

# Ace Frehley

Paul Stanley

**No Regrets** Ace Frehley,2011-11-10 Born into a regular Bronx family, and inspired by the likes of Hendrix, Led Zepellin, and the Kinks, Ace Frehley first picked up his brother's guitar at the age of 12. He had already performed in a number of bands when, in January 1973, he auditioned for an ad that read: Guitarist wanted with flash and balls. Within a week he was invited to join - the band was KISS. Frehley explains how the band developed their style in the early days, making their own clothes, wearing make-up and platform shoes. Ace himself even designed the band's double lightning bolt logo. Before long his persona the Spaceman was born and the familiar KISS look established - almost overnight they left behind 1,500 seater theatres in the Midwest and were playing sold-out stadiums around the world. Life in KISS was a whirlwind of accidents, overdoses and excess. Ace partied with the likes of John Belushi and Nic Nolte and enjoyed the seemingly endless supply of fringe benefits that came from being in one of the most successful bands in the history of rock 'n' roll. But soon problems with substance abuse would lead to his leaving the band in 1982, before returning for a second tenure in 1996. Ace in the Hole is the story of KISS but much more than that - it's the story of a kid from the Bronx who found purpose and salvation through music and rose to the top. It's the story of a guy who lived life to the fullest and almost forfeited his life as a result. And ultimately it's a survival story - Ace is alive and kicking, still making music and influencing a new generation of guitarists.

**Into the Void... with Ace Frehley** Wendy Moore,2004 From the Publisher The latest, most informative inside information, on the rock band KISS. This book will appeal to all rock fans as it delves into the private lives of the most secretive rock band on the planet - KISS. Behind the masks, behind the scenes, between the sheets, you can not get any closer than - Into The Void... With Ace Frehley.

**Kiss** Gene Simmons,Paul Stanley,2002 With over 150 photos--most of which are published here for the first time--Gene Simmons and Paul Stanley take readers on an intimate tour of the early days of KISS. Full color and b&w.

**Face the Music** Paul Stanley,2014-04-08 NEW YORK TIMES and INTERNATIONAL BESTSELLER In Face the Music, Paul Stanley—the co-founder and famous “Starchild” frontman of KISS—reveals for the first time the incredible highs and equally incredible lows in his life both inside and outside the band. Face the Music is the shocking, funny, smart, inspirational story of one of rock’s most enduring icons and the group he helped create, define, and immortalize. Stanley mixes compelling personal revelations and gripping, gritty war stories that will surprise even the most steadfast member of the KISS Army. He takes us back to his childhood in the 1950s and ’60s, a traumatic time made more painful thanks to a physical deformity. Born with a condition called microtia, he grew up partially deaf, with only one ear. But this instilled in him an inner drive to succeed in the most unlikely of pursuits: music. With never-before-seen photos and images throughout, Stanley’s memoir is a fully realized and unflinching portrait of a rock star, a chronicle of the stories behind the famous anthems, the many brawls and betrayals, and all the drama and pyrotechnics on and off the stage. Raw and confessional, Stanley offers candid insights into his personal relationships, and the turbulent dynamics with his bandmates over the past four decades. And no one comes out unscathed—including Stanley himself. “People say I was brave to write such a revealing book, but I wrote it because I needed to personally reflect on my own life. I know everyone will see themselves somewhere in this book, and where my story might take them is why I’m sharing it.” —Paul Stanley

**Makeup to Breakup** Peter Criss,2012-11-01 Larry Ratso Sloman, co-author of Scar Tissue, the mega-selling memoir of Red Hot Chilli Peppers lead singer Anthony Kiedis, joins forces with founding KISS drummer Peter Catman Criss to deliver an unvarnished and eye-opening personal tale of sex, drugs and rock'n' roll. Legendary founding KISS drummer Peter 'Catman' Criss has lived an incredible life in music, from the streets of Brooklyn to the social clubs of New York City to the ultimate heights of rock 'n' roll success and excess.KISS formed in 1973 and broke new ground with their elaborate makeup, live theatrics, and powerful sound. the band emerged as one of the most iconic hard rock acts in music history. Peter Criss, the Catman, was the heartbeat of the group. From an elevated perch on his pyrotechnic drum riser, he had a unique vantage point on the greatest rock show of all time, with the KISS Army looking back at him night after night.Peter Criscuola had come a long way from the homemade drum set he pounded on nonstop as a kid growing up in Brooklyn in the fifties. He endured lean years, street violence, and the rollercoaster music scene of the sixties, but he always knew he'd make it. Makeup to Breakup is Peter Criss's eye-opening journey from the pledge to his ma that he'd one day play Madison Square Garden to doing just that. He conquered the rock world - composing and singing his band's all-time biggest hit, 'Beth' (1976) - but he also faced the perils of stardom and his own mortality, including drug abuse, treatment in 1982, near-suicides, two broken marriages, and a hard-won battle with breast cancer.Criss opens up with a level of honesty and emotion previously unseen in any musician's memoir. Makeup to Breakup is the definitive and heartfelt account of one of rock's most iconic figures, and the importance of faith and family. Rock 'n' roll has been chronicled many times, but never quite like this.

