*The ACEs Revolution!* John R. Trayser,2016-01-25 A template for the prevention of ACEs as well!

*Aces Wild* Amanda DeWitt,2022-09-13 What happens in Vegas when an all-asexual online friend group attempts to break into a high-stakes gambling club? Shenanigans ensue. A fast-paced, thrilling diversion.—Kirkus Reviews Some people join chess club, some people play football. Jack Shannon runs a secret blackjack ring in his private school's basement. What else is the son of a Las Vegas casino mogul supposed to do? Everything starts falling apart when Jack's mom is arrested for their family's ties to organized crime. His sister Beth thinks this is the Shannon family's chance to finally go straight, but Jack knows that something's not right. His mom was sold out, and he knows by who. Peter Carlevaro: rival casino owner and jilted lover. Gross. Jack hatches a plan to find out what Carlevaro's holding over his mom's head, but he can't do it alone. He recruits his closest friends—the asexual support group he met through fandom forums. Now all he has to do is infiltrate a high-stakes gambling club and dodge dark family secrets, while hopelessly navigating what it means to be in love while asexual. Easy, right? A wild romp told in a can't-look-away-from voice, *Aces Wild* is packed with internet friend hijinks and ace representation galore!

**Ace** Angela Chen,2020-09-15 An engaging exploration of what it means to be asexual in a world that's obsessed with sexual attraction, and what the ace perspective can teach all of us about desire and identity. What exactly is sexual attraction and what is it like to go through life not experiencing it? What does asexuality reveal about gender roles, about romance and consent, and the pressures of society? This accessible examination of asexuality shows that the issues that aces face—confusion around sexual activity, the intersection of sexuality and identity, navigating different needs in relationships—are the same conflicts that nearly all of us will experience. Through a blend of reporting, cultural criticism, and memoir, *Ace* addresses the misconceptions around the “A” of LGBTQIA and invites everyone to rethink pleasure and intimacy. Journalist Angela Chen creates her path to understanding her own asexuality with the perspectives of a diverse group of asexual people. Vulnerable and honest, these stories include a woman who had blood tests done because she was convinced that “not wanting sex” was a sign of serious illness, and a man who grew up in a religious household and did everything “right,” only to realize after marriage that his experience of sexuality had never been the same as that of others. Disabled aces, aces of color, gender-nonconforming aces, and aces who both do and don't want romantic relationships all share their experiences navigating a society in which a lack of sexual attraction is considered abnormal. Chen's careful cultural analysis explores how societal norms limit understanding of sex and relationships and celebrates the breadth of sexuality and queerness.

**Aces Up** Covington Clarke,2019-05-06 This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content, we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

*Race of Aces* John R Bruning,2020-01-14 The astonishing untold story of the WWII airmen who risked it all in the deadly race to become the greatest American fighter pilot. In 1942, America's deadliest fighter pilot, or ace of aces -- the legendary Eddie Rickenbacker -- offered a bottle of bourbon to the first U.S. fighter pilot to break his record of twenty-six enemy planes shot down. Seizing on the challenge to motivate his men, General George Kenney promoted what they would come to call the race of aces as a way of boosting the spirits of his war-weary command. What developed was a wild three-year sprint for fame and glory, and the chance to be called America's greatest fighter pilot. The story has never been told until now. Based on new research and full of revelations, John Bruning's brilliant, original book tells the story of how five American pilots contended for personal glory in the Pacific while leading Kenney's resurgent air force against the most formidable enemy America ever faced. The pilots -- Richard Bong, Tommy McGuire, Neel Kearby, Charles MacDonald and Gerald Johnson -- riveted the nation as they contended for Rickenbacker's crown. As their scores mounted, they transformed themselves from farm boys and aspiring dentists into artists of the modern dogfight. But as the race reached its climax, some of the pilots began to see how the spotlight warped their sense of duty. They emerged as leaders, beloved by their men as they chose selfless devotion over national accolades. Teeming with action all across the vast Pacific theater, *Race of Aces* is a fascinating exploration of the boundary between honorable duty, personal glory, and the complex landscape of the human heart. Brings you into the cockpit of the lethal, fast-paced world of fighter pilots . . . Fascinating. - - Sara VladicExtraordinary . . . a must-read. -- US Navy Captain Dan PedersenA heart-pounding narrative of the courage, sacrifice, and tragedy of America's elite fighter pilots. -- James M. ScottVivid and gripping . . . Confirms Bruning's status as the premier war historian of the air. -- Saul David

