** Audrey Revell,2007-02-15 Janis Revell did not come into this world easily. But from the moment she was born she was her mother's love. At the age thirty-four Jan died. She was a gifted, comical, exciting, vibrant, intellectual, and a challenging individual. Her spirituality and sensitivity produced tremendous joy for those who knew her. It is a moving story of joy, family warmth, and of bright achievement tarnished by the coldness and failures of dreary and inefficient bureaucracy and highlights the shining examples set by caring volunteers, in stark contrast to the paid functionaries of grey, faceless and dismissive authority. Above all, this book is a searing indictment of a system in which closing ranks is more important than establishing the truth, and in which the concerns of those who are subject to the system are treated with arrogant dismissiveness. In Take My Hand, Audrey Revell paints a vivid and moving picture of the life and indomitable spirit of her daughter Janis, an exceptionally talented musician and composer despite having lost her sight as a child together with progressive hearing loss. Enduring and overcoming all the difficulties and disappointments of a lifelong fight against the rare and incurable disease Retinitis Pigmentosa. This is a true story of love, dedication, shining devotion and black betrayal by the system. This is Audrey Revell's honest, heart-breaking, funny, powerful, and sometimes controversial story of the life and dreadful, harrowing death of

her daughter, written to fulfill a promise she made to Jan before her life support was switched off. It is also a tribute to Janis. It is lovingly and honestly written in unsparing graphic terms in the hope that it will challenge you to a better understanding of many issues. SENSE: It is a powerful and moving story which goes into some painful and difficult areas. THE FOREST BOOK SHOP: A powerful and very moving story.
