A Single Swallow Zhang Ling,2020-09-15 The eagerly awaited English translation of award-winning author Zhang Ling's epic and intimate novel about the devastation of war, forgiveness, redemption, and the enduring power of love. On the day of the historic 1945 Jewel Voice Broadcast--in which Emperor Hirohito announced Japan's surrender to the Allied forces, bringing an end to World War II--three men, flush with jubilation, made a pact. After their deaths, each year on the anniversary of the broadcast, their souls would return to the Chinese village of their younger days. It's where they had fought--and survived--a war that shook the world and changed their own lives in unimaginable ways. Now, seventy years later, the pledge is being fulfilled by American missionary Pastor Billy, brash gunner's mate Ian Ferguson, and local soldier Liu Zhaohu. All that's missing is Ah Yan--also known as Swallow--the girl each man loved, each in his own profound way. As they unravel their personal stories of the war, and of the woman who touched them so deeply during that unforgiving time, the story of Ah Yan's life begins to take shape, woven into view by their memories. A woman who had suffered unspeakable atrocities, and yet found the grace and dignity to survive, she'd been the one to bring them together. And it is her spark of humanity, still burning brightly, that gives these ghosts of the past the courage to look back on everything they endured and remember the woman they lost.

Little Apocalypse Katherine Sparrow,2019-03-12 Monsters aren't real. Everyone knows that. Full of creepy-cool atmosphere and monstrous magic, this gripping middle grade debut will sink its claws into fans of supernatural adventures like Holly Black's *Doll Bones* and Ellen Oh's *Spirit Hunters*. When a sudden earthquake strands Celia's parents out of town, she finds herself on her own in a shaken city. She tries to reach out to other kids around her apartment building. Some of them, like the sad boy named Demetri, seem wary of letting her too close. The others call themselves Hunters. They claim the earthquake was caused by monsters only kids can see. And they think Celia is destined to save the city. Celia doesn't feel destined to save anything--but for the first time, she feels like maybe she's seeing things as they really are....

Norse Hero Tales Isabel Wyatt,2010-07 The world of the Norsemen -- men of the North -- was rich in poetry, legend and song. Whenever there was a feast to greet guests, or celebrate weddings or the safe return of voyagers, the bards or 'skalds' were called on to tell stories and sing songs. These stories were colorful and dramatic. They told of kings and queens, princes and princesses, duels and battles, and great journeys across the sea. They offered heroes to admire, villains to fear, and made the listeners tremble and gasp with tales of love and daring, power and cunning. Stories, like the ones in this book, were their window on the whole world. These stories of Norse heroes, beautifully retold by the renowned storyteller Isabel Wyatt, are drawn from the collection of tales compiled by Saxo Grammaticus and other early Scandinavian writers. Includes an informative introduction. These stories are particularly useful for those teaching Norse mythology in Steiner-Waldorf Class 4 (age 9-10).

The Dark Side of Alice in Wonderland Angela Youngman,2021-04-14 A unique exploration of the character, the author, and the many transformations of Alice in modern culture—often in edgy and

menacing ways. The Dark Side of Alice in Wonderland is the first investigation of the vast range of darker, more threatening aspects of this famous story, and the way Alice has been transformed over time. Although the children's story has been in print for over 150 years, the mysteries and rumors surrounding the story and its creator Lewis Carroll have continued to grow. Alice has been transformed—this is the Alice of horror films, Halloween, murder and mystery, spectral ghosts, political satire, mental illnesses, weird feasts, Lolita, Tarot, pornography, and steampunk. The Beatles based famous songs such as “Lucy in the Sky with Diamonds” and “I am the Walrus” on Alice's Adventures in Wonderland, and she has even attracted the attention of world-famous artists including Salvador Dali. The Japanese version of Lolita is so different from that of novelist Vladimir Nabokov—yet both are based on Alice. This is Alice in Wonderland as you have never seen her before: a dark, sometimes menacing, and threatening character. Was Carroll all that he seemed? The stories of his child friends, nude photographs, and sketches affect the way modern audiences look at the writer. Was he just a lonely academic, a closet pedophile, a brilliant puzzle maker—or even Jack the Ripper? For a book that began life as a simple children's story, it has resulted in a vast array of dark concepts, ideas, and mysteries. With this book, you can step inside the world of Alice in Wonderland—and discover a dark side you never knew existed.

