Our Admirable Betty: A Romance Jeffery

Farnol, 2022-09-16T00:00:00Z A sweet, light-hearted, romantic comedy. The characters come alive with dialogue and crisp, minimal description. Betty, with the droop of her lashes and the stamp of her little foot, is one of the most likable—no, admirable—female characters you will ever come across in fiction. If only Betty's like her existed in real life...

Admirable Evasions Theodore Dalrymple, 2015-03-24 In *Admirable Evasions*, Theodore Dalrymple explains why human self-understanding has not been bettered by the false promises of the different schools of psychological thought. Most psychological explanations of human behavior are not only ludicrously inadequate oversimplifications, argues Dalrymple, they are socially harmful in that they allow those who believe in them to evade personal responsibility for their actions and to put the blame on a multitude of scapegoats: on their childhood, their genes, their neurochemistry, even on evolutionary pressures. Dalrymple reveals how the fashionable schools of psychoanalysis, behaviorism, modern neuroscience, and evolutionary psychology all prevent the kind of honest self-examination that is necessary to the formation of human character. Instead, they promote self-obsession without self-examination, and the gross overuse of medicines that affect the mind. *Admirable Evasions* also considers metaphysical objections to the assumptions of psychology, and suggests that literature is a far more illuminating window into the human condition than psychology could ever hope to be.

Admirable Is Our God Juanita de Guzman Gutierrez, BSED, MSED,2017-01-31 Admirable is Our God by Juanita de Guzman Gutierrez, BSED, MSED Admirable Is Our God urges people to go back to God because God is a reality and not fiction. God is truly in us. Be touched and receive salvation from reading a nonfiction, true-to-life story, which author Juanita de Guzman Gutierrez, BSED, MSED has experienced. We are all one humankind, and our reverence and gratefulness should be for God, who is so kind and gentle and yet a genius. No scientist could ever duplicate Him in intelligence, in giving life, or in giving body parts that function harmoniously.

Ruysbroeck the Admirable Alfred Wautier d'Aygalliers,1969

Our Admirable Betty Jeffery Farnol,2018-01-24 Mr. Farnol has returned to his early manner and given us here another

romantic novel. The story moves animatedly through an atmosphere of patches and perukes, lace and ruffles, with moments that call for the ready rapier and pistol, the admirable Betty being, of course, the cause and centre of both comedy and adventure. Despite the disapprobation of realists, there is a constant audience for fiction of this kind, to whom Mr. Farnol's somewhat artificial and exclamatory treatment will be rather an attraction than a drawback.

The Admirable Lady Biddy Fane Frank Barrett, 2018-07-17
Frank Barrett's most ambitious, most sensational, and most successful work. He has always had a hankering after the water of historical romance. Here he seems to have definitely taken the plunge. It is obvious also that he may, if he chooses, take a very high place, in the school - not of Thackeray or of Mr. Besant, or even of Scott, but of Charles Kingsley.

Excerpt from *The Admirable Lady Biddy Fane*
Spirit so lofty, noble, fearless and faithful as hers. I might discourse of her beauty for many pages, and yet fail, for want of words, to do her justice but to make an end of this matter briefly, I say, again, she was incomparable. About the Publisher
