Ask a Policeman The Detection Club,Agatha Christie,Martin Edwards,John Rhode,Helen Simpson,Gladys Mitchell,Anthony Berkeley,Dorothy L. Sayers,Milward Kennedy,2019-07-09 With “a touch of genius,” this round-robin mystery follow-up to The Floating Admiral features famous detectives including Lord Peter Wimsey (The Times Literary Supplement). Following the success of The Floating Admiral, in which certain members of the Detection Club—including Agatha Christie, Dorothy L. Sayers, and G. K. Chesterton—collaborated on a whodunit, six writers pooled their talents to create another coauthored mystery. This time the premise had an added twist: authors would swap their detective characters, allowing for some extremely entertaining parodies of one another’s sleuths. When a ruthless British newspaper tycoon is shot dead in his home, the high-level suspects include the assistant commissioner of Scotland Yard, casting doubt on the impartiality of a formal police investigation. As a solution, the home secretary brings in four brilliant detectives to solve the murder: Mrs. Bradley, Sir John Saumarez, Lord Peter Wimsey, and Roger Sheringham. Featuring a preface by inaugural Detection Club member Agatha Christie, this playful tour de force gathers together half a dozen Golden Age Mystery masters: John Rhode, Helen Simpson, Gladys Mitchell, Anthony Berkeley, Dorothy L. Sayers, and Milward Kennedy.

Estonia's Transition to the EU Marju Lauristin,Peeter Vihalemm,2020-11-25 Two decades on from the start of the ‘Singing Revolution’, and five years on from the Baltic States’ entry to the European Union, the time is ripe to take stock of Estonia’s remarkable transition from Soviet Republic to EU member state and address the challenges - some new, some ongoing - and uncertainties that have arisen following the country’s entry to the EU. This book locates the post-accession period within the broader sweep of post-communist transition and diagnoses the problems facing Estonia as the global economic downturn takes hold and a new mood of pessimism reigns in Central and Eastern Europe. Until recently, Estonia enjoyed an international reputation as an emerging high-growth ‘tiger economy’ and reform pioneer, not least in the sphere of IT. This economic success story, however, masked the continued problematic political and social legacies of the Soviet period, including the issue of ethnic integration, which again hit the headlines following riots in Tallinn in April 2007. This fully up-to-date appraisal - the first in English - covers all of the key issues, and will appeal to specialists in Baltic and Central and Eastern European politics and society, as well as to anyone with an interest in European integration more generally. This book was published as a special issue of the Journal of Baltic Studies.