**The Decade That Rocked** Mark Weiss,Richard Bienstock,2020-06-02 “I have read pretty much every rock 'n' roll biography there is worth reading, and you never know what to expect when you pick up a new book. Well, let me tell you Mark Weiss has raised the bar for rock 'n' roll books with The Decade That Rocked. Mark has always been at the top of his field, and the level of detail and quality put into this book is the ultimate testament to his rock n' roll photographic legacy.” – Sebastian Bach “Mark is the real deal. He may not play the guitar, but that camera is his guitar. He’s a rockstar.” – Gene Simmons Mark’s energy, his creativity, his drive, his positive attitude and his enthusiasm that make him one of the legends of rock photography. It’s why his work—both old and new—is still so in demand today. Mark Weiss inspires greatness in all he turns his camera lens on. But don’t take my word for it. Just look at the pictures in this book. – Dee Snider “His pictures say as much as the music” – Rob Halford “He was one of the guys. He wasn’t one of the 18 photographers you’d work with that day.” – Alice Cooper “He had that instinct, to recognize our energy and use his technical talent to capture it.” – Joe Perry “The Decade That Rocked breaches a level of intimacy that so many music photographers are lacking today. Each and every photo exemplifies the trust and the synergy between photographer and subject. You can feel the essence of the music in the live shots, just as vibrantly as you can feel the spirit and the essence of the musicians behind the scenes.” – Screamer Magazine Mark “Weissguy” Weiss set an unmatched standard for rock photography. Starting out as a teenager by sneaking into concerts with a neighbor’s 35mm camera, he embarked on a legendary career that took him around the globe and onto some of the most memorable album and magazine covers in rock history— featuring the likes of Van Halen, Ozzy Osbourne, Aerosmith, and Mötley

Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, and so many more. With 700+ photos, brand new interviews, and stories from Mark himself, Decade that Rocked is a monument to the photography, friendships, and legacy of an artist that helped define one of rock's most iconic eras. This career-spanning collection features: A unique lens on the golden age of rock: Never-before or rarely seen photos of legends like Van Halen, Ozzy Osbourne, Aerosmith, and Mötley Crüe to Metallica, Guns N' Roses, Bon Jovi, and KISS, as well as countless others whose sound and image defined the era. Exclusive interviews: Ozzy Osbourne, Dee Snider, Nikki Sixx, Joe Perry, Rob Halford, and many more recall their memories of this era-defining decade. Untold Stories: Relive Mark's unbelievable journey through rock history, from getting arrested for selling photos outside of Kiss concert to touring with legends like Van Halen, to photographing Bon Jovi's infamous "Slippery When Wet" shoot, shooting backstage at Live Aid with Black Sabbath, and so many more. Definitive Lens: Creem magazine readers ranked Mark Weiss as rock's top photographer of the 80s. His work has appeared on some of the most iconic album and magazine covers of all time. Captured from the unique vantage point of a photographer who lived and breathed the '80s in all its grit and glory, The Decade That Rocked brings to life the no-holds-barred sounds and sights that changed the world of hard rock and metal forever.

