**Everybunny Dance!** Ellie Sandall, 2017-01-31 Bunnies dance, play, sing, and make a new friend in this delightful picture book from the author of *Follow Me!*, which School Library Journal called "a winsome selection suitable for storytime." Nobody is watching. Now's the perfect chance. Ready bunny, Steady bunny, EVERYBUNNY DANCE! Thus begins a whimsical celebration of movement, which will have children jumping out of their seats to dance, play, and sing with these cheerful bunnies—and one not-so-scary fox. Everybunny is invited to join together in this joyous display of playful creativity.

**Whiskies Galore** Ian Buxton, 2017-09-14 Island whiskies have long held a fascination and a powerful emotional draw on whisky drinkers the world over. Their special combination of heritage, mystique, and remote location captures the imagination; their highly distinctive flavours are often imitated but seldom bettered. There have been few books on island whisky and none written in recent years. But *Whiskies Galore* is not your average whisky book. It is not simply a catalogue of distilleries, but a story of discovery and adventure. Join Ian Buxton on a personal journey across Scotland's islands, where he learns to fish with high explosives, ends up hurling his dinner into the sea, and comes face to face with a basking shark. Combining an expert's knowledge of whisky with a travel writer's fondness for anecdote, and with a keen description of place, he provides a special treat for all who love the islands' magical drams.

**A Hole in the Bottom of the Sea** Jessica Law, 2018-09-01 Discover amazing and fascinating sea creatures in the hole in the bottom of the sea! Based on the traditional cumulative song, each verse introduces a new creature and its place in the food chain, with the shark chasing the eel, who chases the squid, who chases the snail. Enhanced CD includes video animation and audio singalong.

**The Cow Who Fell to Earth** Nadia Shireen, 2017-06 A mysterious visitor has landed - a little cow who desperately wants to go home. How do you find your way home when nobody can understand a word you're saying?

**A Thousand Small Sanities** Adam Gopnik, 2019-05-14 A stirring defense of liberalism against the dogmatism of our time from an award-winning and New York Times bestselling author. Not since the early twentieth century has liberalism, and liberals, been under such relentless attack, from both right and left. The crisis of democracy in our era has produced a crisis of faith in liberal institutions and, even worse, in liberal thought. *A Thousand Small Sanities* is a manifesto rooted in the lives of people who invented and extended the liberal tradition. Taking us from Montaigne to Mill, and from Middlemarch to the civil rights movement, Adam Gopnik argues that liberalism is not a form of centrism, nor simply another word for free markets, nor merely a term denoting a set of rights. It is something far more ambitious: the search for radical change by humane measures. Gopnik shows us why liberalism is one of the great moral adventures in human history -- and why, in an age of autocracy, our lives may depend on its continuation.

**A Book for Her** Bridget Christie, 2015-07-02 Bridget Christie is a stand-up comedian, idiot and feminist. On the 30th of April 2012, a man farted in the Women's Studies Section of a bookshop and it changed her life forever. *A Book For Her* details Christie's twelve years of anonymous toil in the bowels of stand-up comedy and the sudden epiphany that made her, unbelievably, one of the most critically acclaimed British stand-up comedians this decade, drawing together the threads that link a smelly smell in the women's studies section

to the global feminist struggle. Find out how nice Peter Stringfellow's fish tastes, how yoghurt advertising perpetuates rape myths, and how Emily Bronte used a special ladies' pen to write Wuthering Heights. If you're interested in comedy and feminism, then this is definitely the book for you. If you hate both then I'd probably give it a miss. "Christie is adept at turning on a sixpence between being comical, or serious, or both at once, and at pricking her own earnestness." Telegraph 'Christie piles derision and tomfoolery upon everyday sexism, while never pretending that jokes alone will solve the problem.' Guardian

