Acheron Sherrilyn Kenyon,2009-03-31 Determined to solve an ancient mystery, a woman undertakes a forbidden quest that pits her against the Dark-Hunter leader and proud god Acheron, with whom she joins forces when ancient guardians and old enemies threaten both of them. Reprint.

Across the Acheron Monique Wittig,1987 Wittig describes an extraordinary journey through the infernal regions towards a paradisaical land. Angels ride motorcycles, and cruelty and suffering are unknown on the other side of the Acheron, the legendary river of sorrows. Wittig reveals her poetic, sometimes humorous story in a vivid and highly individual style, creating a kaleidoscopic mixture of the mythological and the modern. Across The Acheron confirmed Wittig's position as one of France's most original and gifted writers of the 20th century.

Acheron Redemption Ken Lozito, Sentinel warships were the answer to the Federation Wars...or so they thought. Quinton thought the Sentinels were malfunctioning fleets of warships left over from the Federation Wars, but they're much worse. The Sentinels are a menace, terrorizing spacers across the galaxy in their hunt. But change is coming, and spacers across the galaxy will have to choose whether to fight for their future. With Sentinel fleets preparing a major incursion, Admiral Quinton Aldren must get the new Alliance space navy into fighting shape. But how can he build an armada when most spacers believe he's the enemy? Quinton will fight. All that remains is how many spacers will join him to fight for humanity's future. Acheron Redemption is a fast-paced science fiction novel in the classic space opera and military sci-fi traditions by Best Selling Author Ken Lozito.

Acheron Inheritance Ken Lozito, First, the Federation Wars toppled the galactic order. The galaxy has changed, forcing people to adapt, while dangerous machines of the Federation Wars patrol galactic sectors hunting for people like Quinton. He might have missed the war, but his link to the past could be the key to save humanity's future. Will he survive long enough to discover it in time? From the author of the international bestselling First Colony series comes another science fiction series in a sprawling galactic setting. Acheron Inheritance is the first book in the Federation Chronicles set far into the future after humanity has colonized the stars. Grab your copy today! Acheron Sherrilyn Kenyon,2018-06 From the incomparable Dabel Brothers, the graphic novel adaptation of Acheron. Setting: Ancient Greece, Atlantis, Modern New Orleans and Nashville Eleven thousand years ago a god was born. Cursed into the body of a human, Acheron endured a lifetime of hatred. His human death unleashed an unspeakable horror that almost destroyed the earth. Back against his will, he became the sole defender of mankind Only it was never that simple.... For centuries, he has fought for our survival and hidden a past he never wants revealed. Now his survival and ours, hinges on the very woman who threatens him. Old enemies reawaken to unite to kill them both. War has never been deadlier... or more fun.

Acheron Salvation Ken Lozito, Quinton Aldren thought he could leave his past behind him . . . He was wrong. First came the development of a Personality Matrix Construct—PMC, transferring human consciousness into a machine. It changed the galaxy and the way wars were fought. Then something went wrong with PMCs and the Federation Wars toppled the galactic order. PMCs became a menace to be hunted and exterminated. Long after the Federation Wars, the galaxy limps on. Spacers carve out an existence upon the bones of the old worlds, but things are about to change. . .something has begun broadcasting signals to reactivate PMCs that were stored in secret. Quinton Aldren is a PMC. His consciousness was uploaded and stored over a century ago, before the Federation Wars. All Quinton wants is to leave his past behind, but the broadcasts keep occurring. More PMCs are coming online, and not all of them are entirely stable. Federation War machines are on the hunt for them, and they don't care who gets in their way. Acheron Salvation is a fast-paced science fiction novel in the classic space opera and military sci-fi traditions, by Best Selling Author Ken Lozito.

The Reader of Acheron Walter Rhein,2013-12 Book One of the Slaves of Erafor series: Reading is forbidden, and the penalty for non-compliance is a life of slavery enabled by the forcible administration of a mind rotting drug. Together they seek out a small band of rebels living in hiding who offer the promise of a better world. Their leader is a mysterious figure known only as The Reader of Acheron.

Styx Sherrilyn Kenyon,2013-09-03 Sherrilyn Kenyon's most highly-anticipated novel in the New York Times bestselling Dark-Hunter series since Acheron is here—the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth Just when you thought doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. As the twin to Acheron, Styxx hasn't always been on his brother's side. They've spent more centuries going at each other's throats than protecting their backs. Now Styxx has a chance to prove his loyalty to his brother, but only if he's willing to trade his life and future for Acheron's. The Atlantean goddess of Wrath and Misery, Bethany was born to right wrongs. But it was never a task she relished. Until now. She owes Acheron a debt that she vows to repay, no matter what it takes. He will join their fellow gods in hell and nothing is going to stop her. But things are never what they seem, and Acheron is no longer the last of his line. Styxx and Acheron must put aside their past and learn to trust each other or more will suffer. Yet it's hard to risk your own life for someone who once tried to take yours, even when it's your own twin, and when loyalties are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that wants to consume the entire world? One that wants to start by devouring your very soul?