**Kiss and Make-Up** Gene Simmons, 2001-12-11 You wanted the truth, you got the truth—the hottest book in the world! Fueled by an explosive mix of makeup, costumes, and attitude, KISS burst onto the music scene thirty years ago and has become a rock institution. The band has sold more than eighty million records, has broken every concert attendance record set by Elvis Presley and the Beatles, stands behind the Beatles alone in number of gold records from any group in history, and has spawned more than 2,500 licenses. There would have been no KISS without Gene Simmons, the outrageous star whose superlong tongue, legendary sexual exploits, and demonic makeup have made him a rock icon. KISS and Make-Up is the wild, shocking, unbelievable story, from the man himself, about how an immigrant boy from Israel studied to be a rabbi, was saved by rock and roll, and became one of the most notorious rock stars the world has ever seen. Before Gene Simmons there was Chaim Witz, a boy from Haifa, Israel, who had no inkling of the life that lay ahead of him. In vivid detail Gene recounts his childhood growing up in Haifa under the watchful eye of his beloved, strong-willed mother, a concentration camp survivor; his adolescent years attending a Jewish theological center for rabbinical studies in Brooklyn; his love of all things American, including comic books, superheroes, and cowboys; and his early fascination with girls and sex, which prompted him to start a rock band in school after he saw the Beatles on The Ed Sullivan Show. KISS and Make-Up is not just the classic story of achieving the American dream through the eyes of an immigrant boy making good, but a juicy, rollicking rock and roll read that takes you along for the ride of your life with KISS, from the 1970s, when they were the biggest band in the world, through the '80s, when they took off their world-famous war paint, and into the '90s, when they came back bigger and badder than ever to become the number one touring band in the world. In his own irreverent, unapologetic voice, Gene talks about the girls (4,600 of them and counting); his tight bond with KISS cofounder Paul Stanley; the struggles he and Paul had with Ace Frehley and Peter Criss and their departures from the group; the new band members and Eric Carr's untimely death; the enormous love and affection he has for the people who put him there in the first place—the KISS Army and the ever-loyal KISS fans around the world; his love life, including stories about his relationships with Cher and Diana Ross and with Shannon Tweed, Playmate of the Year, mother of his son and daughter, and his companion of eighteen years; and much more. Full of dozens of photographs, many never-before-seen pictures from Gene's private collection, KISS and Make-Up is a surprising, intimate look at the man behind the mask. For the first time Gene reveals all the facets of his complex personality—son, rock star, actor, record producer, businessman, ladies' man, devoted father, and now author.

**Backstage Pass** Paul Stanley, 2019-04-30 NATIONAL BESTSELLER The New York Times bestselling author and front man and rhythm guitarist of KISS grants fans an all-access backstage pass to his personal life and shows them how to pursue a rock 'n' roll lifestyle of their own, offering hard-won advice from a music legend. In this follow-up to his popular bestseller Face the Music, the Starchild takes us behind the scenes, revealing what he's learned from a lifetime as the driving force of KISS, and how he brings his unique sensibility not only to his music career but to every area of his life—from business to parenting to health and happiness. Backstage Pass takes you beyond the makeup as Paul shares fascinating details about his life—his fitness routine, philosophy, business principles, how he maintains his inspiration, passion, and joy after nearly 50 years of mega success including selling out tours, 100 million albums sold and an art career that has amassed over 10 million dollars in sales. Divulging more true stories of the Rock & Roll Hall of Famer's relationships, hardships, and pivotal moments, it also contains intimate four-color, never-before-seen photos from Paul's personal collection, and offers surprising lessons on the discipline and hard work that have made him one of the healthiest and most successful rock 'n' roll icons in history. This is the book for fans who love living large, but also want to take control and move ahead in everyday life. Paul shows you how you can rock 'n' roll all night and party every day—without missing a beat.

**KISS** Lynn Goldsmith, 2017-10-10 Published in conjunction with the band, KISS: 1977 - 1980 is the definitive photographic chronicle of KISS at the height of their popularity, showcasing the band on and off stage, in the photo studio, and in unguarded candid moments. From her archive, Goldsmith has compiled fan favorites as well as many never-before-seen photographs, all which perfectly capture the enduring phenomenon that is KISS. Chances are you've seen numerous iconic pictures by award-winning photographer Lynn Goldsmith, who has photographed every important rock musician and band of the late twentieth century: The Rolling Stones, Bruce Springsteen, The Police, Talking Heads, Frank Zappa, Bob Dylan, and Patti Smith, among many others. KISS rose to meteoric prominence with their extravagant live performances featuring fire-breathing, blood spitting, guitars bursting into flames, shooting rockets, levitating drum kits, and pyrotechnic showpieces. With makeup and costumes, Paul Stanley, Gene Simmons, Peter Criss, and Ace Frehley created characters and origin stories similar to comic book characters: the Starchild, the Demon, the Space Ace, and the Catman. When put all together, it wasn't just a stadium rock concert, it was dynamic performance art that is still on the road today! Goldsmith, Stanley, and Simmons have created this book as a thanks to the KISS Army, many of whom have been devoted to the band for more than 40 years and have brought their children and grandchildren into appreciating the music, as well as the spectacle of the band's live performances. With a simple matte white laminated padded cover that highlights the KISS logo and edged with gilding, the end result could be compared to a kind of bible, holding the relics that their supporters cherish.

