

Al Hussein

Alexander Bligh

AL-HASAN & AL-HUSSEIN THE TWO GRANDSONS OF THE MESSENGER OF ALLAH MOHAMMAD RIDA,1999-01-01 كتاب في التاريخ والتراجم، تكلم فيه المصنف عن سبطي رسول الله صلى الله عليه وسلم الحسن والحسين، حيث ترجم لهما ترجمة موسعة وأرخ للأحداث التي حصلت معهما

Al-Hussein Ali Altobchi,2021-10-15 Iraq not only launched domestic production of many weapon systems of the Western and Soviet design but became a prime location for the development of high-profile advanced weapon systems. The most notable of these was the al-Hussein - a stretched long-range variant of the famous Soviet R-17E (ASCC/NATO-code 'SS-1 Scud').

King Hussein and the Challenge of Arab Radicalism Uriel Dann,1992

The Political Legacy of King Hussein Alexander Bligh,2001-01-01 Through confrontations with Israel and Palestinians, under watchful eye of United States, the King managed to create a Middle Eastern nation-state: the Jordanian country and its people. This book focuses on Hussein's concern for the future of the last Hashemite monarchy, together with his own set of personal and ideological convictions.

From Abdullah to Hussein Robert Barry Satloff,1994 More than forty years on the throne have given King Hussein and the Hashemite Kingdom an aura of security, stability and permanence. In the face of numerous enemies and adversaries, Hussein's resilience has remained constant. From Abdullah to Hussein examines the most turbulent period in the history of Jordan's ruling house, the six years following the assassination of the kingdom's founder, Abdullah, in 1951. Those years witnessed the country's lone episode of weak monarchy, when the king - the novice Hussein or his ill-starred father, Talal - was not the preeminent political actor in the land. Rather, it was during that time that the regime was left in the hands of a mix of Palestinian, Transjordanian, and Circassian royalists who had never before wielded executive authority inside the kingdom. Based on exclusive interviews, including two sessions with King Hussein, and newly released archival resources from the United States, Britain, Israel and Jordan, the book traces the only two royal successions in Jordanian history: the eleven-month reign of the little-known Talal, and the early years of King Hussein. Throughout, it chronicles the relationship between King and King's men that saw Jordan pull itself back from the brink of political disaster and permitted young Hussein to restore a ruling coalition of King, Government and Army that has remained the foundation of the regime ever since. The first scholarly examination of the transition from Abdullah to Talal to King Hussein, this book takes an in-depth look at domestic politics inside Jordan, including the kingdom's early efforts at multi-party elections. It will be of great interest to historians, scholars, and students of the modern Arab world.

Exhibition of Al-Hussein Fawzy El-Hussein Fawzy,1965

King Hussein of Jordan Nigel Ashton,2008-10-01 A towering figure in the history of Jordan, King Hussein reigned for nearly half a century, from his grandfather's assassination in 1953 to his own death in 1999. In this fascinating biography, Nigel Ashton recounts the eventful life of the king who not only survived but flourished amidst crisis after crisis as ruler of a poor desert nation surrounded by powerful and hostile neighbors. Hussein skillfully navigated complicated relationships with the British, his fellow Arab leaders, the new bordering state of Israel, masses of dispossessed Palestinians within his kingdom, every U.S. president from Eisenhower to Clinton, and every British prime minister from Churchill to Blair. This book illuminates the private man, his key relationships, and his achievements and disappointments as a central player in the tough world of Middle Eastern politics. Ashton has had unique access to King Hussein's private papers, including his secret correspondence with U.S., British, and Israeli leaders, and he has also conducted numerous interviews with members of Hussein's circle and immediate family. The resulting book brings new depth to our understanding of the popular and canny king while also providing new information about the wars of 1967 and 1973, President Reagan's role in the Iran-Contra affair, the evolution of the Middle East peace process, and much more.

Our Last Best Chance King Abdullah II of Jordan,2011-02-22 A newsbreaking memoir that tackles head-on the toughest challenge in the world today. When a dying King Hussein shocked the world by picking his son rather than his brother, the longtime crown prince, to be the next king of Jordan, no one was more surprised than the young head of Special Operations, who discovered his life was in for a major upheaval. This is the inspirational story of a young prince who went to boarding school in America and military academy in Britain and grew up believing he would be a soldier. Back home, he hunted down terrorists and modernized Jordan's Special Forces. Then, suddenly, he found himself king. Together with his wife, Queen Rania, he transformed what it meant to be a monarch, going undercover to escape the bubble of the court while she became the Muslim world's most passionate advocate of women's rights. In this exceptionally candid memoir, King Abdullah tackles the single toughest issue he faces head-on- how to solve the Israeli-Palestinian standoff- and reveals himself to be an invaluable intermediary between America and the Arab world. He writes about the impact of the Iraq war on his neighborhood and how best to tackle Iran's nuclear ambitions. Why would a sitting head of state choose to write about the most explosive issues he faces? King Abdullah does so now because he believes we face a moment of truth: a last chance for peace in the Middle East. The prize is enormous, the cost of failure far greater than we dare imagine.

Anglo-American Support for Jordan: The Career of King Hussein M. Joyce,2008-04-28 This book focuses on US-UK relations with Jordan for the entire period of King Hussein's reign, explaining Hussein's successes and failures, while emphasizing the declining influence of London and the rising influence of Washington.

Hussein and Abdullah Randa Habib,2010 A highly accessible account of the domestic and regional politics of Jordan.

