*The Descent of Air India* Jitender Bhargava,2013

Soft Target Zuhair Kashmeri,Brian McAndrew,2005-09-06 A provocative look at one of Canada's biggest tragedies On March 16, 2005, almost twenty years after one of the biggest mass murders in Canadian Aviation history, the Air-India Case concluded with a verdict that authors Zuhair Kashmeri and Brian McAndrew predicted sixteen years ago when Soft Target was first published: not guilty. In this second edition, the two offer a detailed foreword that brings readers up-to-date with some startling new information surrounding the twin bombings on June 23, 1985 in the air over the Atlantic, and on the ground in Japan, which left 331 people dead. They offer key details from the trial of Ripudaman Singh Malik and Ajaib Singh Bagri that took place in a specially-built Vancouver courtroom, leads that were not followed up, and more details of India's intelligence service's clandestine interference in Canada. They explain how their own prediction that justice would not be found because of a botched investigation came true, and that only a public inquiry will offer closure to the families of the victims.

**Remembering Air India** Chandrima Chakraborty,Amber Dean,Angela Failler,2022-09-02 On June 23, 1985, the bombing of Air India Flight 182 killed 329 people, most of them Canadians. Today this pivotal event in Canada's history is hazily remembered, yet certain interests have shaped how the tragedy is woven into public memory, and even exploited to advance a strategic national narrative. *Remembering Air India* insists that we "remember Air India otherwise." This collection investigates the Air India bombing and its implications for current debates about racism, terrorism, and citizenship. Drawing together academic analysis, testimony, visual arts, and creative writing, this innovative volume tenders a new public record of the bombing, one that shows how important creative responses are for deepening our understanding of the event and its aftermath. Contributions by: Cassel Busse, Chandrima Chakraborty, Amber Dean, Rita Kaur Dhamoon, Angela Failler, Teresa Hubel, Suvir Kaul, Elan Marchinko, Eisha Marjara, Bharati Mukherjee, Lata Pada, Uma Parameswaran, Sherene H. **ON ANGELS WINGS : BEYOND THE BOMBING OF AIR INDIA 182** SANJAY LAZAR,2024-01-24 On *Angels Wings* is a true story about the bombing of the Air India AI-182 Kanishka aircraft. The first part of a trilogy on this subject, it is an inspirational autobiography and details the search and rescue, the criminal law trial, failed court cases, and a son's fight for justice for 38 years, who was orphaned at 17 years. The Air India 182 Kanishka bombing off the coast of Ireland on June 23, 1985, was the worst act of aviation terror until the 9/11 attacks. A true airplane crash story, It is the worst airline bombing, killing 331 people, including 86 children. A motivational story of a young man's resilience, grit, and determination to succeed against all odds, it chronicles Sanjay Lazar's incredible journey from despair to hope, and how he overcame adversity to emerge as a successful aviator & lawyer. A true tale of leadership, of a boy who conquered death, a tale of human triumph over tragedy, to succeed against all odds, blessed by his own angels. It recounts his decades-long fight for justice, the period of his

participation in the Kanishka criminal trial in Vancouver for the Air India bombings, and later fighting for individual standing before the Justice John Major Inquiry Commission, headed by the retired Judge. He joined Air India and excelled there, becoming a merit award winning crew member, and rose to become a part of the elite VVIP Fleet of Air India One, flying the President and Prime Ministers of India, where he served for more than 12 years. The Book details his trysts with destiny and his idols, Prime Minister Atal Behari Vajpayee, JRD Tata and Balasaheb Thackeray Ji. He became the youngest Trade Union leader of the national trade union AICCA and was its general secretary for more than 25 years and handled issues such as the privatisation of India, worker rights, and numerous court cases on fundamental rights before the High Court and Supreme Court of India. Book Extract : That night, around 2:30 a.m., we were abruptly awakened by blaring sirens and announcements on the hotel's PA system, urging immediate evacuation. "This is an evacuation warning." "This is not a drill." "Please evacuate the hotel immediately." "We made our way through the corridor, down the fire escape, and into the open car parking space facing Bath Road. I could see hundreds of people around me, who had also just evacuated the hotel, some running out in their nightgowns and some naked, as the splitting sound of the loud horn pulsed in my ears." On that damp, cold night in London, we all stood helpless in the middle of the night in the left and right car parking areas. After a brief period, we saw the bomb squads and London Police, come rushing in with the fire engines blaring." "Few of us travelled to Canada and attended the trial. We were seated in an area barely 15 feet away from where Malik and Bagri sat during the trial, and for days, we sat there watching the killers of our families." "I will never forget the expressions on the faces of those two criminals, smirking, knowing that they were responsible for the murder of my family and all 331 innocent souls on board that ill-fated Air India Flight 182. Throughout the trial, they sat with smirks on their faces, seemingly triumphant, while looking at the crowd and the families of the victims." "My family just died again," "They killed 331 people once more," and "This was the gravest injustice inflicted upon the victims of the Air India bombing!" As CBC News reported, But Sanjay Lazar had no trouble summing up how they felt in one, biting sentence." "Today, once again, 20 years on," he said, "we have lost our families all over again—this time to the Canadian justice system. Reviews : It shines a light on how justice was obstructed in the Kanishka Air India Bombing Case, the worst act of aviation terrorism globally, before 9/11. Years of hard work have gone into the writing of this book. A must-read book- BARKHA DUTT A moving read about courage and determination in the aftermath of the tragedy of the Kanishka bombing - VIR SANGHVI. Now, at last, Sanjay is taking the time to lay out the whole story. He's here as of right. He knows the law, he knows aviation, and he certainly knows about bereavement. And this time. He's not rushing from the airport at the very last minute.- TERRY MILEWSKI

