*Albert Bond Lambert* Christopher Lynch,2015-10-01 Albert Lambert was born in Missouri and went into his father's pharmaceutical business, but he found his true love in the air. While visiting Paris in 1906, he became interested in ballooning, then in airplanes. In 1907, Albert helped form the St. Louis Aero Club to promote aviation, then helped form the first airport in the area. In 1923, he opened Lambert-St. Louis Flying Field. He also helped raise money to build The Spirit of St. Louis for Charles Lindbergh.

**Air Vagabonds** Anthony J. Vallone,2015-05-26 Air Vagabonds is the story of the amazing, true (mis)adventures of a band of rogues piloting aircraft alone into exotic and deadly destinations. In the late 1970s and through the 1980s the demand for light aircraft eclipsed anything seen before or since. This created the need for a small air force of pilots—ferry pilots—willing to fly thousands of planes to clients in every corner of the globe. Long-range solo flying is not for everyone, and it attracted a cast of eccentric, unforgettable mavericks who flew from one misadventure to the next, battling storms, desert winds, aircraft malfunctions, primitive navigational aids, loneliness, chemical imbalances, and dangerous Third World politics. Some carried on international scams and love affairs, some were lost at sea, some imprisoned by African despots. They're all here, described with humor and high drama by one of their own, a survivor with phenomenal recall, a knack for distinguishing character from bluster, and a great ear for dialogue and aviation lore.