**Aces Against Germany** Eric Hammel,2020-12-05 ACES AGAINST GERMANY The American Aces Speak Volume II Eric Hammel In the second volume of his critically acclaimed series, *The American Aces Speak*, noted military historian Eric Hammel brings fresh first-person accounts from thirty-nine U.S. Army Air Corps fighter aces who blasted their way across the skies of North Africa, the Mediterranean, and northern and southern Europe in the great crusade against Hitler's vaunted Luftwaffe and the other Axis air forces. Coupled with a clear, concise historical overview of America's brilliant air war against the Axis in Europe and North Africa, Hammel's detailed interviews bring out the most thrilling in-the-cockpit experiences of some of our country's best pilots. Climb aboard a P-38 Lightning as Maj. Bill Leverette fights

America's highest-scoring single personal air battle against the Luftwaffe. And get into the cockpit of a P-47 Thunderbolt as 15-victory ace Capt. Don Bryan scores his dream kill by outwitting the pilot of a far speedier German jet in the closing days of the war in Europe. As he did in four companion volumes, Hammel has collected some of the very best air-combat tales from America's war against Germany. Nearly all the stories in *Aces Against Germany* have never before been told, and the others have been enhanced by details and viewpoints brought out by Hammel's superb interviewing. Together, the five volumes of nearly 200 first-person aerial-combat stories from World War II, Korea, and Vietnam stand as an enduring testament to the combat airmen who fought their wars strapped into the cockpits of America's lethal high-performance fighter aircraft. *Aces Against Germany* is a highly charged emotional rendering of the now-dim days of personal combat at the very edge of our living national history. There was never a war like it, and there never will be again. These are the stories of America's eagles in their very own words. Critical Acclaim for The American Aces Speak Series The Book World says: "Aces Against Japan is a thunderous, personal, high-adventure book giving our 'men in the sky' their own voice." Book Page says: "Eric Hammel's book is recommended reading. It is a must for any historian's bookshelf." The Library Journal says: "No PR hype or dry-as-dust prose here. Hammel allows his flyers to tell their stories in their own way. Exciting stuff aviation and World War II buffs will love." The Providence Sunday Journal says: "A treat that deftly blends a chronology of the Pacific War with tales that would rival a Saturday action matinee." Infantry Magazine says: "If you would like to read one book that will give you a broad overview and yet a detailed look at what a fighter pilot's air war was like this is the book." The Bookshelf says: "Hammel is one of our best military historians when it comes to presenting that often complex subject to the general public. He has demonstrated this facility in a number of fine books before [*Aces Against Germany*] and now he does so again. Not to be missed by either buff or scholar."

**Home Game** Lisa Suzanne, 2021-02-09 Getting fired and dumped in the same thirty seconds makes for a pretty bad Tuesday. But by Thursday, I'll be in Vegas celebrating my brother's wedding. Since I could use a fresh start, he offers me a place to stay with a buddy of his. At the bachelorette party, a raunchy game results in a quest to find me a one-night stand. When a hunk with dark blue eyes and perfect bone structure hits me with a silly line at the bar, my mission is complete. I vow to move on from our steamy night as I head to the rehearsal dinner, certain one of my brother's hot pro football player groomsmen will be my Prince Charming. Then the best man turns around. Dark blue eyes. Perfect bone structure. A body I won't soon forget. And apparently my new roommate. This is the first book in the VEGAS ACES series.