**They Just Seem a Little Weird** Doug Brod, 2020-12-01 A veteran music journalist explores how four legendary rock bands—KISS, Cheap Trick, Aerosmith, and Starz—laid the foundation for two diametrically opposed subgenres: hair metal in the '80s and grunge in the '90s. It was the age when heavy-footed, humorless dinosaurs roamed

the hard-rock landscape. But that all changed when into these dazed and confused mid-'70s strut-ting four flamboyant bands that reveled in revved-up anthems and flaunted a novel theatricality. In *They Just Seem a Little Weird*, veteran entertainment journalist Doug Brod offers an eye- and ear-opening look at a crucial moment in music history, when rock became fun again and a gig became a show. This is the story of friends and frenemies who rose, fell, and soared once more, often sharing stages, studios, producers, engineers, managers, agents, roadies, and fans-and who are still collaborating more than forty years on. In the tradition of David Browne's *Fire and Rain* and Sheila Weller's *Girls Like Us*, *They Just Seem a Little Weird* seamlessly interweaves the narratives of KISS, Cheap Trick, and Aerosmith with that of Starz, a criminally neglected band whose fate may have been sealed by a shocking act of violence. This is also the story of how these distinctly American groups-three of them now enshrined in the Rock and Roll Hall of Fame-laid the foundation for two seemingly opposed rock genres: the hair metal of Poison, Skid Row, and Mötley Crüe and the grunge of Nirvana, Alice in Chains, and the Melvins. Deeply researched, and featuring more than 130 new interviews, this book is nothing less than a secret history of classic rock.

*Shout It Out Loud* James Campion,2015-10-01 SHOUT IT OUT LOUD: THE STORY OF KISS'S DESTROYER AND THE MAKING OF AN AMERICAN ICON

Kiss & Tell More! Gordon G. G. Gebert,Bob McAdams,1998-04 Congratulations on proving beyond a shadow of a doubt that the first book KISS & TELL was not a bunch of made up lies. I thoroughly enjoyed the additional chapters especially the ones written by Joe Renda, and Frank D'Amico! The controversial documents included reveals not only inside info on KISS, but shows how deranged and delusional alot of the fans really are. Loved reading it.... What's next

**Kiss & Tell** Gordon G. G. Gebert,Bob McAdams,1997 The NEW SPECIAL EDITION KISS & Tell MORE STORIES, MORE UNRELEASED PHOTOS, plus much, much more! What's it like to be best friends with a Rock and Roll legend? Bob McAdams and Gordon G.G. Gebert have been asked that question more times than they care to remember, each having the dubious distinction of being members of the KISS inner circle. People never seem to get enough of all their outrageous stories and finally after re-telling these tales about Ace Frehley and KISS for the umpteen thousandth time - Bob and Gordon decided to tell their stories one last time in KISS and Tell! This book exposes the hidden reality of some of Rock and Roll's most excessive characters: \* Gene Simmons \* Paul Stanley \* Ace Frehley \* Peter Criss \* Bob McAdams became Paul Frehley's closest childhood friend around 1963 and remained friends to adulthood where each served as Best Man at each other's weddings. Gordon G.G. Gebert became Bob's successor as best friend and cohort with Ace in 1985.

*Gimme Something Better* Jack Boulware,Silke Tudor,2009-09-29 An oral history of the modern punk-revival's West Coast Birthplace Outside of New York and London, California's Bay Area claims the oldest continuous punk-rock scene in the world. *Gimme Something Better* brings this outrageous and influential punk scene to life, from the notorious final performance of the Sex Pistols, to Jello Biafra's bid for mayor, the rise of Maximum RocknRoll magazine, and the East Bay pop-punk sound that sold millions around the globe. Throngs of punks, including members of the Dead Kennedys, Avengers, Flipper, MDC, Green Day, Rancid, NOFX, and AFI, tell their own stories in this definitive account, from the innovative art-damage of San Francisco's Fab Mab in North Beach, to the still vibrant all-ages DIY ethos of Berkeley's Gilman Street. Compiled by longtime Bay Area journalists Jack Boulware and Silke Tudor, *Gimme Something Better* chronicles more than two decades of punk music, progressive politics, social consciousness, and divine decadence, told by the people who made it happen.

