The Conquerors Dev Bajwa,2023-04-24 The Conquerorscharts the rise, fall and resurgence of AC Milan across one of the club's most legendary eras. Fresh from a coaching baptism of fire at either end of the top Italian divisions, former club favourite Carlo Ancelotti returned to a then-disjointed Rossoneri dressing room as first-team manager in 2001. Out of sorts, out of form and out of touch with the standards set by the side in Ancelotti's day, AC Milan found a much-needed stabilising influence in the new coach, who helped them through a phase of transition. Though his impact wasn't immediate, nor without its share of dissenters, Ancelotti would ultimately return the team to its former glory. The Conquerorsis a homage to one of the greatest club sides in football history. It's a story of incredible talent, iconic moments and the kind of improbable redemption usually reserved for Hollywood movie scripts.

Zlatan Ibrahimovic David Davids,2021-11-05 What do Swedish people think of Zlatan Ibrahimovic? Zlatan Ibrahimovic for Sweden is what Ronaldo is to Portugal, what Gareth Bale is to Wales, and what Maradona was to Argentina (at that time, Messi today). He is the most respected player in Sweden and you can say their only hope of winning something big (Currently). Zlatan is their top scorer of all time (I guess) and respect for him is topmost Well, the Swedish people aren't exactly the bragging types, which is in stark contrast to what Zlatan is. However, despite a few initial reservations, I think they have now accepted him as one of their own. That was clear from the fanfare generated in the Scandinavian country when Ibra recently said that he will return to Malmö FF soon(his first club) but later clarified that he would do so as part of a training program for the national team. His arrogance is matched by his genius and commitment to the cause, which makes him a very interesting character. You can love or hate him, but you simply cannot ignore him! LORD OF MILAN - ENGLISH Robert Nieri,2016-10-14 The Lord of Milan is a work of fiction based on the life of Herbert Kilpin, a textile worker from Nottingham who in 1899 founded AC Milan and led the football team to its first three championship titles. He played for the club until he was 38, in a time of widespread hunger, ice cream-eating assassins and war, while the seeds of fascism took root in Italy. Posing nonchalantly for the camera in his team's famous red and black stripes, cigarette in hand, he openly drank Scotch whisky before, during and after matches, to recharge his batteries. Kilpin died in obscurity in 1916 while his club went on to become one of the most successful in world football. One hundred years after this death, Kilpin is regarded as the father of Italian football. To the fans of his team he is, simply, The Lord of Milan.
