As Below, So Above Julian Collins,2021-11-25 As Below, So Above is a book of poetry meant to instil a postmodern sense of Greco-Roman self that can sustain the reader through an emancipatory struggle. Delving into the depths of the Classical Underworld, author Julian Collins takes the reader on a visceral poetic adventure from the depths of Hades to the cockpit of a kamikaze pilot. From the betrayed voice of Lady Liberty to the napalm-covered fields of Vietnam. From the Catacombs of Paris to the burning palisades of Fushimi Castle. Through persona poems where he speaks from the perspective of another, haiku sets that enlighten and stream-of-consciousness, spoken word style poetry that engulfs the reader in an esoteric haze, Julian Collins aims to redefine the reach of modern poet. For As Below, So Above is not just a book of poetry - it is a spiritual declaration of revolutionary fidelity that transcends the page, the pen, and the poet.

And so begins the bumpy relationship of this odd couple, filled with comedy and pure romance.

The End of the Moment We Had Toshiki Okada,2018-09-04 Two brilliant, multi-layered stories from the winner of the Kenzaburo Oe Prize: part of our Japanese novella series, showcasing the best contemporary Japanese writing. On the eve of the Iraq War, a man and a woman meet in a nightclub in Tokyo. They go to a love hotel, and spend the next five days in a torrid affair. Written in a stream of consciousness, with the reader's perceptions shifting and melting into one another, what is remarkable in this story is not what happens, but the ability of the writer to enter the minds and memories of the protagonists. In the second story, a woman living in a damp flat obsesses on the filthy state of her dwelling. She remains in bed for the duration of the narrative, but the drama and tension of her inner life - spiralling further and further into her memories and anxieties - keep the reader engrossed to the very end. The End of the Moment We Had demonstrates the fluidity and richness of this extraordinarily gifted writer's language and ideas.
