88 Keys to Living a Long and Purposeful Life Hazel Ramsbotham, 2018-04-13 You Too Can Learn a Lifetime of Lessons from this Amazing Woman's Experiences At age 88, Hazel Ramsbotham lives debt-free, takes no medication, never gets sick, has a memory that's sharp as a tack, and possesses more energy at 10 o'clock at night than most teenagers at a Pink concert. She can even perform 40 pushups in a row; something she performs in front of thousands of people from the speaking stage. What's her secret? More than just a biography, each of Hazel's shared experiences in this book reinforces one of her 88 keys to helping you perform your life in harmony, like a pianist uses the 88 keys of a piano to make a beautiful sound. By reading this book, you will reclaim your energy and focus to: * Accomplish more in your life than you expected. * Stand up to any challenge with grit and commitment. * Enjoy long life with good health, wealth, and wisdom. If you feel the pressures of money, debt, depression, anxiety, financial loss, age, illness, soured relationships, or an uncertain future, Hazel's 88 Keys will be music to your ears and heart. Hazel Ramsbotham raised five children while earning her Master of Music Performance degree from the University of Idaho. She taught piano for 75 years and has received awards including National Teacher's Association Fellow of the Year and Colorado Music Teacher of the Year. She maintains her status as a nationally certified piano instructor while pursuing her business as a health coach.

Boogiemania - 88 keys to the soul Nico Brina,2024-01-11 In over 4,000 performances in 19 countries to date, the award-winning Swiss boogie and blues pianist Nico Brina has experienced the magic of improvised music, how it affects people and what it triggers in their souls. Music as a world language. Already in his German-language book Von 100 auf 0 in 1 Sekunde (From 100 to 0 in 1 second), published in 2022, he talked humorously and up close about his career and about unusual projects that enabled him to keep the flame alive even during the coronavirus pandemic. Just in time for his 40th stage anniversary, a direct continuation of this successful author's journey is now being published, and this time also in an English translation: Boogiemania - 88 keys to the soul Nico Brina takes a deeper look into his life, telling funny and sometimes even totally crazy anecdotes from his multifaceted career. A thrilling book that in personal, direct language provides valuable insights into the nature of uncompromising dedication on stage. Brina repeatedly succeeds in creating a philosophical link between the art of improvising on 88 keys and normal life. In this way, he draws highly inspiring images that give people the

courage and strength to engage with the moment and surrender to the so-called flow. In doing so, he perhaps even provides something of an explanation for the timeless secret of boogie and blues magic.
