About the Author: Ever since a young age, Tyler Austin had a passion for firearms and firearms training. At the age of 16, he became fascinated with the Kalashnikov rifle, in large part due to his interest in the Eastern Front of WWII at the time, which heavily influenced the Kalashnikov design. At the age of 18, while visiting his local gun store, he noticed an Arsenal SGL-31, AK-74 hanging on the wall. By this time, the Russian SGL series had been banned from import for some time, making them hard to obtain. That rifle went home with him that night. Ever since, Tyler has spent an extensive amount of time training, practicing, and learning as much as he can about the AK, especially around the topic of fighting with the Kalashnikov. Authoring *Kombative Kalashnikov* is an extension of that passion.
