**Cowards and Angels** Aileen Muhammad,2012-09 In the early 1930s, young Ace Smart is eight years old when his father, a physician, is found hung in his office, and his mother, a writer in the Harlem Renaissance, dies soon after. He grows up bitterly, marries, and raises two daughters. This is the story of the spiritual journey of one of his daughters. Evidence of the past and feelings of the family emerge as Mia is hospitalized in a mental hospital. Ace's secret affair with Vanav weaves suspense when Ace discovers that Vanav was his wife's best friend in childhood. Vanav has only known freedom and has kept the knowledge and science of her people from the island of Sokotra in the Indian Ocean. She is close to Mia and shared her knowledge with Mia's mother. Ace later finds that his father and grandparents were affiliated with people from that island who settled in Steelton, Pennsylvania, and worked with the underground railroad. Quakers, Muslims, and Jews were involved in the movement. Family ideas about the African American experience are an issue as is the remedy for Mia. The family has ties with the struggle for honor and with an ancient healing that comes from knowledge of the blood or red resin from the dragon tree of Sokotra. Unexpected events occur when Ace finally gets rid of his hostility and Mia fights for her mental and emotional freedom. This story is woven with poetry, in an out of time as its powerful messages leave an important imprint on the heart.

If you believe in angels, all the better. But, even if you do not believe in angels, and see them only as a symbol of beauty and perfection, you will want to read this book. In the context of an enchanting story beautifully told you will find many insights into human psychology and the human spirit. This unusual and inspiring book is a must for everyone. Hemmings P.G. Knight\*\*\* The Angel Chronicles is magic. It is a small book of big believing...it can change your life. Micheline Renauld\*\*\* The Angel Chronicles Books I-VThe Guardian Angels by the Angel Auberon \*\*\* Auberon's Words of Introduction At the very beginning God asked the Angel Auberon, the most noble of the Principalities, to chronicle the events of all time. Auberon did as he was asked. In the year 2001 Auberon requested permission to come to Earth to tell his story. Auberon came to us at The White Notebook (R) Library, entrusting us with the story he wished to give to those who lived on Earth. The story he left behind is one of love and of angel beneficence. It is entitled The Angel Chronicles. In his book, Auberon describes how the world was created, how human life on Earth began and how the angels forever found ways to make a meaningful contribution to human beings. We at The White Notebook felt that Auberon left us with not only his words but with a greater respect for our potential as human beings, with intelligent optimism and, for many of us, a return to hopefulness. \*\*\* We have listed for you below the Table of Contents and synopsis related to Book I. Book I The Primary Angels The Existence of Angels God Creates the Earth Silvond Names the Constellations The Twin Angels The Assignment of Guardian Angels The Guardian Angels According to Day of Birth The Angels in Guardianship of Domestic Pets The Primary Angels God decided that the time had come to create a universe of worlds. In it would be a planet called Earth. God sent the angels out from their home in the beyondness for He had decided that the Earth would be sung into existence by them. The angels set to begin their work. Their finely feathered wings carried them in flight until they reached the center of the vast space of time. There they stopped. They breathed their beautiful breaths as they looked about and considered what they were to accomplish. The angels first sang into existence the planets and stars and the sun and the moon. They next sang their angel music until the Earth was made. All things upon the Earth the angels next sang into being, the mountains and rivers, and also the variety of creatures God wished to inhabit the Earth. In this way the entire physical world emanated from purely spiritual beings: God and His angel emissaries. The angels thought they might rest. But Michael the Archangel came to them in a dream to remind them that they were also to sing into life the most wondrous of all creatures, the human beings. The angels were astonished. Nonetheless, they sang the most beautiful of alleluias and human beings were brought into existence. When the angels saw the first human beings walk about the Earth, they fell in love. It was inevitable that the angels would fall in l