**Air Crash Investigations** Allistair Fitzgerald, 2011 On 23 June 1985, Air India Flight 182, a Boeing 747-237B was on its way from Montreal, Canada, to London when it was blown up while in Irish airspace, and crashed into the Atlantic Ocean. 329 people perished. It was the largest mass murder in modern Canadian history. The explosion and

downing of the carrier was related to the Narita Airport Bombing. Investigation and prosecution took 25 years. The suspects in the bombing were members of the Sikh separatist Babbar Khalsa. Inderjit Singh Reyat, the only person convicted, was sentenced to 15 years in prison.

Children of Air India Renée Sarojini Saklikar, 2013 children of air india is a series of elegiac sequences exploring the nature of individual loss, situated within public trauma. The work is animated by a proposition: that violence, both personal and collective, produces continuing sonar, an echolocation that finds us, even when we choose to be unaware or indifferent. This collection breaks new ground in its approach to the saga that is Canada/Air India, an event and its aftermath that is both over-reported and under-represented in our national psyche. 329 deaths. 82 Children. Canada's worst mass murder. The accused acquitted. What does it mean to be Canadian and lose someone in Air India Flight 182? Why does 9/11 resonate more strongly with Canadians than June 23, 1985? The poems in this book search out answers in the everything/ness and nothing/ness of an act and its aftermath, revealing a voice that re-defines and re-visions. Air India never happened. Air India always happens.

*Privatisation in India* Sudhir Naib, 2022-01-13 This book is a comprehensive work which incisively analyses, from a theoretically informed perspective, crucial aspects of India's journey from partial divestiture to privatisation, accompanied by case studies of enterprises being privatised in FY 2022. Naib begins with the economic role of the state followed by theoretical and empirical evidence on the state versus private ownership in the first two chapters. Next, an overview of public sector in India including the New Public Sector Enterprise Policy for Atmanirbhar Bharat-2021 is discussed, before a broader examination of the global experience with privatisation is done. Naib then goes on to explore India's journey from partial divestiture to privatisation from 1991 to 2021 in four time slots based on the political party in power. The book also looks at big ticket privatisation and asset monetisation proposed in FY 2022. Many criticised the design of National Monetisation Plan as it may lead to concentration of wealth, increasing inequalities, asset stripping, and consumers paying higher charges. The book closes by presenting six instances of big-ticket privatisations ranging from airlines, airports, banks, insurance, as well as industries such as petroleum and telecoms. The book's timely data and analysis of key developments will interest researchers in the fields of divestiture and privatisation in India.

**Indian Business Case Studies Volume I** Sandeep Pachpande,Asha Pachpande,2022-09-15 It has been decades since many business schools outside India adopted the case study methodology for teaching almost all branches of management studies. This trend has been seen in India, too, where top management institutes have implemented the case study-

based methodology as an important pedagogical tool in business education. The major issue in India, however, is a severe shortage of Indian case studies through which business schools can provide industry insights to students. This volume fills that gap. It has twenty Indian cases related to different aspects of business management. The cases cover some of the prominent disciplines of management like marketing, finance, human resource management, strategy management, operations management, accounting, and mergers and acquisitions. These cases best serve the purpose of adoption of 'case methodology' in classroom teaching or online lecture sessions for the faculty and students of business management.
