Abomination

**Abomination** Robert Swindells,2017-08-03 A powerful, disturbing thriller reissued in The Originals series of classic teenage fiction. Martha is twelve - and very different from other kids, because of her parents. Strict members of a religious group - the Brethren - their rules dominate Martha's life. And one rule is the most important of all: she must never ever invite anyone home. If she does, their shameful secret - Abomination - could be revealed. But as Martha makes her first real friend in Scott, a new boy at school, she begins to wonder. Is she doing the right thing by helping to keep Abomination a secret? And just how far will her parents go to prevent the truth from being known? The Originals are the pioneers of fiction for young adults. From political awakening, war and unrequited love to addiction, teenage pregnancy and nuclear holocaust, The Originals confront big issues and articulate difficult truths

**Abomination** Gary Whitta,2015-07-29 Abomination is a combination of historical fiction and fantasy, set during the reign of King Alfred the Great. As Alfred struggles to defend England from hordes of Viking invaders, the Archbishop of Canterbury stumbles upon an ancient secret—a dark and mysterious magic that could turn the tide of the war in England's favor. But when exposure to the magic corrupts the Archbishop, Alfred commands his greatest knight, Sir Wulfic, to hunt the mad priest down.

The Abomination Paul Golding,2007-12-18 Cruising the seamy underbelly of London's gay scene, James Moore Zamora is as eager to repel men as he is to seduce them. Handsome, sophisticated, intelligent, and vain, beneath his immaculately maintained exterior lies an elaborate network of deeply embedded scars from a lifetime filled with betrayal and isolation. Born to negligent, self-absorbed

parents and raised among upper crust society on a picturesque Spanish island, at nine-years-old James is sent off to an exclusive Catholic boarding school in England. Met with savageness by his peers, and seduced by the twisted affections of his teachers, he soon develops a self-consciousness that passes for self-awareness and a profound cynicism that masks savage anger. Charged with linguistic precision, brutal honesty, and caustic wit, *The Abomination* is a disturbing yet electrifying account of one man's tortured coming of age.

**Abomination** Colleen Coble, 2008-03-14 Crackles with an ominous electricity, pulling you inside the mind of a killer who is terrifyingly twisted...terrifyingly real. The pages will race by as you read, but I guarantee your heart will race even faster. -T.L. Hines, author of *Waking Lazarus* A beautiful woman stands by the side of the road, barefoot and bleeding, a child in her arms. Someone just tried to kill her, but she wouldn't recognize him if she saw his face. She doesn't even remember her own name. A suburban cop surveys a kitchen in disarray--a woman and child missing, a chilling note. This crime scene is unlike any he has ever seen. The man who calls himself Gideon waits and plans. He sees himself as a destroyer of evil, one who rids the world of abominations. He has already killed five. He will kill again. And somewhere in the wilderness, in a secret geocache near where the wild swans gather, lies the unspeakable clue that links them all together. Michigan's rugged and beautiful Upper Peninsula is the setting for this absorbing tale of love and loss, beauty and terror, grievous sins and second chances. A deftly woven thriller from the popular author of the Rock Harbor novels.

**Abomination** Joseph Bradford, 2010 This is one man's opinion of the situation in Washington D.C. and some of the characters therein.

**The Abomination** Jonathan Holt, 2013-06-18 Set in two Venices, the modern physical world and its virtual counterpart, *The Abomination* by Jonathan Holt is a propulsive tale of murder, corruption, and international intrigue—the first book in an outstanding new trilogy in which Carabinieri Captain Kat Tapo must unravel a dark conspiracy linking the CIA and the Catholic Church. By the stunning white dome of one of Venice's grandest landmarks a body with two slugs in the back of the head has been pulled from the icy waters. The victim is a woman, dressed in the sacred robes of a Catholic priest—a desecration that becomes known as the Abomination. Working her first murder case, Captain Kat Tapo embarks on a trail that proves as elusive and complicated as the city's labyrinthine backstreets. What Kat discovers will test her loyalties and remind her of a simple truth: Unless old crimes are punished, corrupt forces will continue to repeat their mortal sins. *The Abomination* is book one of Jonathan Holt's Carnivia Trilogy.