**The EC Archives: Aces High** Irv Werstein, Carl Wessler, 2019-06-25 Experience the dangers and thrills of aerial combat with *Aces High*! This handsome volume collects issues #1-5 of the classic war comic, including unforgettable stories from the all-star artistic lineup of George Evans, Wally Wood, Jack Davis, Bernie Krigstein, Irv Werstein, Carl Wessler, and Jack Oleck. • *Aces High* issues #1-5, the complete series, in full color! • Features stories drawn by all-star comic artists George Evans, Wally Wood, Jack Davis, and Bernie Krigstein! • Dark Horse reprints the infamous comic series, including all the original ads, text pieces, and letters!

**Malcolm** Lane Hart, D.B. West, 2023-10-11 While Malcolm Hyde may look like your very own personal Jesus, he's anything but a saint. Covered in tattoos and leather, he's a smoking hot biker and nothing but trouble. As the president of the Dirty Aces MC, Malcolm is known for being cold and calculating. One bad decision – getting into business with the wrong person – is all it takes to bring down the entire MC. It's happened before to his predecessor, which is why Malcolm refuses to let it happen again on his watch. He doesn't trust anyone except for the few men who wear the same ace of spades patch on their back. And that's exactly why he doesn't ever take his eyes off of me – the new girl. I never intended to make an enemy out of Malcolm or the MC when I was sent to steal everything I could from them. After Malcolm finds out what I've been doing, he's furious and shows no mercy until I spill all of my secrets, ones that could very well end my life. That's when he makes me a surprising offer – he's willing to take care of all of my problems, and the only thing he's asking for in return is for me to completely surrender myself to him. Spending two weeks in bed with a bad boy biker sounds more like a reward than a punishment. There's just one little catch – once he claims my body, there's no guarantee he won't steal my heart too.

**Aces In Combat** Eric Hammel, 2020-12-05 ACES IN COMBAT The American Aces Speak Eric Hammel Adding to the acclaimed first four volumes of his exciting, in-the-cockpit series, *The American Aces Speak*, leading combat historian Eric Hammel comes through with yet another engrossing collection of first-person accounts by American fighter aces serving in World War II and the Korean War. As are the four earlier volumes, *Aces In Combat* is a highly charged excursion into life and death in the air, told by men who excelled at piston-engine and jet-engine aerial combat and lived to tell about it. It is an emotional rendering of what brave airmen felt and how they fought in the now-dim days of America's living national history. View the Battle of Midway through Lieutenant Jim Gray's eyes as he must balance the needs of fellow pilots against the needs of his nation. Share the fear with Captain Charlie Sullivan as would-be rescuers deep in the New Guinea jungle attempt to turn him into a blood sacrifice. Crew a Canadian Mosquito night fighter as Lieutenant Lou Luma stalks the wily Hun—and bags an ace—over an airfield deep in Germany. Share Lieutenant Bud Fortier's and Major George Loving's grief when, on missions nearly eight years apart, they look on helplessly as trusted wingmen dive to their deaths in treacherous ground-attack runs. And watch anxiously as Captain Tom Maloney hovers between life and death for ten lonely days after stepping on a mine on an enemy-held beach. These are America's eagles, and the stories they tell are their own, in their very own words.

**Aces in the Wind** David Lee Cooper, 2021-10-15 This is the story of family trees. The book weaves together the tangle of branches that hold the characters in their grasp. The turbulent times of the Great Depression, WWII, and the social change of the 1960s serve merely as the backdrop to these peoples' lives. The reader meets James at pivotal points in his life. We begin by watching the relationship he has with his son. Then we veer back to James's father and how they live. There are decisions made, and great strengths and weaknesses are within each character. The women are complex and are the nails that hold the framework of these characters' lives. The characters deal with life head on and try to engage the better parts of their nature to navigate the waters of life. Like a grand poker game, the stakes are high and the players are serious. Some characters grow beyond themselves, while others halt and falter along the way. When the hands are shown and the money is paid, sometimes it comes down to how many aces are in the wind.

