A Perfect Ten Linda Kage,2019-12-17 Let your hair down, Caroline, they said. It'll be fun, they said. I know I've closed myself off in a major way in the past year, ever since "the incident" where I messed up my life completely. It's past time I try to live again or just give up completely. But this is quite possibly the craziest thing I've ever done. In a last ditch effort to invigorate myself, I'm standing outside Oren Tenning's bedroom, I just peeled off the sexiest pair of underwear I own, and my hand is already raised to knock. My brother would disown me for doing anything with his best friend, and he'd probably kill Oren. But if I play my cards right, no one will ever know about this. Not even Ten. Maybe after tonight, I'll finally get over this stupid, irrational crush I hate having on the biggest jerk I've ever met. Or maybe I'll just end up falling for him even harder. Maybe I'll discover there's so much more to my crude, carefree hunk than meets the eye.

Sjögren's Syndrome Norman Talal,Haralampos M. Moutsopoulos,Stuart S. Kassan,2012-05-19 I have been a student of Sjogren's syndrome for virtually all of my professional life. My education in this disease began in 1962 when I arrived at the National Institutes of Health to begin a Clinical Associateship with Dr. Joseph J. Bunim. Bunim introduced me to a patient with Sjogren's syndrome of 8 years duration who had developed malignant lymphoma 6 months previously. He told me that there were other such patients. I obtained serum samples from these patients and studied them by the then new technique of immuno electrophoresis. We observed that an initial hypergammaglobulinemia could progressively decline to hypogammaglobulinemia with loss of autoantibodies.

One patient in this initial series had macrog lobulinemia. We published this report and suggested that the auto immunity predisposed to the malignant transformation. Thus began my love affair with this disease. In those days many rheumatologists considered Sjogren's syn drome simply a variant of rheumatoid arthritis. It's curious that two decades ago there was little confusion between Sjogren's syndrome and systemic lupus erythematosus, whereas today there is great con fusion. There is still a great need for internationally agreed upon di agnostic criteria, which merely illustrates once again the difficulty of accurate diagnosis in our profession. The multidisciplinary aspects of Sjogren's syndrome require au thorities in several areas of medicine. The various chapter contribu tors are experts in their field and have often put aside other respon sibilities to complete their contributions and not delay publication.

An Ocean of Grey Kamalia Hasni,2018-04-28 (Preview) An Ocean of Grey by Kamalia Hasni is a collection of modern poetry and prose that explores the pain and aftermath of a romantic love that was promised a forever but had ended too soon. This e-book edition includes song recommendations accompanying each written poem. Note: This is a preview for the An Ocean of Grey e-book that is currently only available to be purchased on Amazon Kindle. Unlike the physical edition published by Meraki Press, this e-book edition does not include illustrations. Excerpt: We've now been apart for as long as we were together. Isn't it strange that in the same amount of time, being lonely and broken feels like an eternity, whereas the time of feeling the comfort of your love, felt like a dream that ended much too soon. – Kamalia Hasni (eternity // dream) Praise for An Ocean of Grey: An Ocean of Grey is a great book of poetry with lots of heart and soul. Hasni could very well compete with other famous poets from this time and this first book of hers is hoped not to be her last. I highly recommend it to all lovers of poetry, and lovers of words. – Ashvin “I absolutely recommend this book to those who had recently gone through a breakup or is still in the process of healing. Perhaps you might find words of comfort through this, knowing that someone knows exactly how you feel.” – Joanna