*Dear Joan and Jericha - Why He Turns Away* Joan Damry, Jericha Domain, 2022-06-09 From the world-renowned agony aunts of award-winning podcast 'Dear Joan and Jericha' comes an unputdownable bible of sex and relationship advice on how to find, satisfy and maintain a husband, from dating right up until you or hubby pass away. We dedicate this tome to Mahmoud: surgeon, prophet, model and friend. Capable of performing up to 30 hysterectomies a day (often blindfolded), it was Mahmoud that begged us to put pen to papyrus and share our wisdom with all the lost ladies suffering in the world today. As much revered celebrities, living glamorous and wealthy lifestyles, we do of course come under fire. There has recently been vicious slander circulating, regarding a small handful of folk who have written to us with a problem, and having listened to our response, gone on to take their own lives. As if the two were somehow connected. These naysayers are generally bitter and jealous spinsters, taking perverse and sadistic pleasure in being vindictive and nasty, while no doubt masturbating at the same time. To these lonely ladies we would say, 'Go look in your own heart, knock ye there and ask yourself some difficult questions. Because you will find the real guilt writhing within ye, like maggots mating in yesterday's apple'. What we offer here is a lifeline, a service, much like the NHS, or perhaps more accurately, the AA. Joan and Jericha: AA for the heart. Affording you the opportunity to have a breakdown, call for a pick-up truck, stop off for a Full English whilst a hairy guy in a grubby onesie fumbles under your bonnet and tweaks at your wiring, before sending you on your way, lubricated, primed, pumped and pretty. With kind regards, Joan Damry and Jericha Domain OBE MBE (etc)

**Crisis Zone** Simon Hanselmann, 2021-08-10 In March 2020, as the planet began to enter lockdown, acclaimed cartoonist Simon Hanselmann decided that what the world needed most was free, easily accessible entertainment, so he set out to make the greatest webcomic ever created! The result is also certain to be one of the most acclaimed and eagerly anticipated graphic novels of 2021. As the Covid-19 pandemic continued to escalate far beyond any reasonable expectations, Crisis Zone escalated right alongside, in real time, with daily posts on Instagram. Crisis Zone's battle mission was to amuse the masses: no matter how horrible and bleak everything seemed, at least Werewolf Jones wasn't in your house! Over the course of 2020, Crisis Zone has amassed unprecedented amounts of new fans to the Megg and Mogg universe and is presented here, unabridged and uncensored, with a slew of added pages and scenes deleted from the webcomic, as well as an extensive "Director's Commentary" from Hanselmann himself.

*Intimations* Zadie Smith, 2020-07-28 "[Smith's] slim collection of essays captures this peculiar moment with startling clarity. . . . The personal and political intermingle for a powerful indictment of America's social systems." —TIME, The 100 Must-Read Books of 2020 "While quarantined amid the Covid-19 pandemic, Smith penned six dazzling, trenchant essays burrowing deep into our contemporary culture of disease and upheaval and reflecting on what was 'once necessary' that now 'appears inessential . . .'" —O, The Oprah Magazine, Best Books of 2020 "Smith does more than illuminate what we're going through right now. She offers a model of how to think ourselves through a fraught historical moment without getting hysterical or sanctimonious, without losing our compassion or our appreciation for what's good in other people. She teaches us how to be better at being human." —John Powers, Fresh Air A New York

Times Bestseller Deeply personal and powerfully moving, a short and timely series of reflective essays by one of the most clear-sighted and essential writers of our time. Written during the early months of lockdown, *Intimations* explores ideas and questions prompted by an unprecedented situation. What does it mean to submit to a new reality--or to resist it? How do we compare relative sufferings? What is the relationship between time and work? In our isolation, what do other people mean to us? How do we think about them? What is the ratio of contempt to compassion in a crisis? When an unfamiliar world arrives, what does it reveal about the world that came before it? Suffused with a profound intimacy and tenderness in response to these extraordinary times, *Intimations* is a slim, suggestive volume with a wide scope, in which Zadie Smith clears a generous space for thought, open enough for each reader to reflect on what has happened--and what should come next. The author will donate her royalties from the sale of *Intimations* to charity.

**Horse Destroys the Universe** Cyriak Harris,2019-08-22 The Hitchhiker's Guide to the Galaxy meets Black Beauty and gallops off into The Matrix in the debut novel from cult internet sensation Cyriak Harris Life was simple for Buttercup the horse. Chewing grass in a field, gazing dreamily at passing clouds or standing at a hedge to watch the world go by. Perhaps a light nap followed by a gentle canter and more grazing, and then off to the stable for a programme of psychological tests designed to expand the boundaries of horse consciousness. For Betty and Tim, life was also simple. Or at least as simple as life could be when you are scientists conducting neurological experiments on a horse. That is until the day they discovered their horse was conducting an experiment of its own. Life became rather more complicated after that for Tim, Betty and Buttercup, and the ensuing struggle for control over one horse's destiny results in an intellectual arms race that takes all three of them to the edge of reality and beyond. It is a struggle that threatens to shake the foundations of civilisation and unravel the fabric of time and space. Can anyone stop this horse from destroying the universe?