**Aces Up** Lauren Barnholdt, 2010-08-10 Seventeen-year-old high school senior Shannon Card needs money. And lots of it. She's been admitted to Wellesley, but her dad just lost his job, and somehow she has to come up with a year of tuition herself. But Shannon's dream of making big bucks waitressing at the local casino, the

Collosio, disappears faster than a gambler's lucky streak. Her boss is a tyrant, her coworker is nuts, and her chances of balancing a tray full of drinks while wearing high-heeled shoes are slim to none. Worse, time is running out, and Shannon hasn't made even half the money she'd hoped. When Shannon receives a mysterious invitation to join Aces Up, a secret network of highly talented college poker players, at first she thinks No way. She has enough to worry about: keeping her job, winning the coveted math scholarship at school, and tutoring her secret crush, Max. But when Shannon musters up the nerve to kiss Max and he doesn't react at all, the allure of Aces Up and its sexy eighteen-year-old leader, Cole, is suddenly too powerful to ignore. Soon Shannon's caught up in a web of lies and deceit that makes worrying about tuition money or a high school crush seem like kid stuff. Still, when the money's this good, is the fear of getting caught reason enough to fold? This fun, sexy, recession-proof story is a bubbly summer read with surprising depth—great for fans of Sarah Mlynowski.

Aces High Bill Yenne,2009 Provides detailed profiles of Medal of Honor recipients Richard Dick Bong and Thomas Tommy McGuire, the two leading ace fighter pilots of World War II, their rivalry, and their legacy in the arena of aerial combat.

**The Black Aces** Jim Mudcat Grant,Tom Sabellico,Pat O'Brien,2007-08 For most of the first half of the twentieth century, African-Americans were excluded from Organized Baseball. But their love of the game, and their desire to play could not be denied. Despite that ban, blackball was being played in just about every cow pasture and field available throughout the country. Black players criss-crossed the country in Negro League games and on barnstorming tours, bringing baseball to places where the Major Leagues never dreamed of going. Many gifted athletes never got the chance to compete in the Majors, until the door was finally opened in 1947 with the signing of Jackie Robinson and Larry Doby. Once given that chance to compete, African-Americans showed the country that they were deserving of the opportunity. Many became superstars, but, on the mound, only 13 African-Americans ever reached the magic plateau of twenty wins in a season. This book tells the story of those thirteen men and a few of their predecessors, the obstacles they faced, and the determination they showed to succeed. But it is a story about so much more than just baseball. Against the backdrop of their grit and determination, it reflects the story of all African-American baseball players through the creation of the Negro Leagues, the evolution of the game, and the parallel integration of baseball and America.

*Black Aces High* Robert K. Wilcox,2004-03-13 The author of *Scream of Eagles* pens a riveting account of a modern fighter squadron at war and the exploits, triumphs, and traumas of its pilots. A fast-moving look behind the scenes.--Publishers Weekly. 8-page photo insert. Martin's Press.

**American Ace** Marilyn Nelson,2016-01-12 This riveting novel in verse, perfect for fans of Jacqueline Woodson and Toni Morrison, explores American history and race through the eyes of a teenage boy embracing his newfound identity Connor's grandmother leaves his dad a letter when she dies, and the letter's confession shakes their tight-knit Italian-American family: The man who raised Dad is not his birth father. But the only clues to this birth father's identity are a class ring and a pair of pilot's wings. And so Connor takes it upon himself to investigate—a pursuit that becomes even more pressing when Dad is hospitalized after a stroke. What Connor discovers will lead him and his father to a new, richer understanding of race, identity, and each other.

**Aces of the Republic of China Air Force** Raymond Cheung,2015-05-20 The ace pilots of the Republic of China Air Force have long been shrouded in mystery and obscurity, as their retreat to Taiwan in 1949 and blanket martial law made records of the RoCAF all but impossible to access. Now, for the first time, the colourful story of these aces can finally be told. Using the latest research based on released archival information and full-colour illustrations, this book charts the history of the top scoring pilots of the RoCAF from the beginning of the gruelling, eight-year Sino-Japanese War to the conclusion of the Civil War against the Chinese Communists. Beginning as a ragged and very disparate group of planes and pilots drawn from various provincial air forces, the RoCAF gradually became standardised and was brought under American tutelage. Altogether it produced 17 aces who scored kills whilst flying a startling variety of aircraft, from biplanes to F-86 Sabres.