Acherons commander, Eva dRosnychev, has found a way to get the resources she needs, and she isnt in the habit of losing! Will she be able to control the forces she has unleashed on her people?

Eagles Over the Acheron Michael T. Roussis,2012-01-28 The major setting of Eagles Over The Acheron is the Ottoman Empire of the Nineteenth Century. It involves a scoundrel with an angelic smile and the sting of a scorpion, who would pat you on the leg as you sat by him, call you his 'birom' (son), offer you sweets, embrace you as you left his reception room or private quarters, and shortly after, if it suited his purpose, have you shackled, imprisoned, starved, or even killed. That scoundrel, gift-giver, gracious host, lover, seducer, hypocrite, liar, pervert, torturer, and killer, was Ali Pasa. An Albanian, fluent in Greek, because he grew up in a Greek environment in Northern Epirus, with little if any knowledge of Turkish, Ali rose from petty thief to the high rank of vizier within the Ottoman Empire. From Yiannena, the provincial capital of Epirus in northwestern Greece, he ruled much of that country and Albania. However, there was one group that was not easily subdued: the Soulliotes, part of a commonwealth of Greeks in the mountains of Acarnania in Epirus.

Eagles over the Acheron is the story of the Soulliotes' heroic twenty year resistance to Ali Pasa's rule, as well as the extraordinary events that led to Ali's downfall.

Poem's Of Acheron Chantal Wynter,

From Acheron Cari Lynn Vaughn,2016-03-13 Acheron is the river that Charon crosses with souls for the Underworld. In this collection of stories, From Acheron, you will read about various hells that people suffer through. There is a runaway who ends up in a polygymos cult and the woman who's life falls apart in the Ozarks, among others. From the girl who was left to freeze to death by her boyfriend to the troubled young girl who murders her infant brother, these stories will break your heart. Each is a profile of a particularly painful underworld. Moving through rage and grief, this collection will continue to stay with the reader long after they put the book down.

Acheron Byron Morrigan,2011-09-09 Captain Nate Leathers thought being a soldier on the frontlines in Iraq was hard enough. And when his convoy is attacked and he’s thrown in a dungeon by insurgents, he can’t imagine things can get any worse. But then the world is turned upside down. When he escapes, Leathers finds the city of Basra shrouded in green mist and under siege from nightmare creatures far more horrific than any terrorist. Walking corpses. Tentacled beasts. Giant slithering things. Ancient creatures risen from the depths. Alone in the city, Leathers will have to draw on all his training to survive, let alone stop the mist from spreading. Monsters beyond imagination are closing in ... and some of them are human.

The Acheron Deception Patrick F. Rooney,2014-09-08 A Wall Street securities trader teams up with a female CIA agent to track down terrorists manipulating the stock market in this modern day espionage thriller. It begins in 1987, when the prevailing winds of Glasnost have caught the Russian leadership by surprise... catapulting the confusion caused by the impending breakup of the Soviet Union to new levels. For KGB agent Mikhail Volkov and his brother, Vladimir, the chaos provides something else altogether: An opportunity to steal four nuclear weapons from a Russian test facility. Sean McGowan, a software designer in the securities industry, has come a long way from the trailer park where he grew up in New Mexico. He leads an exciting life now, with wealth, influence, and the company of beautiful women, until the Volkov brothers come after him to expropriate his ultra-fast derivatives trading program. CIA Agent Beate Nicholson recruits Sean to help her track down financiers manipulating the stock markets prior to terrorist strikes. But first, they must use their computer skills to thwart a massive cyber-attack against the world's banking system perpetrated through the Internet using a massive multi-player on-line role-playing gaming platform. Sean and Beate's collaboration leads them to the doorstep of a rogue's gallery of sinister figures, including white-collar jihadist Rahim Delacroix-who wreaks revenge against the infidels that killed his family; former KGB agent Mikhail Volkov and his brother Vladimir-Russian immigrants building massive fortunes in America through organized crime; and the mysterious John Napoleon-leader of the Protectorate, an environmental syndicate committed to saving the planet by seizing control of the world's resources. Sean and Beate watch in helpless disbelief as terrorists strike Europe. Can they connect all the dots in time to collar the villains before they inflict even more destruction?