**Out of the Void** Wendy Moore,2010-03-10 The searing sequel from the author who brought you *Into The Void*...with Ace Frehley. As featured on The E! True Hollywood Story in 2009.

**Kiss and Sell** C. K. Lendt,1997 A behind-the-scenes look at the mix of hard rock and business, this insider's tell-all shows how images are built, money is made, and profits are spent.

*Sealed with a Kiss* Lydia Criss,2006-01-01

**Kiss Alive Forever** Curt Gooch,Jeff Suhs,2002 Provides overviews of each tour, road crew interviews, opening act listings, and index of all of the band's songs, and more than 200 photos chronicling their concert history. Original.

*Ice Ice-T*,Douglas Century,2012-01-24 He's a hip-hop icon credited with single-handedly creating gangsta rap. Television viewers know him as Detective Odafin "Fin" Tutuola on the top-rated drama *Law & Order: SVU*. But where the hype and the headlines end, the real story of Ice-T-the one few of his millions of fans have ever heard-truly begins. Ice is Ice-T in his own words-raw, uncensored, and unafraid to speak his mind. About his orphan upbringing on the gang-infested streets of South Central, his four-year stint in the U.S. Army, his successful career as a hustler and thief, and his fateful decision to turn away from a life of crime and forge his own path to international stardom. Along the way, Ice shares never-before-told stories about friends such as Tupac, Dick Wolf, Chris Rock, and Flavor Flav, among others. And he offers up candid observations on marriage and monogamy, the current state of hip-hop, and his latest passion: mentoring at-risk youths around the country. With insights into the cutthroat world of the street-and the cutthroat world of Hollywood-Ice is the unforgettable story of a true American original.

*Take It Off* Greg Prato,Chris Jericho,Andreas Carlsson,2019-11-19 There is a common misconception about KISS, one of the greatest hard-rock/heavy metal-bands of all-time: that their 'non-makeup' era of 1983-1996 is not as enduring as the period when they stalked stages as the Starchild, the Demon, the Spaceman, and the Cat. This is untrue. In fact, this period helped resuscitate KISS's career, as they reestablished themselves in arenas, on the charts, and via MTV, and yielded some of their most popular songs - including *Lick It Up*, *Heaven's On Fire*, *Tears Are Falling*, *Crazy Crazy Nights*, *Hide Your Heart*, *Forever*, *Unholy*, and more - many of which consistently found their way into the band's set lists. While the majority of KISS books are focused on the glitz and glamour of the iconic makeup era, the non-makeup years are ripe to be explored in book form, and *Take It Off* does just that, zeroing in on the eleven albums KISS issued during this period - including such gold- and platinum-certified hits as *Lick It Up*, *Animalize*, *Revenge*, and *Alive III* - as well the resulting tours, videos, and other escapades. *Take It Off* draws on all-new interviews with KISS experts and associates, including the band's lead guitarist throughout most of this period, Bruce Kulick, plus *Crazy Nights* producer Ron Nevison and video director Paul Rachman (*Unholy*/*I Just Wanna/Domino*). Among the other contributors are Charlie Benante (*Anthrax*), K.K. Downing (ex-Judas Priest), Derek Sherinian (ex-Dream Theater), and rock music experts Eddie Trunk, Katherine Turman, and Lonn Friend. The book also includes a foreword by Fozzy frontman Chris Jericho

and an afterword by acclaimed producer Andreas Carlsson, as well as rare photographs and memorabilia from the period. With KISS currently in the midst of their last ever tour, now is the time to get Truly Unmasked.

Thank you very much for downloading **Ace Frehley**. Maybe you have knowledge that, people have look numerous times for their chosen novels like this Ace Frehley, but end up in harmful downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they cope with some infectious virus inside their desktop computer.

Ace Frehley is available in our digital library an online access to it is set as public so you can download it instantly.

Our books collection saves in multiple locations, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Ace Frehley is universally compatible with any devices to read
