When Phantoms--massive beasts made from nightmares and darkness--suddenly appeared and began terrorizing the world, four girls, the Effigies, each gained a unique power to control one of the classical elements: earth, air, fire, and water. Since then, four girls across the world have continually fought against the Phantoms, fulfilling their cosmic duty. And when one Effigy dies, another girl gains her power as a replacement. But now, with technologies in place to protect the world's major cities from Phantom attacks, the Effigies have stopped defending humanity and, instead, have become international celebrities, with their heroic feats ranked, televised, and talked about in online fandoms. Until the day that New York City's protection against the Phantoms fails, a man seems to be able to control them by sheer force of will, and Maia, a high school student, unexpectedly becomes the Fire Effigy. Now Maia has been thrown into battle with three girls who want nothing to do with one another. But with the first human villain that the girls have ever faced, and an army of Phantoms preparing for attack, there isn't much time for the Effigies to learn how to work together. Can the girls take control of their destinies before the world is destroyed forever?

Now, the decisions of one man, Amadeus Kaias Incarius of the Mentor Legion, will determine the Chapter's fate... The scattered worlds of the Elara's Veil nebula were once protected by the oath of unity sworn by three mighty Chapters of the Adeptus Astartes. The Star Scorpions were undone by flaws in their genetic coding. The Celestial Lions were ravaged by the Inquisition for sins they did not commit. Now, after hundreds of years, only the Emperor's Spears still keep their vigil. They are barbarian watchmen against the Outer Dark; bloodied but unbroken in their long duty. Amadeus Kaias Incarius, a brother of the Mentor Legion, is commanded to cross the Great Rift and assess the Spears' war-readiness, only to be drawn into the chaotic plight of a depleted crusade on the Imperium's benighted frontier. The decisions he makes, far from the God-Emperor's light, will decide the fate of the war-torn Chapter.

She's tired and just barely keeping control, BUT she's handling it. Totally.