The Shallow Man Coerte V. W. Felske,2009-09 The 20th Anniversary Edition, the Author's Cut: 100 PAGES of PREVIOUSLY UNRELEASED MATERIAL. Front cover featuring Alessandra Ambrosio; back cover featuring Ana Beatriz Barros, Alessandra Ambrosio, and Irina Shayk photographed by Peter Beard, Giant Polaroid Tom Wolfe rewrites American Gigolo. -- Kirkus Reviews The novel is crass, entertaining, slangy, and reeking of sun bronze and the fresh turnover of fleshy delights makes the narrator's decision to become an aging roue instead of a responsible adult seem like an honest, admirable choice. Felske writes like a gigolo and treats seduction as a dirty sport. -- James Wolcott, Vanity Fair Model Citizen: the story of a man who never met a beautiful woman he didn't like. -- David Kelley, The New York Times Book Review Favorite Novel: *The Shallow Man* by Coerte Felske which

begins with the line 'I never met a model I didn't like.' -- Candace Bushnell, *Vogue* Coerte V.W.

Felske's novel *The Shallow Man* turned the fashion world on its head-and introduced the term 'modelizer' into the collective consciousness. -- *Detour A Model Wordsmith*. -- *New York Magazine*

In his first novel, *The Shallow Man*, Coerte V.W. Felske spins a clever tale of the narcissistic world of fashion modeling. In this comic send-up, Nick Laws is the shallow man whose every thought and word reflect his sole interest in life: boffing models. From the late-night clubs of Manhattan to the art deco bars of Miami, Nick searches for beautiful women to take to bed. He's so perfect, he's hilarious. Is there a man with a soul so noble that he has not entertained this fantasy? In real life, no one could stand around all day in his motorcycle jacket and sunglasses, purring platitudes to curvaceous dimwits. But Nick's relentless, self-conscious pursuit is very funny. Nick reminds us, Never judge a book by its contents. Certainly not this book. *The Shallow Man* is fun, flash, and filigree--a sexy, witty spoof of the Nineties. -- Digby Diehl, *Playboy*

Shallow waters run deep. This stunning but unreflective man knows more than you think. Behind those big blank eyes and that deep tan is...well, something that women find hopelessly tempting: a healthy disdain for thinking too much. Since he can't be bothered connecting the dots, he maps out the politics of the jejune with an easy straight line. Reading the quick-witted prose, one begins to think less about things and more about Thing, the *Shallow Man*'s tag for the women he dates: gorgeous, seemingly unattainable models. Nick Laws is like Hamlet without the mental baggage, tumbling Ophelia by Act II. Felske's *The Shallow Man* makes a case for the unexamined life. -- *Esquire*

I may not have been the king of Generation Face, proclaims hipster Nick Laws, in author Felske's first novel, but I was definitely one of its princes. Nick can't get enough of Thing his catchphrase for impossibly stunning women; his every moment is devoted to bedding them--as long as they're not Civilians (regular-looking women). Spiked with original Nickspeak and hilarious dialogue, Felske's depiction of the physically elite is so clever in its anthropological detail that we can forgive his protagonist for just about anything. Besides, *The Shallow Man* harbors a few glimmers of Nick's humanity. You just have to dig to find them. -- *People*

PLAYBOY CENTERFOLD DATA SHEET, 'Favorite Book: *The Shallow Man* by Coerte Felske. It's about a very shallow man and his involvements with models.' --Priscilla Lee Taylor, *Miss March*, 1996, *Playboy* -----

Fear not the *Shallow Man*, For all that is lost is one night. Such is the credo of Nick Laws, the suave party promoter who lives on the other side of the velvet ropes. Nick's world is an exclusive arena of fast-food romances, sex, and mind-boggling glamour. It's Nick Laws's obsession, and he is not in denial about it. *The Shallow Man* is his confession. Welcome to Generation Face...

Age 1 Spallow Introduction

In the digital age, access to information has

become easier than ever before. The ability to download Age 1 Spallow has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Age 1 Spallow has opened up a world of possibilities. Downloading Age 1 Spallow provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Age 1 Spallow has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Age 1 Spallow. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from

various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Age 1 Spallow. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Age 1 Spallow, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Age 1 Spallow has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