**Wings of Gold: Aces - Book #1** T. E. Cruise,2009-09-26 The Aces is the story of German pilot Herman Goldstein who emigrates to the U.S. and forms an air transport business which rockets to the forefront of the industry. First in an epic, three-volume series tracing an unforgettable family's rise to the top of American aviation.

The Greatest Air Aces Stories Ever Told Col. Robert Barr Smith,Laurence J. Yadon,2017-04-03 In thirty-five chapters, *The Greatest Air Aces Stories Ever Told* covers many of the leading American and British Commonwealth fighter aces of WW I and II, together with a few bomber crews whose gallantry made a substantial contribution to the end of WW II. Other nations had their aces, but this book concentrates on American and Commonwealth pilots. These aviators were chosen not only because of their "scores" and their great courage, but also for other qualities which set them apart, like the WWII Royal Air Force Wing Commander who shot down more than 20 Germans while flying with two artificial legs. Here are a few of the aces. Note that the air forces of Europe and the United States did not always have today's names, used here for simplicity's sake: Albert Ball, RAF, son of the Lord Mayor of Nottingham, winner of the Victoria Cross. He had 44 victories in WWI when he was killed at the age of 20, well known to his German foes, who much admired him. Gabby Gabreski, USAF. Son of hard-working Polish immigrants. An ace in WWII with 28 kills and later in Korea, with another six. He was an accomplished commander, finished a long career as a colonel. Mick Mannock, RAF. Tough and aggressive in spite of his fear of fire, he won not only the Victoria Cross, but five other high awards for gallantry. Highest British scorer of WWI with 73 victories, he detested Germans, and rejoiced with every kill. He was shot down by ground fire in the last year of the war. David McCampbell, USN. Scored 34 WWII kills to become the U.S. Navy's all-time ace. In 1944, set an all-time record with nine victories on a single mission. Winner of the Congressional Medal. Pick Pickard, RAF. Led the RAF rooftop bomber raid on Amiens Prison In WWII, freeing many underground members, some of whom were facing death, and who were promptly spirited away by French partisans. Frank Luke, USAF. Deadly American famous for his busting of German observation balloons in WWI. Shot up over German territory, he managed to land safely, but, being Luke, tried to fight it out with enemy infantrymen with only his pistol. The book will also touch on the equipment these aces flew, from the famous Fokkers and Sopwith Camels to the ungainly two-seater FE2b, which was driven by a pusher engine and looked like a bathtub with wings and a miniature oil derrick glued on the back. Also included are our own Grumman carrier fighters, the P-40s, the P-38s, as well as the P-51 Mustang, probably the finest fighter of the war, a happy marriage of an American airframe and a British engine. The deadly, graceful Spitfire has its place, as do the Hurricane, the biplane Gladiator, and even the four-engine Lancaster.

Aces Bill Yenne,2020-10-13 Aces is an illustrated history of the brave World War II fighter pilots who earned the title of ace, with archival and modern photos of

their aircraft.

## Unveiling the Power of Verbal Art: An Psychological Sojourn through **Aces**

In a global inundated with displays and the cacophony of quick conversation, the profound energy and mental resonance of verbal beauty usually fade in to obscurity, eclipsed by the constant barrage of noise and distractions. Yet, set within the lyrical pages of **Aces**, a charming perform of literary elegance that pulses with natural emotions, lies an unforgettable journey waiting to be embarked upon. Composed by way of a virtuoso wordsmith, that mesmerizing opus courses visitors on a mental odyssey, delicately revealing the latent possible and profound impact embedded within the complex web of language. Within the heart-wrenching expanse with this evocative analysis, we can embark upon an introspective exploration of the book is central subjects, dissect its charming writing type, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