*Guardians* Jonathan Moten, 2011-10-24 The magical world has been ruled by a group called The Counsel and their laws. The highest law is that good and evil can not mix. The eldest of the immortals, Destiny, has grown too tired of living and brings together a high witch of a covenant, Mara Hews, that equaled good, and a demon general, Verex, equaling evil. He brought them together, and they had a child. The child was a mix of good and evil. The reason The Counsel didn't want good and evil mixing is because The Counsel is made up of beings of the light and demons of the abyss. If good and evil were put in one creature, there would be no need for a counsel. This boy will grow to become king, and the new ruler of the magical world, overthrowing The Counsel. Though if the boy's demon father is victorious, the boy may never make his way to the throne...

**The Abomination** Raymond C Merriam,2015-08-31 Abomination; defined by the dictionary as (A disgusting or loathsome thing, a feeling of disgust; loathing.) sadistic sadism, his insatiable hatred for women. A twisted mind mixed with drugs and the uncontrollable urge to kill constitutes the beginning brush strokes of a painting from hell. A Psychopathic killer on the loose praying on innocent women with his vampires insatiable lust for their blood. A man with no soul, no compassion or feelings pertaining to the destruction of human life. Charles. The sexual abuse endured time after time from his uncle's all night sleepovers. The death of his beloved mother before his eyes at the hands of his father, and his being forced to watch her bleed to death after having her throat slit. that. Nothing was so important as ridding the world of the filth and garbage that now cluttered the face of Gods green earth.

*Abomination* Bragi Schut, Jr.,2014-07-25 The year is 1943 and Harry Wilkins has been sent back from the front in disgrace. But the war is far from over for Harry, because he is being sent to the coldest, most remote and inhospitable place on earth... the arctic. A place where the sun only rises for a few scant hours, and darkness reigns. A place where myth and legend are as real as the cold. And here, at the ends of the earth, Harry Wilkins will come face to face with an unspeakable evil that will be either his death or a final chance at redemption.

**Abomination: Devil Worship and Deception in the West Memphis Three Murders** William Ramsey,2013-12-06 *Abomination: Devil Worship and Deception in the West Memphis Three Murders* provides a detailed, time-lined analysis of the murder that shocked the nation: the heinous killing of three eight year old boys in West Memphis, Arkansas on May 5th, 1993. A wall of deception has led the American public to erroneously believe that the three men were falsely accused and convicted for the crime. Unfortunately, this is not true. William Ramsey, author of *Prophet of Evil: Aleister Crowley, 9/11 and the New World Order*, provides shocking insights into the lives of the convicted murderers and their involvement with witchcraft. Relying on actual court and police records, William Ramsey shows that the evidence abundantly points to the guilt of the West Memphis Three.

**Volk** David Nickle,2020-08-04 The sequel to *Eutopia* is “a nailbiter

... that is spooky as hell, a critical and sharp demolition of Lovecraft's own romanticization of eugenics" (Cory Doctorow, Boing Boing). In *Eutopia*, an orphaned farm boy and a black physician came face to face with monsters both human—American eugenicists—and inhuman—a parasite called the Juke. Volk is "another dive into the horrific . . . a dazzling horror novel that's unafraid to ask questions and leave some of them unanswered" (Publishers Weekly, starred review). At the dawn of the twentieth century, Dr. Andrew Waggoner and Jason Thistledown made it out of the Idaho town of Eliada alive—but so did the Juke . . . Now, in 1931 Europe, there are those who seek to resurrect the philosophy of the founders of Eliada. Deep in the Bavarian mountains, research has begun on the creature whose seductive poison can be used in the Nazis' quest for a master race. Still struggling with the aftershocks of their encounters with the Juke, Dr. Waggoner has become the head of a secret society in Paris dedicated to the monster's destruction, while Thistledown is a veteran World War I pilot. Drawn back together to fight the evil that is brewing, they will be forced to confront the diabolical plans of those who will stop at nothing to reshape humanity—and the one being capable of destroying it completely . . . "The most intellectually provocative horror novel of the twenty-first century." —Toronto Star "[Volk] cements David Nickle's reputation as one of the leaders of his generation of writers." —John Langan, award-winning author of *The Fisherman*