**Competing with Idiots** Nick Davis,2021 A dual biography of brothers Herman and Joseph Mankiewicz, each a Hollywood legend--  
**Cover Her Face** P.D. James,2012-04-17 The first in the series of scintillating mysteries to feature cunning Scotland Yard detective, Adam Dalgliesh from P.D. James, the bestselling author hailed by People magazine as "the greatest living mystery writer." Sally Jupp was a sly and sensuous young woman who used her body and her brains to make her way up the social ladder. Now she lies across her bed with dark bruises from a strangler's fingers forever marring her lily-white throat. Someone has decided that the wages of sin should be death...and it is up to Chief Inspector Adam Dalgliesh to find who that someone is. *Cover Her Face* is P.D. James' delightful debut novel, an ingeniously plotted mystery that immediately placed her among the masters of suspense.

**Open Very Carefully** Nick Bromley,2013 The reading of a story is interrupted by a crocodile falling into the book.

**Emergency Questions** Richard Herring,2019-12-24 If you had to wear somebody's guts for garters - if you had to - who would you disembowel in order to facilitate your socks staying up? What do you consider your median achievement? Would you rather have pubic hair made of unremovable barbed wire or to be attacked by a rabid badger in your sleep once a week? We've all been there. Stuck at a boring family party, on an awkward date, in a below-par job interview, or any number of other situations in which conversation has become more of a trickle than a flow. Well, fear the excruciation no more, as Richard Herring's EMERGENCY QUESTIONS is about to change your life. Containing 1,001 conversation starters from one of our most cherished comedians, along with plenty of answers from the many household names who've appeared on his podcast, this book is virtually guaranteed to remove any social anxiety from your life, and will raise your repartee-game to new heights.

**Knight Sir Louis and the Dreadful Damsel** The Brothers McLeod, 2020-08-01 Knight Sir Louis has defeated dragons, goblins and evil wizards but when he is sent to do battle with the Damsel of Distresse, even he is not prepared for the mayhem that follows ...

The Desert and the Sea Michael Scott Moore, 2019-05-28 Michael Scott Moore, a journalist and the author of Sweetness and Blood, incorporates personal narrative and rigorous investigative journalism in this profound and revelatory memoir of his three-year captivity by Somali pirates—a riveting, thoughtful, and emotionally resonant exploration of foreign policy, religious extremism, and the costs of survival. In January 2012, having covered a Somali pirate trial in Hamburg for Spiegel Online International—and funded by a grant from the Pulitzer Center on Crisis Reporting—Michael Scott Moore traveled to the Horn of Africa to write about piracy and ways to end it. In a terrible twist of fate, Moore himself was kidnapped and subsequently held captive by Somali pirates. Subjected to conditions that break even the strongest spirits—physical injury, starvation, isolation, terror—Moore’s survival is a testament to his indomitable strength of mind. In September 2014, after 977 days, he walked free when his ransom was put together by the help of several US and German institutions, friends, colleagues, and his strong-willed mother. Yet Moore’s own struggle is only part of the story: *The Desert and the Sea* falls at the intersection of reportage, memoir, and history. Caught between Muslim pirates, the looming threat of Al-Shabaab, and the rise of ISIS, Moore observes the worlds that surrounded him—the economics and history of piracy; the effects of post-colonialism; the politics of hostage negotiation and ransom; while also conjuring the various faces of Islam—and places his ordeal in the context of the larger political and historical issues. A sort of *Catch-22* meets *Black Hawk Down*, *The Desert and the Sea* is written with dark humor, candor, and a journalist’s clinical distance and eye for detail. Moore offers an intimate and otherwise inaccessible view of life as we cannot fathom it, brilliantly weaving his own experience as a hostage with the social, economic, religious, and political factors creating it. *The Desert and the Sea* is wildly compelling and a book that will take its place next to titles like *Den of Lions* and *Even Silence Has an End*.
