**U.S. Postal Exam Test 470** Federal Jobs Digest,Federal Jobs Digest Staff,1994 In 1994 the U.S. Post Office developed a new test for all postal applicants, making the former tests and test taking books obsolete. This is the only book on the market with the new Test 470 United States Postal Service Examination. This is a must-have book for anyone contemplating taking the Postal Service examination.Generally, candidates need to score 95 on the exam to get a job. This book can help the reader achieve that score or better. This year the U.S. Postal Service will hire over 200,000 workers. Starting pay is more than \$12 per hour and benefits and job security are excellent. No wonder hundreds of thousands of people a year sign up to take the Postal Exam. Here is prep for the exam, including 10 actual sample tests. The difference between getting a job and not can be as little as one point on the exam. This book can easily make that difference.