Tuhaf Al-uqoul Al-hasan Bin Ali Bin Al-hussein Bin Shu'ba Al-harrani,2017-05-16 This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!

Tyranny's Ally David Wurmser,1999 This book argues that current policy, even if invigorated by more aggressive military efforts, will not bring the United States victory over Saddam and his regime.

The Trial of Saddam Hussein Dr. Abdul-Haq Al-Ani,2010-04-20 The trial of Saddam Hussein marks the first time since the UN was created that a head of state has been put on trial by an invading, occupying power. This book, by the UK coordinator of Saddam Hussein's defense team, seeks to alert public attention to the threat this precedent poses to developing nations worldwide, and to its distortive influence on the further development of international law. Al-Ani documents the trail of illegalities marking the destruction of Iraq at the hands of the US and UK, from the genocidal sanctions of the 1990s, the US State Department pre-invasion planning that commenced in 2001, and the 2003 invasion, to the setting up and proceedings of the Tribunal that swiftly dispatched Saddam Hussein. While the Tribunal was intended to promote the image of a triumphant Iraqi democracy, the US was actually in control of all stages of the trial. It drafted the Tribunal's Statute, decided where the trial would be held, and what charges would be brought; researched, compiled, stored, and prevented access to evidence and documentation; elected and trained the judges, and micro-managed the proceedings. Al-Ani follows the trial step by step, detailing its many failures and US micro-management: * Important documents were not given to defense lawyers in advance * no written transcript of the trial was kept * paperwork was lost * The defense was prevented from cross-examining witnesses * judges and numerous witnesses participated incognito, * defense lawyers were intimidated, three were assassinated * defense witnesses were frightened to come forward * defense lawyers could not communicate with their client or

review the evidence The trial itself was so farcical as to provoke international condemnation. International human rights groups, including Amnesty International and Human Rights Watch, as well as UN bodies such as the Working Group on Arbitrary Detention and the High Commissioner for Human Rights, have stated that the Iraqi Special Tribunal and its

Lion of Jordan Avi Shlaim,2008-09-09 The first major account of the life of an extraordinary soldier and statesman, King Hussein of Jordan. Throughout his long reign (1953—1999), Hussein remained a dominant figure in Middle Eastern politics and a consistent proponent of peace with Israel. For over forty years he walked a tightrope between Palestinians and Arab radicals on the one hand and Israel on the other. Avi Shlaim reveals that Hussein initiated a secret dialogue with Israel in 1963 and spent hundreds of hours in talks with countless Israeli officials. Shlaim expertly reconstructs this dialogue from previously untapped records and first-hand accounts, significantly rewriting the history of the Middle East over the past fifty years and shedding light on the far-reaching impact of Hussein’s leadership.

Mohammad Hussein Al-Yaseen: Poetry on Poetry Haitham Kamil al-Zubbaidi,2016-10-18 A lifelong poetic career of a major contemporary Iraqi poet is explored via a translation of a representative selection of his poems which are directly concerned with poetry and poeticism. A serious effort is clearly manifested by the translator who thematically selected, arranged and critically introduced these poems. This book serves the purposes of all readers who are interested in Arabic literature, poetry and culture.

Saddam Hussein Saïd K. Aburish,2001-01-22 'A brilliant Arab-Western examination.Written with pace, detail, and a host of witnesses and sources' Sunday Tribune

Leap of Faith Queen Noor (consort of Hussein, King of Jordan),2003 Autobiography of Lisa Halaby, who after a secret, whirlwind courtship with King Hussein, became Noor Al Hussein, Queen of Jordan.

Dancing with Saddam David Kenneth Schenker,2003 Jordan has long served as a pivot between moderate pro-Western states and radical anti-American states in the Middle East. This volume explores the international relations between the West, Middle East and Jordan.

King Hussein Roland Dallas,1999 Dallas, journalist and editor of Foreign Report, offers a sympathetic biography of Jordan's King Hussein. He traces Hussein's life from his boyhood to his death in 1999, focusing on the effect of Hussein's life on the politics of Jordan and the Middle East as a whole.

Exiled from Jerusalem Rafiq Hussein,2020-04-30 The diaries of Dr Hussein Fakhri al-Khalidi offer a unique insight to the peculiarities of colonialism that have shaped Palestinian history. Elected mayor of Jerusalem – his city of birth – in 1935, the physician played a leading role in the Palestinian Rebellion of the next year, with profound consequences for the future of Palestinian resistance and British colonial rule. One of many Palestinian leaders deported as a result of the uprising, it was in British-imposed exile in the Seychelles Islands that al-Khalidi began his diaries. Written with equal attention to lively personal encounters and ongoing political upheavals, entries in the diaries cover his sudden arrest and deportation by the colonial authorities, the fifteen months of exile on the tropical island, and his subsequent return to political activity in London then Beirut. The diaries provide a historical and personal lens into Palestinian political life in the late 1930s, a period critical to understanding the catastrophic 1948 exodus and dispossession of the Palestinian people. With an introduction by Rashid Khalidi the publication of these diaries offers a wealth of primary material and a perspective on the struggle against colonialism that will be of great value to anyone interested in the Palestinian predicament, past and present.

Al Hussein Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer

confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Al Hussein PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Al Hussein PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Al Hussein free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Al Hussein Books

What is a Al Hussein PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Al Hussein PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Al Hussein PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or

Smallpdf, also offer basic editing capabilities. **How do I convert a Al Hussein PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Al Hussein PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
